We were created on this earth for acquaintance and friendship,And maybe this friendship develops into marriage too.And to live in the middle of a society, you have to respect others,This is your duty.I am from Algeria 47 years look for a lady to be at my <b>age</b> or less,And for the sake of marriage and building a happy house filled with love and respect ..I am very serious .I am willing to travel and live with her if she agrees. There are so many pathetic losers posting on this! I'm a divorce attorney in Texas. I have known quite a few Ukrainian women who came over as agency brides, enticed by men who thought that they had bought a beautiful slave. Guess again, Bubba. These women are highly educated, very intelligent, and have a great degree of pride. If they, like any other women, are treated with respect and affection, they can be magnificent. But if they are mistreated or disrespected, they won't tolerate it forever. And in regards to the <b>dumb</b> ass men who marry just because it's the first time a <b>woman</b> who doesn't buy her clothes at Walmart or Cabelas has paid attention to them; Wake the F... up! If you thinking that you have "Purchased" a wife, then remember that you get what you pay for. However, Russian women, especially from Moscow or St. Petersburg, are a much different story. Put your hand on your wallet and run!!!	Dumb, Woman	Gender - General, Physical Identity - Physical (and Mental) Impairments	2/162	1.235

It takes a certain man to succeed. Most boys will fail. I will be honest...success means jack shit. Stability sure...lately I've seen a trend of men keeping their forgiven <b>chick</b> in their country. If your looks ain't at least a 7 out of 10 then your just a walking ATM machine while her juices are lusting for dickheads like me. But what if I was to tell you here's your chance. Ownership...yes...she's yours but truly accept that. Her friendships..there is no such thing..you are the pinnacle of the human <b>race</b> . You are the master of her life. She needs you...your decisions are yours and yours only. If you give an FSU girl a moment that she's better then you then guess what..then every other guy is stronger then you. This is a controversial topic but be a man she won't fuck with. If she thinks your tough as shit no matter how nerdy you are...then you'll succeed...what I'm saying is that if you have her respect...you have her love...even if you lose in a fight she'll still love ya...how..because you fight and don't back down...good luck boys	Chick, Race	Ethnicity - General, Gender - General	2/187	1.07

Why marry a UKranian <b>woman</b> ? Their language is useless. They have no sense of humor, no smiles, and always suspicious. Their culture is provincial, not international. Hello, western wunkers. Don't forget. Our women made by our men. We are geneticly different. And yes. Our education in school is the level of your super cool VIP private schools. The only problem is, we are occupied with western globalists, who keep our population in poorness. So to change it we had rev in 1917,1991, 2004, 2014. But still we are a battlefield. West tries to create from this Russian land Ukraine ( trans, border) the Antirusia.So, while our men fight for future, you are using our women, who would never looked at you in other conditions, like in Russian empire times( when we had servants from western Europe) or USSR, where level of education is so high, that put you on level of animals as you like to <b>fat</b> in public, and ware dirty and banded clothingSo, yea, enjoy by now	Fat	Physical Identity - Physical Features	1/145	0.69

My ukrainian wife married me because she was in love. But the fact is for every 1 good <b>woman</b> you meet you will meet a 1000 who are motivated by a visa and greed! Ukrainian dating is a comercialised form of prostitution motivated by poor financial living in a poor country. Dating foriegn men is an industry on a multi million dollar scale. Example: meet a girl with a translator. 15 dollars an hour. Translator gets 7.50 dollars hirl gets the other 7.50 dollars. Now ask yourself is it a date or a money making exercise?? Lived there 9 years now married 8 years. Goid luck guys 999 of you will fail out of a thousand. Scam city ukraine	Woman	Gender - General	1/119	0.84

This is gold diggers. I do not want to judge mistakenly and unfair, but if it is <b>black</b> then the Ukrainians say no. But if from the rich Western Europe, most of the Ukrainians say: YES! YES! hey-hey, get down from that "high" polish horse, will ya? Men I have a positive suggestion. 1. Spend 6 months learning some Russian then, in the European summer book a flight either to Odessa or Kherson.2. Take a taxi to any one of a number of holiday spots on the <b>Black</b> Sea (Zeleniy Port for example) There you will find a small apartment for \$10/night. Then have so much fun. By day swimming or just admiring the thousands of beautiful women in their bikinis. But the real action is at night. Perhaps 2 km of bars, restaurants and dance spots along the foreshore where the women dress like models and the dancefloors are full of them. Dance every night to the early hours of the morning. You will love it and it will cost you bugger all; but do learn some Russian.	Black	Ethnicity - Black	1/133	0.752

