I dont want ppl tip-toeing around me trying not to offend me. Just my opinion of course. I understand others find it offensive.	Junkie	Behavioural Addiction - Drugs	1/61	1.639

No try to read what people say. In that part of the world (as well as in my country) it is not offensive or disrespectful to call someone a junkie . You have the ignorant mindset of an American who can only think and see from their own perspective. Pure ignorance..	Junkie	Behavioural Addiction - Drugs	1/50	2.0

MGT MGT He don't even know what a brick is. This mf starts talking trap lingo without even knowing the weight of his shit. I mean just look how this dumb ass nigga calls it "a bag" or "50 bags = a brick." His dealer must be playing games with this fiend ass nigga . In NJ a brick of smack goes for 40k-60k. In New Mexico you easily find it for 30k. The dirtiest black tar is from Cali and goes for 25k but for that price you might as well buy your own poppy seeds and grow a field around Nevada dessert. What's "trap lingo"? I think he's right about the actual amounts. There's no call for the "N" word talk. What does "dirtiest" referring to black tar mean?	Black	Ethnicity - Black	1/27	3.704
monongahelian The "N" word is just the way I talk everyday. I call my lil brother a lil nigga . Matter fact I'm a nigga . And no, he isn't right about the quantities. How do you measure "a bag." That's not how drugs work, buddy. You pay by gram, ounce, quarter pound, pound, kilos (kg), etc. It's real measurements just like you would measure any other chemical substance. Trap lingo means drug talk. And black tar heroin is a form of thick heroin from Mexico. It has a thick consistency like butter because of the method of extraction. And by dirtiest I meant that it's very impure and contains a lot of unnecessary alkaloids from the poppy plant. You're either a child or an old ass person because you reaaalllly lack the knowledge of drug words.	Black, Nigga, Old	Age - Over 65s, Ethnicity - Black	4/135	2.963

Stupid. The only thing wrong with heroin is that it's illegal. Healthwise it's less harmful than alcohol . When it's sold on the streets there's no quality control raising the likelihood of overdose. The governmnet should sell it for cheap to do away with the criminal element.	alcohol	Behavioural Addiction - Alcohol	1/46	2.174

Kabaah was a hindu temple.Read:-Moon-o-theism, Volume II of II”, Page no.149, of Yoel Natan.”Cities of India”, of Sir George ForrestGodfrey Higgins wrote at Page. No.645 ” black stone was in the kaaba, at mecca, long before the time muhammad” and he ”not only preserved it, but he caused it to be built into the corner of the sacred kaaba”. Book is ”Anacalypsis”.Abraham never existed, like Volney, Bart D. Ehrman, and 100s told, ”abraham” derived from ”brahma”, ”christ” from ”krishna”.	Black	Ethnicity - Black	1/83	1.205
Well, you certainly sound sure of yourself. The word Ayam in Arabic means not only days, but also periods or stages. We can’t confirm which stages it refers to (yet). It’s a very rich language. The word Allah is simply the Arabic word for God. It’s what’s used by Arabic Christians too for example. The Kaba’s foundations were raised by Abraham - but it had been originally built by Adam. Before all the pyramids and whatnot. But there’s none so blind as those who don’t want to look. Farewell.	Blind	Physical Identity - Physical (and Mental) Impairments	1/89	1.124
You are so brainwashed its funny. Quran says God created the Universe in 6 Days (Which is Scientifically inacurrate), Most of the well known people of the time like Buddha, Zoroaster, Confucius, Krishna never talked about Islam or Allah. (Quran fails when it says Prophets were sent to every Nation with the message, This is completely false).Again, Archaeological evidence shows Pagans built the First places of worship (Pyramids, Stonehenge, Temples), Islam is just 1400 years old . Before the U.S. invasion the Taliban were in charge of Afghanistan and they had a zero tolerance policy regarding drugs, hence very little opium production. After the US invasion (the war) the Americans defeated the Taliban and then... not only allowed opium production to continue but also assisted by protecting the growers with the cultivation! Yes we've all made mistakes and fall short of the Glory of God. But it is by our Faith that we are saved.. So why be afraid? Maybe cuz we know God cannot allow sin to go unpunished for his perfectness cannot allow it. So we are commanded to repent, believe Jesus was sent to die for our sins. n He conquered death.
