umair: lol And yet her tweets about Benjamins, dual loyalty...none criticized any specific action or policy of Netanyahu or the nation-state of Israel. But actions speak louder than words, so maybe you can point out which action(s) of Omar have specifically helped out Jewish people, some of which are her constituents. That would show her aversion to Jew-hating. By the same logic, President Trump was called racist after unflattering remarks concerning "shlthole" African countries (yet he didn't mention race , blacks, etc.). <p>True Israel are Shemites from the son of Noah Shem, not "Semites"... True Israelites were those that were able to hide among both ancient Egyptians and ancient Ethiopians. True Israelites according to Ps. 83 lost their nation, culture, language and remembrance of who they were created to be. True Israel is still in this world today and is yet a people despised by many nations of the world. True Israel is the seed of Abraham, the first Hebrew and according to Gen. 15:13 and Duet. 28 is a people bought into another country which the Bible refers to as another Egypt, on ships enslaved by another nation and horribly mistreated until this day, held in physical and or mental captivity for 400 years (read the HR 1242 signed by Pres. Trump). If the Israel that the world knows does not fit these descriptions they are not, nor can they be True Israel. The Israel the world is supposed to stand up for is True Israel, not a people that has assumed the name. The Israel that many people support are those mentioned in both Rev. 2:9 and 3:9..... Omar will probably end up in the UK , like Yumi who was of the same type of character as Omar. Australia moved Yumi (who worked for the ABC) onward out of Australia, for having a similar outspoken, uncouth and bias nature much like Omar. What a Somali woman is doing in such a position in the US is a very confusing thing to me. What cultural, moral or intellectual values can she bring to the west when she is from the land of modern pirates, where they hunt, rob and kill tourists on a daily basis? They will even kill them if they are white, believe it or not, some African countries hate my skin color. A country that has been on the list of the most corrupted and with the highest crime rates in the world for DECADES! What intrinsic value can she add to the western value system? Try to listen to something by her, a hearing, anything. You will see she hates the US, she hates the west, she hates Israel and Christianity, she has nothing special about her, oh and she married her brother to be able to migrate to the US, the country she despises so much, breaking migration laws. She not only deserves to resign, but she deserves to migrate to another country that she DOESN'T hate. Putting aside the constant smirk on her face and sense of greatness, she also has little to no knowledge on foreign affairs, which she has demonstrated over and over again. Why some people try to defend her is beyond me. She would be a disgrace in her own country too, if she had the balls to stay there. Oh but wait, her culture kills infidels and rapes women, mutilates their genitals and marries them from the age of 9, makes slaves of their own people, literally you can find African slaves from countries like hers being sold on the market there, and she is supposed to contribute something to the west? Go figure...	African, Age, Nothing, Woman	Age - General, Age - Youngsters, Ethnicity - Black, Gender - General	5/292	1.712

I understood what Congresswoman Omar meant. She means that between AIPAC and Evangelicals lobby for Isreal. Isreal is a nation like all other nations. Why if we criticize Israel are we anti-Semitic? I adored Yitzhak Rabin's government. I really dislike Benjamin Netanyahu's government. Currently, Israel is an apartheid state and we should impose sanctions until it treats it's Palestinian citizens as full citizens. Moreover, people scream anti-Semitism all while failing to realize that Lebanon, Syria, Jordan and Saudi Arabia are all also Semitic peoples. I like Judaism and Jewish people (I also like Islam and Muslim people) but Israel is not doing what is right and as such should be criticized (as should all governments). The real event is playing out behind the scene, Most banks are starting to pay higher savings interest and offering all kinds of packaged deals to draw in your cash. Islam is not a race , ethnicity , or nationality . It's a set of ideas. Criticism of these ideas should never be confused with an animus toward people. And yet it is. It's not because she's attacking Israel (although of course many attack her only for that) but the main reason why so many jews are upset about it is because she constantly implies common anti-semitic tropes about jews buying their way into politics, not being loyal to their nation etc. It doesn't exactly help that she associates herself with supporters of islamist groups and only calls out israel, US allies and secular regimes but never islamist leaders. +Kevin K First professing Christians were herded into the same corral as unbelievers, over questions like abortion and the definition of marriage. Now, I feel quite sure, Jewish members will face increasing intimidation, increasing pressure to abandon normal and reasonable loyalties. Self-styled 'progressives' do not realize that they are they are in fact REACTIONARIES, because: -they have become apologists for islam, a SUPERSTITIOUS CULT based on lies about Jesus and bitter jealousy toward the Jews; -they promote as 'virtuous' lifestyles which the Word of God clearly condemns, which were common among CORRUPT ANCIENT PAGAN CIVILIZATIONS. 