I think its sad that people keep saying he is not her dad. Like there is only one gene pool. I take after my great grandmother, red hair, taller and light skin. Her and her BROTHER are the same height Kris is also tall. It's just sad to see adults still bullies.	Red	Ideological and Political Identity - General, Ethnicity - Native-American	2/52	3.846

She wasn't even fat , but I completely understand the feeling of being the chubbier sister and is horrendous. I think the mayor change was her confidence and accepting who she is and how she looks. She wanted so bad to look like her sister (I can relate) but she shines in her own spotlight now.I'm so happy for her and I wish her all success in life. To be honest I don't think she isn't exercising but the fact that her face is so chubby tells me she got fat relocation again and again and again, and then she started exercising. But no she didn't lose weight all naturally, otherwise her face wouldn't be so chubby . She definitely got injections for under chin and neck fat removal , fillers obviously even on her jaw. Good job indeed but don't tell me for a sec this is just gym and kitchen tactics. It's not. I train since I was 11 and this body isn't all natural. They all manage to have similar body types without having identical structures few years ago-even their friends - cause they do similar surgeries. We are not blind . Khloe is different from two of them. I knew Kris did having affair with Alex Roldan. You can tell two of them are looks like alot than Robert Kardashian but he raised her like his own but Robert knew not HIS, Khloe is innocent not her fault, Kris is the one, but I don't think OJ is not the father. Alex is the one, why her middle name Alexandra??? Explain that. Kris know Khloe isn't his, she stay quiet because she's too white, taller, dirty blonde and her nose got big, when she got older, took nose surgery, I felt bad Khloe doesn't want to know DNA, she ripped off document, Kris seem relieve not want her to know, keep last name, Khloe prefer Kardashian but that's BS, Khloe Alexandra Roldan period! If she wasn't cheat, would have Robert Jr then meet Bruce Jenner, Kris would have five not six. I guarantee, Khloe is not HIS, she's NOT Kardashian. I bet two ssters knew but ignore...but Robert Sr wrote his own secret journal book, his 2nd wife has it. He told his 2nd wife the truth before he died. I'm not surprised that Khloe Kardashian ended up getting plastic surgery like most of her family. The only two that look normal and not like freaks are Courtney and Kendall. The interesting thing to me is that Courtney is the oldest sibling and she looks the best out of all of them. She's had more kids than any of them naturally did either. So that just shows that plastic surgery isn't always the best decision. Imagine what Kim is going to look like when she's 50 years old . She better get that stuff taken out of her ass because it's just going to continue to look worse.	Old	Age - Over 65s	1/107	0.935

I don't know why the Kardashians don't just give up the charade. Obviously Khloe is not a Kardashian. If you look at the pictures with her sister she looks like a freaking Giant. Everything about her is different. Her hair color, her eye color, her body and even her skin color. She's clearly not Armenian. You can see that her sisters look like the Father Robert Kardashian. Khloe looks nothing like him. I think it's funny that they try to make us believe that she's related. Really, they don't have to tell us anything they don't want to but since they put their lives out there in almost every way including trying to say that Chloe is Robert's child then they should understand why people are going to question that. Kris Kardashian had affairs in the past when she was married to Robert Kardashian so why is it such a far stretch that she might have gotten Knocked Up by somebody else? I'm actually surprised that she doesn't look more African-American. They all seem to like to date them. Even the mom has followed suit.	Nothing	Age - Youngsters	1/185	0.541

