Well maybe that helps to prove that the problem is real. A lot of men and women in hollywood have an issue with getting older. Because this idea that great or important roles can only belong to a certain <b>age</b> .	Age	Age - General	1/40	2.5

Yes Ms Catrall. Anybody asking what 60 should look like is <b>ageist</b> (like being <b>racist</b> ) bc <b>nobody</b> shld try to package it into what they THINK it shld be. I am 56 and i look 36. You are who you are and <b>nobody</b> else should put you into a box and project their opinions and prejudices as to what you should be at 60. It's the BBC. It's <b>old</b> people TV. They're very anal & strict about what can and can't be said; especially on a morning show. She was referring to the term "Pissed Off" which Kim said at 10:28 - Victoria Derbyshire was just covering her back before the viewer complaints come flooding in. I will say though; Victoria saying "grabbing her by the <b>pussy</b> " is just as bad.	Old, pussy	Age - Over 65s, Nationality - Chinese	2/67	2.985

ESClad That's what i was about to write. No apologies for " <b>Pussy</b> grab", but apologies for "pissed off or Screw this" , that's grotesquely comical .Yes the BBC used to be an honest impartial and very fair institution once upon a time . Then the BBC changed ownership and now for instance has no issue when people talk trash against muslims on a regular basis on either TV or the Radio and no apologies seem needed or expected . Strangely enough when someone says Pissed off we need an apology and if anyone ever dares mentioning anything remotely negative about Israel or Jewish people , this person is fired, banned and basically buried and forgotten . The BBC was the first to be against John Galliano , but we can say anything we want against Palestine and no apology are requested . Tony Hall, Baron of Birkenhead has become a puppet and it seems that there is a puppeteer behind the curtain . I don't like double standards . You can't only be <b>old</b> people TV when it is convenient and then censor what you believe might hurt the ears of some spectators or auditors . That for me is utterly disgusting . My long time friend Julia Sawalha told me a thing or two about the BBC and its unshakable principles .But thanks for the answer esclad. And thanks for the video , i like Kim very much , her and Joanna Lumley are the best ladies to come out of the UK. And Julia of course.	Old, pussy	Age - Over 65s, Nationality - Chinese	2/260	0.769
I am the father of two great girls and i always tell them to take example on two women i adore , Kim Cattrall and Joanna Lumley . Kim and Joanna are the epitome of class, intelligence, dignity, self-respect, kindness and fierceness , and on top of that, they are utterly hilarious . These two are a miracle, and they earned their place with kindness not by disrespecting others and themselves . There is <b>nothing</b> i want more than my daughters to grow up and become terrific human beings like these two great ladies .	Nothing	Age - Youngsters	1/95	1.053

I feel compelled to say that she has done "something" to her face and that's her business. I guess she hasn't said "I've done <b>nothing</b> to my face." I assure you, there are many, many more of us -We, the People - Conservative, Right-wing, Patriots who sleep well, knowing Trump is our President; and not that lying, traitorous, murdering Clinton. The only thing WE worry about, are the <b>lunatic</b> Democrats and Liberals who, literally threw their arms in the air, wailed, and "required" a "safe zone" and therapy - simply because their candidate failed. These same lunatics are still physically attacking anyone who disagrees with their demands. These outrageous lunatics destroy private citizens' personal properties - burning the innocent bystanders' cars; bashing out storefront windows; and even destroying public properties! Those of us who voted for, and continue to support, President Trump, are shocked and appalled at all the ignorant and stupid people's behavior. We did not like Obama winning twice (and for the record, I voted for that liar the first go, certainly not the second!), and yet we managed to put on our big boy/girl britches; tie-up our bootstraps; and continued to work as well as defend our country. How then is it, the wailing, abusive, destructive, uneducated nutcases are worthy of any pity? The only concern should be, "What the hell are they thinking and doing?! No Conservatives, has physically attacked these fools - but we will defend ourselves against their continued assaults because we are dyed in the wool, GOD-fearing, Family and Country-loving US Americans. Anyone who does not respect or agree with our Constitution and Bill of Rights, is free to leave and move to a country whose government and ideologies suits their wants, needs, and expectations. Buh-bye. Oh, and by the way, Hillary is not Presidential material. She lacked the dignity, grace, and LORD knows she lacks integrity - so much so (poor loser), she refused to face her supporters, thank them for their efforts, and congratulate Trump publicly - to show support for THE President Trump...as did when she lost to Obama. Classless. And all who support her and/or Sanders are CLUELESS.	Lunatic	Physical Identity - Physical (and Mental) Impairments	1/331	0.302