'Progressivism' is a misnomer in this case! They probably don't know that in countries of origin, islamism is an ideology of the far Right. I wonder whether they know ANY history, except from an 'identitarian' perspective. How ironic: it was Harry Truman, a Democrat, who acted boldly to recognize the infant state of Israel, because he had some understanding of Bible prophecy. "Loyalty to another country" is essentially anti-Semitic. It repeats the old trope of Jews being rootless, only loyal to themselves. This is not criticism of Israeli or US policy, but a people (the Jews). This is consistent with BDS's collective guilt line, that ALL Israelis are guilty, should be boycotted. And flagrantly hypocritical. Never do you hear BDS radicals (who want the destruction of Israel) complain about genocide committed in Yemen by Saudi Arabia, supported by the US. Only Jews are guilty. +kouti eightyeight God bless you for sticking to the truth in this instance. There are other moral issues on which your party has caved (I speak as a non-partisan). I hope that you will revisit the question of abortion, which is a SOCIAL EVIL leading to the decimation of generations, not merely a question of a woman 's 'choice'. The choice has already been made when the act which may lead to conception has begun, be that consensual or forced or somewhere in between (i.e. forced in all but name). I am implying, of course, that the woman often has less than 50 percent involvement in the INITIAL choice, when she really ought to be in charge of the situation. Very few women having that INITIAL choice would agree to forego the joys and pains of motherhood; on the contrary, many would willingly sacrifice their own lives for the sake of their children. So shaming women, insisting that they bear the entire moral burden, is not the solution, because the decision is usually a collective one, enriching so-called 'doctors' (professional hitmen, in actuality). Which shall it be? A large military and a mushrooming plutocracy, or a genuine 'culture of life', with appropriate social supports and a view to changing MALE behavior? But maybe I'm wrong, could you please find me a Hadeeth that says such a thing? Of a Hadeeth where the prophet tells us to hate Jews? Cause what I know is that they are people of the book, that they have their status in Islam, and that after the conquest of Jerusalem the Khalifa Omar Ibn Al Khattab allowed the Jews to go back to Jerusalem, and helped them do that. And I leave you with what the Quran had to say brother: Quran 3:199 And indeed, among the People of the Scripture are those who believe in Allah and what was revealed to you and what was revealed to them, [being] humbly submissive to Allah. Thanks for ur reference. So for me my religion doesn't have anything against Jews, as matter of fact they are honored as being people of the book, who believe in the one god. +Rafi Adaman The real peace-loving Jews are those who have received Jesus as Lord and Messiah. They spread peace as they proclaim the Gospel of Yeshua/Jesus among other Jews and to the nations. Jesus secured peace between God and man by His death on the cross. We become beneficiaries when we believe in Him. Some call these people Messianic Jews; they used to be called Hebrew Christians. The label does not matter so much. They are often persecuted by their own unbelieving families when they turn to Christ. But Christ definitely and uniquely fulfilled the Hebrew prophecies concerning the Messiah to come, hundreds of them. So without doubt they have got the main message as it was intended. Unfortunately the majority tendency in Jewish religion, even when Christ walked the earth, was insular and self-seeking. If you deplore that self-seeking attitude, that narrow sort of nationalism , I hope that you will condemn it also among Palestinians, indeed within any nationalgroup on the face of the earth. As for the 'world mafioso', there are many contenders for that title, not all of them Jewish! There are also plenty of Anglos, Arabs, Chinese, whatever, whose god is money. Their end will come. The nation of Israel has been our only real and trusted ally that we've had in the middle east. <p>You are dilusional. Completely indoctrinated by Ancient Hebrew mythology. Wake up and smell the coffee. Israel has only caused problems to the US in it's present form. Israel is a racist segregationist apartheid state that practices racial discrimination on a national scale. It violates the most basic civil rights of Palestinians and inflicts unimaginable humiliation and suffering upon them. By the way if you love the Ancient Hebrews so much here are a couple of things you should know. Where do you think the Palestinians came from? Do you really believe that the Romans expelled every single Jews from the region in the Roman Jewish wars 2000 years ago with the fall of Jerusalem??? That is nothing but a myth. Many Jews across many towns embraced Roman and Greek culture, some even became Roman citizens and became loyal subjects of Rome. Many of these Jews refused to join the Jewish rebellions against Rome and instead were protected by the Romans against the religious zealots who did rebelled against Rome and would often attack them. Many of these Jews later became Christians and later converted to Islam once the Arabs arrived in the 7 the century. Even today 1/3 to 1/4 of all Palestinians are