I am Dutch, dated once a Ukrainian <b>woman</b> and it was a very strange experience. She was very open, and love seemed to be everywhere, she even came to Holland to visit me for 2 weeks, had 2 great weeks, she said she enjoyed every day and she was never bored and I was a complete gentleman and 'perfect' to her opinion, but after she went home I got this 'cold email' saying, she did not wanted to go on with the relationship because there was no 'chemistry'. I was like? What? No Chemistry? So, all the hugging, kissing, intimacy and having such a good time together, me showing her Holland, she even just sleeping in my bed (naked by the way), and then saying there was no chemistry? I was like, 'what'? And it did hurt very much because I was actually really in love with this <b>woman</b> and it pained me a lot she stopped it so suddenly. I never figured out why exactly, because she never gave me a reason (except no chemistry, which I can hardly believe), why to stop. Nonetheless I still hope to find a nice Ukrainian <b>woman</b> because I still think these women are the best a Dutch man can get. So if you are a Ukrainian <b>woman</b> (between 27-42) still looking for a descent sincere Western man, just send me a personal message, we could always continue on WhatsApp. I still love Ukrainian women, they are so nice and polite. It has deep historical and political reasons. Ancient Ukraine (it was called Kievan Rus), in fact, created Russia, and influenced the development of many other European countries. (Queen of France Anna is Ukrainian, for example). Ukraine, in turn, was founded by local ancient tribes and Swedish Vikings. Until now, near my hometown in Ukraine, there is an ancient Swedish village, where people speak an ancient (!) Swedish dialect. Ukraine has always been more connected with Europe, it is the geographical center of Europe. Russia does not want to let go of Ukraine, the Kremlin wants to continue to control Ukraine, to use Ukrainian cultural achievements, Ukrainian resources. Russia occupied Ukraine in the 18th century and always stole everything from Ukraine. Tchaikovsky, for example, is not a Russian composer, he is an <b>ethnic</b> Ukrainian. The rocket engine, submarine, kerosene, etc., were presented to the world not by Russians, but by Ukrainians. Ukrainians do not want to be under pressure from Russia anymore. They're already saying EVERYBODY'S going to be a varying shade of brown in a few centuries. Not the end of the world, I married an Irish/Cherokee mix from high school. The pale Irish skin tone mixed with a healthy dose of Cherokee resulted in a year round skin tone that always looks good on the beaches of southern California:) plus, that means our son is part Cherokee, which is cool. I almost laughed at the last comment (blonde in the <b>black</b> dress and <b>red</b> leather/vinyl coat) - "What advice would you give to a foreigner who wants to marry a Ukrainian girl?" Answer: "Be nice." In actuality, Russian women and their neighbors (Ukrainian, Byelorussian, Moldovan, etc.) only THINK they want a "nice (foreign) guy". One of the major causes of divorces between women from the former Soviet Union and Westerners (Americans especially) is that the women think the men are TOO nice, which they perceive as "weakness". Their own men are pretty Neanderthalish in their treatment of women and their women, having grown up with that, expect it. When they don't get slapped around and treated like dirt, they feel cheated or worse and begin to despise the guy for being "less than a man" ("Eef chu vehr a reel man, chu vood beet me but chu are feared to hit me because chu are veek. I neet a man, not a leetle boy a-feared of hees voman. Eef chu vish mine luff an' reespeckt, chu vood poot me ohfer chore knee an' spenk me unteel I crite..."). Seriously - and the American guy, who thought that being kind and attentive and supportive was the key to her heart soon comes home to find his foreign bride bangin' some hairy, brutal wife-beater in a Hell's Angel jacket. I'm Ukrainian and I would recommend AGAINST marrying a Ukrainian <b>woman</b> . Don't fall into the trap, Ukrainian women are prostitutes who marry the richest man just so they could leave their country. Ukrainian women are obsessed with money and will expect you to pay for expensive beauty products and maybe even surgeries. If you drive a Mercedes-Benz, you won't have a problem getting a Ukrainian <b>woman</b> , it's just their deceptive personalities that you should worry about.	Woman	Gender - General	2/76	2.632

I don't think it's about them being "gold diggers", I think they are just more traditional, like <b>old</b> school women. The questions in their minds are: why should I do this? Will he be a provider? Or, am I just gonna marry a foreign <b>weirdo</b> ? Those are some valid question.	Old, Weirdo	Age - Over 65s, Physical Identity - Physical (and Mental) Impairments	2/50	4.0

I was living in Southern Russia, where 60 of population are Eastern Ukrainians. I am Armenian guy and can say that there were thousands of Ukrainian girls who wanted to marry Georgian or Armenian boys. Majority of them are not <b>racist</b> . They like the boys who care about them. But yes, 80 or more seek the wealthy man. They cheat on Russian men quite often, but I didn't see the ones who married with Caucasus boys to do this. The problem is there jargon. They can use very rude language. Besides it they start smoking at early <b>age</b> . For example, at the <b>age</b> of 7-8 years <b>old</b> they start smoking and drinking alcohole. Approximately at the <b>age</b> of 14-15 having there first <b>sexual</b> relationship. But of course all these facts mentioned by me related to 50-60 of them.	Age, Old, Racist, Sexual	Age - General, Age - Over 65s, Ethnicity - General, Gender - General	6/138	4.348

I am Ukrainian boy. The fact is that women in Ukraine are four percent more than men (For forty two million countries: More than one and a half million extra women.). Therefore, some have to marry foreigners.I am very glad that prostitutes and the vanity slut leave Ukraine. This is a garbage filtration, which is not required in our country.Only minus: This is creating the image of Ukraine as a whoregenerator. However, the presence of Ukrainian, American, French, Chinese, <b>Indian</b> prostitutes does not make all Ukrainian, Americans, French, Chinese and <b>Indian woman</b> prostitutes.Almost all of them are Russified (Kiev, Odessa, Kharkiv) and apolitical regions. A girl from the Nationalistic Western Ukraine (Lviv, Ivano-Frankivsk, Ternopil.) will go for a foreigner only if she wants an exotic or has no member in her vagina since 1963. We allow our worst girls to be with foreigners because they too many in our country. You have anything against? come on the street to any Ukrainian girl who has a boyfriend and you will find out why in Ukraine many not only beautiful women, but also boxers.