Don't confuse what men want with what Hollywood wants. As far as not accepting men marrying young women I don't know how you accomplish that. She's supporting the <b>old</b> guard which has propped up <b>sexism</b> and agism for decades. The Clinton's have been in power in the US since the 1980's. Since Trump has been elected there has been more pedofile arrests and Hollywood has been destroyed for using the casting couch. Weinstein was the biggest villain of all and he was a huge Hillary campaign contributor. Let's get real here. I love Kim but she's way off here. It is ironic that Kim Cattrall was more established as an actress than SJP when they all began <b>Sex</b> In The City. When the regular producer of the show left, the next producer in the show was a good friend of SJP. Hence Kim Cattrall, was NEVER given an executive producer position , which she had longed for, to write and direct future episodes, it was given to SJP. Also, during the same time that the cast of "Friends", agreed to ALL jointly get paid the same salary, \$1,000,000 per episode, " <b>Sex</b> In the City" paid SJP \$1,000,000 plus Producer Fees per episode, whilst the rest of the cast \$350,000 - \$250,000 per episode. SJP would also socialize with the rest of the cast, rent beach homes or houses on location out of the country for the other women of SITC, while excluding Kim Cattrall; Kim said that SJP yielded power over every aspect of the script, and shooting schedule, it was a total "Mean Girl" set for the entire duration the show was on the air. As an older actress, the deal to agree to a \$1,000,000 per episode pay scale as the "Friends" cast had contracted jointly, would have made an immense difference in Kim's life now, as <b>ageism</b> makes it difficult to procure roles. SJP knows what she did here. Kim is not a phoney, SJP is.	Ageism, Sex	Age - General, Gender - General	3/230	1.304
Why is this whole interview about some social justice/feminism bullshit? I'm bored of it now. It's in every single interview of a Hollywood star. Also, I'm glad Hilary Clinton isn't in the White House. She's just as ruthless and cutthroat as any man out there. Why are people terrified of Trump as President? I voted for him and am still happy that I made my choice. If he fucks up in the next however many years, he'll be out, but I don't think he has (yet).I didn't think hear what Kim said, but I heard the interviewer say " <b>pussy</b> ." Completely agree about the inability to understand the process of aging well in the US. As I get older, I love how much I am starting to look like my grandmother. And yet society wants me to not feel that way... it wants me to hate my way to the skincare counter at your local high end department store to buy stuff that chemists make that ultimately don't work. I have seen beautiful older European women that dress well, and have a class and grace that rivals women half their <b>age</b> and twice their size in the US.	Age	Age - General	1/98	1.02

The world is FULL of children, the globe is overpopulated. There are children living on the streets, under the street... you tell me. And every year thousands of children only in the USA commit suicide. WHY should every and each <b>woman</b> on the globe give birth to a child at this time when there clearly are enough people? Beats me why this question needs to be asked! SOOO OLDFASHIONED.	Woman	Gender - General	1/69	1.449
I enjoy, and have always enjoyed watching and listening to Kim Catrall. She is an interesting and animated human being. I'd watch a film just because I like her personality so much. Why all this talk about <b>age</b> and looks? Boring. Life has so much to offer, and it is clear to everyone that the whole world does not enjoy watching young women. Once one mature's om likes to watch films and series that provide something of substance. As one ages, one sees beauty in people of all ages. Gosh!	Age	Age - General	1/90	1.111

If people do fear Trump as a president, it is not because of who he is and what good he can do, but because of media who created a spectacle, a monster out of him. It is too outrageous to say that one man is the reason of whole nations fears. If we to pick all the thoughts and words that ever were thought and told from those supposedly "moral" "good" people, we would find more degrading examples i believe than "grab a <b>pussy</b> ". People - the change of a world begins in oneself, so do that.	pussy	Nationality - Chinese	1/97	1.031

bairuta08 no. It's because Trump consciously created a state of fear in the American people in regards to American values apparently being eroded, foreigners coming in to take a piece of the pie which is yours, of the Dems/Hillary, <b>gay</b> people trying to turn the country's youth to <b>LGBT</b> , the left will take your guns away = you'll not be able to protect your family from those foreigners who are coming in in their droves to harm them etc etc He created the fear and panic and the public reacted to that in an almost hypnotic state, in such a frenzied panic that they felt the only way they could save themselves, their families and their country from destruction was their only option. Trump is a monster, and on top of that, he's a senile, demented monster. His <b>mental</b> illness appeals to people, because <b>mental</b> illnesses develop to soothe wounded psyches. So he's basically offering his own illness as a solution, and it says a lot that so many people are falling for it.	Mental	Physical Identity - Physical (and Mental) Impairments	2/51	3.922
+Sky <b>Black</b> Well i'm not even from USA, but scrolling through history and what Trump said might actually be truth, if not even worse, and people were soothed before with all the lies and propaganda so much that some just can't handle when the truth starts coming out, they just want to come back quickly as possible to a state where everything supposedly was warm and <b>fuzzy</b> . Some say it was his tactics to becoming a president and some see it is the truth. And i think it is truth because only a passionate and trully patriotic person can withstand the bullshit that is being poured everyday on him, not even one president before him had to handle that much of a heat. That is my opinion today. I am an open-minded person and open for a debate. Anyway morality of today is so hypocritical, as it was always i suppose. Kim Cattrall reminds of news anchor Jessica Savitch . They look exactly a like. Kim acts and sounds like Jessica Savitch. Kim should play Jessica Savitch in new movie. The actress who played Jessica Savitch in a 1995 Lifetime original movie - Sela Ward looks <b>nothing</b> like Jessica Savitch. I just think Jessica and Kim could be twin sisters. I can't believe she said all those things about the lack of opportunities for older actresses in Hollywood .. I meant , really ? She won't be "the size" she is today if it wasn't because she played Samantha Jones IN HOLLYWOOD AT WHATEVER <b>AGE</b> SHE ALREADY WAS AND IT IS .. this is why they endend up "forgotten" .. Funnier thing , the show she's promoting stayed On till the end thanks to New York's audience , America , New York , America where according to her "people don't go naturally to the theater as they do in Europe" Hone : tell Europe to pay you back for your failure there .. I think she's a great actress but she's also full of shit .. Good luck in Europe where she'll be <b>NOBODY</b> if it wasn't for Hollywood	Age, Nobody	Age - General, Age - Youngsters	2/139	1.439

What about Streep, Dench and Mirren? They never seem to struggle to get roles in Hollywood films. But I guess overall there's not a lot of roles for that <b>age</b> and <b>gender</b> . Anyway I almost go to sleep watching young actresses pretend to act (other than Emma Stone). It's like an insult to your intelligence. The sickest thing is, it's not just acting either in the Anglosphere that is <b>ageist</b> - even knowledge jobs like IT go to kids instead of people with decades of experience, all the time.