Christians. If you go to Israel today and you start digging in most archeological sites you will find evidence of a many Jews who embraced the Roman empire and it's Greek culture. You will find ruins of aqueducts, public pools, Roman public markets places, amphitheatres, public baths and so on. You will find evidence that many Jews embraced Roman culture, Roman life, culture and Roman rule. The Romans not only did not expell these Jews from the region, they protected them from the militant Jewish Zealots who would often attack them.Listen, there are three courses for this conflict, two Countries or one country. The Israelis can either have Apartheid South Africa or they can have Singapore. When Singapore became independent from the British they had three ethnic groups with three different religions who were killing each other. Buddhists who were predominantly Chinese, Malay who were predominantly Muslim and Hindus who were predominantly Indians. Their prime Minister Kwan Lee, United them all and imposed affirmative action. He forced them to share everything in accordance with their population equally. Today Singapore is one of the richest country in the world, yet it's much smaller than Israel and it has no natural resources whatsoever. That is the best course of action for this conflict. It seems a little weak strategically, to attack sin in such a piecemeal manner as you suggest———only American sin, and only in one or two areas! Are the rest of us so good? I think you delude yourself by your optimism. Fortunately for us, God became incarnate as a Jewish man in the form of Jesus Christ. Though innocent, He died on a Roman cross for the very reason that our sin and its guilt might be put away. (Romans 5:8) 'For God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us.' ISRAEL. I mentioned it. I am no antisemite, to be sure. You can criticise any thing in this country, from God, to the President and all the countries on this planet including these you named but how talking about Israeli lobbies and their heavy influence in our foreign affairs makes someone anti-Semitic? Jason Dear Jason, thanks for the update! Nice game. But Israel is a country, not a religion. It has a 30percent Arab and Christian population. It is involved in a war for decades. Like any conflict, we can have a perspective. I do agree the choice of words was not professional but the content doesn't make it sound like she feels her blood or race is better! Kam. Forghani To say Israel is just a country show that you do not understand the Jews. Jews see themselves as sharing a culture and ancestry, even more so than a shared religion. Jews only have one country and it is Israel. Jews are the underdog , not the many Islamic countries in the middle east who have attempted to gang up and destroy the Jews multiple times in past wars but have failed. Allah is Arabic for God, yes but we all know that it refer to the Islam god; otherwise Muslims in English speaking country would just say god instead of allah when they're praying in English. Ilhan Omar clearly has deep anti-Israel sentiment from all her past tweets and we know it's not just political when she added religion to mix. We all know about the Jews-Muslim conflict in the middle east, and Omar have shown her hands. +Andyman Sand The point is in the response itself. If you want me to paraphrase or rephrase, I can try. Somali culture, as I have heard, is inextricably linked with islam, to the extent that a Somali who leaves islam must leave the ethnic community in order to be safe. As I have observed in my own town, Somalis are very 'sticky' socially, tending to segregate themselves. Care for other members of one's ethnic community is not always a bad thing, so long as the sentiment behind it is not chauvinistic. So I don't fault this woman for being pro-Somali, only for being anti-Jewish. But islam is a cult based on lies, superstition, and coercion, so it undermines the Somali community morally, socially, and spiritually. But those who are brainwashed may not realize that they have a problem, BECAUSE their brainwashing tells them that they are in the right. One must realize also that islam has a low view of Jews. In this sense antisemitism is 'baked into' Somali culture. One cannot expect much better from this woman because of her background. She may apologize, but only to the extent that she escapes trouble. This woman can only be redeemed in the same way as others are, by repenting and believing in the Lord Jesus Christ.	Ethnic, Woman	Ethnicity - General, Gender - General	5/216	2.315

lemanem lemso There is no such place as "Palestine." The Bible says the land belongs to Israel, and Jesus Himself will destroy those Islamic and/or Roman Catholic trespassers out of His nation . "Howl, O gate; cry, O city; thou, whole Palestina, art dissolpled: for there shall come from the north a smoke, and none shall be alone in his appointed times" (Isaiah 14:31, KJV). Ibrahim Sealy seems your being dishonest as you know full well he meant in saudi if you dared speak out against them you would lose your neck which is legit seeing as saudi just killed 30 odd shias one of them a 16 year old and all because he protested the saudi goverment so his point holds more water than your dishonest answer. Show some examples of antisemitism on the "left". Go ahead. AIPAC gives money to politicians to support the interest of Israel, that is a fact. Just because the truth resembles the stereotype, nobody can point it out. Is that what you are suggesting? Netanyahu was being indicted for corruption. Is reporting this antisemitic just because the story resembles the Jewish stereotype? At the end of the day, it is the "left" that will call out antisemitism.	Nobody	Age - Youngsters	1/76	1.316
