I don't care about her accent, it makes her sound incredibly stupid. I don't care about how 'tough' her life has been, there is no excuse to dress in a semi-revealing manner at the age of thirteen, no excuse to be doing drugs, smoking, and drinking at her age . Her older sister is not weak nor pathetic for asking Parker for help, and I don't doubt that she has contacted proper authorities.The 'friends' this girl has obviously are horrible people if they think drinking and doing drugs around the presence of a minor is allowed. JERRY SPRINGER IS QUACKING RN!!!!	Jerry	Nationality - German	1/6	16.667
firstly. wow she got problems I'm older than her and don't even check guys 2 years older than me.and secondly why is her sister the one raising her. this tends to happen a lot where younger teens refuse to follow the instructions of the younger one. I suggest this matter goes to parents and (God forbid) if they are not alive she needs some one on one chat like no cameras or stuff like that.finally this MEN got problems can't they see that she is wayyyy under age like 30 40 I would straighten them up and force them not to go out with her for no reasons and when they stop she might try to actually listen to someone.I'm so happy you tried something to put that girl straight not to be in disagreement with your method but you should be a little more strict throughout the entire conversation. but liked how you demanded that she see the therapist in the end	Age	Age - General	1/166	0.602

Troubled teens that's actually something I have a background with. As a teen, I got in numerous fights with friends, family, strangers, drugs, sex , robbed people, kicked out of the house, or locked out, was couch hopping, slept under bridges, parks, forest preserve. I even got locked up for assault and battery along with possession of a concealed weapon. You need to be young and dumb before you become old as wise, it's a sad but true statement. Now, I'm not saying this to brag by any means. When someone is troubled like that they have reasons for it, often times bottled up and do not want to talk about it cause it's a sign of weakness. That's why they often times use external substances to as a coping mechanism to deal with the aberrant environment they're experiencing because he/she doesn't know how to deal or react to it. Hense why it becomes a need and an addiction. If you guys wanna talk and learn more regarding this for your troubled teens series thing. Drop me a message.