fireson23 There's a problem with this 'whataboutary'. When the worlds only Jewish state was established, they did not use the Torah as the basis of their legal system, they opted to use common law. As far as I'm aware Israeli lawmakers did not re-introduce stoning as a punishment for adultery, I could be wrong. Israel has only executed two people since its founding, in 1948. Meanwhile the Islamic Republic of Iran executed at least 285 people in 2018 alone. With respect to LGBT rights, Israel is the most liberal in the Middle-East, even though homosexuality is sanctioned in the Old-Testament. Multiple Islamic countries chose to use Islamic sharia lore as the basis for their legal system.Iran, Pakistan, Sudan, ..., etc. Freedom of religion is not respected, apostates are put to death, homosexuals are executed. Iran even has on it's statute books "Corruption on earth"& "Crimes against God" - see the case of Pastor Matthias HaghnejadIn short Islamic texts play a central role in the legal systems of many countries. The Torah plays no such part in any country at all. Corruption? Like HER immigration fraud? 2009, Ilhan Omar married her own brother Ahmed Nur Said Elmi, and then in 2011 she married her current spouse, Ahmed Hirsi, while married to her own brother. A Muslim-British who wanted the U.S Resident Alien Status.OR corruption...like morally corrupt and supporting ZERO consequences for parents that butcher their daughters clitoral region? Aside from voting to pay SUICIDE BOMBERS huge life insurance payouts?, supporting ZERO consequences for parents that force brutal FGM mutilating their daughters clitoral region this woman also doesnt seem to care about homeless Native or Veterans..setting aside 850\$\$\$k for security at SOMALI public housing effectively creating a "no go zone". Ive attached article.... WE collectively should have a representative that cares for Americans! Not to simply protect her OWN people w a MILLION \$ wall and security! Anti-Semitism has NO place on Congressional floor. Any pologamist that marries a family member for a VISA should be charged w crimes NOT sent to Washington. Heres the article "MINNESOTA: The Democrat Mayor of Minneapolis, Jacob Frey, promised the Somali elders, who live at Cedar Riverside public housing, to build a \$1 million wall around the complex to protect them from "radicals" and crime. Complete with 17 surveillance cameras and key fobs. The taxpayers of Minneapolis are paying for it. Yet, Ilhan Omar, Minnesota's Somali-American new U.S. House Representative, declared on Twitter that walls are "xenophobic" and walls don't work and America doesn't need a wall. Why does Ilhan Omar approve of walls to protect people from her home country of Somalia but not to protect other Americans?BTW, last summer, Peggy Traeger Tierney was told in writing, by a woman named Elizabeth Paulson of the Minnesota Liberty Alliance, that the Somali elders requested the wall from the Democrat leadership, to protect themselves from their own "radicalized" youth, and had also reached out to the Minnesota GOP for help. The security upgrades were discussed at a May 7, 2018 meeting with Minneapolis Mayor Jacob Frey and Ward 6 City Council member Abdi Warsame.'I think it's worth it because I think our [Somali] elders need to be secure. They need to feel comfortable, and if it costs that much, that's fine. I don't think the money matters, I think their safety is paramount," Abdi Warsame said. The "radicalized" youth also told Peggy Traeger Tierney in writing that they plan on TAKING OVER Minnesota because it is their time and that they control the Minneapolis city vote. WHY spend a million dollars to upgrade security at Cedar Riverside public housing when you do nothing to protect our borders?"... No she isn't. Its an old smear tactic used by apologists of the Israeli state to silence all legitimate criticism...	Old	Age - Over 65s	1/20	5.0
<p>+amrit bansal You imply that the Israeli state requires apologists. Why should it, any more than any other existing state? 'Legitimacy' of states can be understood objectively in two ways: as an expression of 'de facto' political reality, and as an expression of God's sovereign will being carried out upon the canvas of history. The Israeli state fits both criteria, because (a) it exists; and (b) it exists according to the will of God.</p> <p>Whether you think that God permitted it to exist, contrary to His own distinct preference, or DESIGNED it to exist as part of a larger fulfilment of His promises made to Abraham through Isaac and Jacob, is another matter. Your own subjectively anti-Biblical view seems evident. (Romans 13:1b) 'For there is no authority except from God, and those which exist are established by God.' (Acts 17:26-27) '.....and He made from one man [one blood] every nation of mankind to live on all the face of the earth, having determined their appointed times and the boundaries of their habitation.' People should be careful of using 'legitimate' political criticism as a thin cloak for antisemitic hatred, which in my opinion is EXACTLY what Ms. Omar has done. Her prejudices proceed from the perverse dogmas of the religion in which she was raised.</p>	Nation, Thin	Nationality - General, Physical Identity - Physical Features	2/214	0.935