I think people should stop watching those shows and reruns. Then surely quit buying the too high processing they offer. Sure lady you use their makeup and wear their clothes and you will look like a sister. People quit making them bigger millionaires!! Keep you money and make yourself feel nice or get rich keeping all that money you spend. Sorry but I honestly think their bodies look like freaks. God that ass was not meant to be on a woman . Somebody pulling the wool over their eyes telling them that it is the ultimate body part. Too too too took toooooo much body in one area. And I read that someone was asking anyone a question about the whole family dating African Americans except Kourtney. I don't look down on them for that and I'm not racist but it just seems like everyone was afraid to bring it out in the open for some reason. Clearly she got a BBL (Brazilian Butt Lift) and she took a photograph of her sister, Kim, to a plastic surgeon and said, "I wanna look like her." I'm joking around but I ain't mad at her. All these comments about how Khloe is so different from the rest so she can't be a kardashian... why aren't anyone noticing that Kim is the one that doesn't look like her siblings? Khloe may have lighter skin and hair, but her facial features are quite similar to Rob's and they are not that different from Kourtney's either. Kim however looks nothing like kourtney, khloe or rob in my opinion. Maybe she's the one who's not a kardashian? But no one seems to think that for some weird reason. Lol.It is also important to remember that siblings can look very different. I know plenty of siblings who share both parents and they look nothing alike. I also know plenty oh half siblings which infact do look extremely similar, so being different doesn't mean they are not related. It really annoys me when people say oj is her dad he isn't and neither is Robert kardashian. Chris Jenner admitted that she slept with her stylist and hairdresser around the same time he is tall has kloes nose and green eyes 100 more likely then oj being her dad. Young ladies, please know that you are beautiful! These people have had many,many,many surgeries that transformed their bodies. She lost a ton of weight in her face and her face was slimmed out. She definitely did not have a nose job like Kim and Kylie. She's 100 biracial she is a clone of one of my friends kids whose mother is white and father is black look at that nose when she was little shes had so much surgery on it now you can tell. Bottom line is that in those pictures AKA Khloe is not an Armenian mix with Caucasian child at all there's I grew up in East Hollywood all of my neighbors are Armenian I speak Armenian I know everything Armenian It was around me my whole life on holidays I go to an Armenian families house they're like my family I've known them my whole life the first job I ever had was at their deli They say the same thing about Khloe and so do other Armenian people It's it's just clear and very obvious that she is black and white. How many people have certain distinctive features that she doesn't at all and she doesn't look like Kris either so you can't say well she looks like Kris Because even that's obvious she looks nothing like Kris because Kim Is the one who looks like Kris and Khloe neither Like her mom or her suppose it dad Robert Kardashian looks nothing like her However Kourtney does resemble Kim And that's due to their Armenian features. She's the same height as Kris her mother. As well, she has the lightest complexion of any of her sisters, including her two younger sisters the Jenner girls. Just by looking at the many, many, many, many (I think you get my point) photos taken of Kholé through the years it's pretty obvious that Kholé is even lighter skinned than the two known children Oj and Nicole (RIP) had together during their tumultuous marriage. If Oj is to have fathered Kholé then she'd have the very dark hair like her sisters and a darker skin tone but she does not. Kholé is a beautiful woman and now a new mother to her precious baby girl True Thompson, congratulations! It's a time of celebration for her, and for all new mothers, and for the joy that a child brings into a family or to create a family. Perhaps with this baby excitement, joy and happiness it's time to shut down gossip, rumors and mindless speculation and innuendo regarding paternity of anybody, and not the least of which Kholé 's...their is nothing sinister nor salacious about it...it's simply none of our business! Shout Out estrella martinez Jesus is the way. proverbs - The preparations of the heart in man, and the answer of the tongue, is from the Lord.for a gift doth blind the eyes of the wise, and pervert the words of the righteous.2 All the ways of a man are clean in his own eyes; but the Lord weigheth the spirits.3 Commit thy works unto the Lord, and thy thoughts shall be established.4 The Lord hath made all things for himself: yea, even the wicked for the day of evil.5 Every one that is proud in heart is an abomination to the Lord: though hand join in hand, he shall not be unpunished.6 By mercy and truth iniquity is purged: and by the fear of the Lord men depart from evil.7 When a man's ways please the Lord, he maketh even his enemies to be at peace with him.8 Better is a little with righteousness than great revenues without right.9 A man's heart deviseth his way: but the Lord directeth his steps.10 A divine sentence is in the lips of the king: his mouth transgresseth not in judgment.11 A just weight and balance are the Lord's: all the weights of the bag are his work.12 It is an abomination to kings to commit wickedness: for the throne is established by righteousness.14 The wrath of a king is as messengers of death: but a wise man will pacify it.16 How much better is it to get wisdom than gold! and to get understanding rather to be chosen than silver!17 The highway of the upright is to depart from evil: he that keepeth his way preserveth his soul.18 Pride goeth before destruction, and an haughty spirit before a fall.19 Better it is to be of an humble spirit with the lowly, than to divide the spoil with the proud.20 He that handleth a matter wisely shall find good: and whoso trusteth in the Lord, happy is he.21 The wise in heart shall be called prudent: and the sweetness of the lips increaseth learning.22 Understanding is a wellspring of life unto him that hath it: but the instruction of fools is folly.24 Pleasant words are as an honeycomb, sweet to the soul, and health to the bones.25 There is a way that seemeth right unto a man, but the end thereof are the ways of death.27 An ungodly man diggeth up evil: and in his lips there is as a burning fire.28 A froward man soweth strife: and a whisperer separateth chief friends.29 A violent man enticeth his neighbour, and leadeth him into the way that is not good.30 He shutteth his eyes to devise froward things: moving his lips he bringeth evil to pass.32 He that is slow to anger is better than the mighty; and he that ruleth his spirit than he that taketh a city. My point is not that Jordan is a " SHRIMP" In your own words. I was not speaking of Jordan or yourself . My opinion In this is the perception I see that her family the woman are all shorter than she is what are the chances? Her skin color, hair color, and eye color are different. Yes I find it strange. A stranger thing is that she is taller than her brother. And you, you answered...reminds me of the sayin, if the shoe fits then wear it. LOL YOU SILLY!! I do believe that I directed my question at KLOHE not you? And yes it is extremely difficult to understand, the fact that, these men, the basketball players are exaggeratedly tall. They almost appear unreal. So to see a woman kiss this athlete with such ease... My point is I DON'T believe all that I hear!!! If you are 6 feet tall, well so you say. And as far as how tall KLOHE is. So you say. IT'S NOT A FACT. how do you know? Are you her best friend? She must of done a lot for you.</p>	Woman	Gender - General	3/226	1.327
<p>Shaming tall woman huh lol. Listen, I do not hold the power in my hand to shame others. If I speak of an issue, there is a reason behind it. Again my comment was not directed at you. This brings me to my next point. Society at best has to depend on others to exist. Eat food to feel energy, water to stay hydrated, sleep to not be tired, watch television shows to not be bored, work to have money, gasoline to fill thank for transportation etc. The list goes on. Now you are saying other must say certain words to make you feel good? That is ridiculously shameful...lol Where does the freedom of speech go? The sence of expression . You see I am not responsible for your self esteem! That sounds twisted to me. You see I know who I am what I stand for, what I like, what I DON'T so all other opinions about me Will slide off. Others DON'T influence my core believes and furthermoreDepending on others to make me happy! If what they say about me makes me sad or mad that sounds like it would be a personal issue. If that happened I would have to see a shrink. The whole Klohe Kardashian thing is this. They are public figures. They base their existence on others. There for my point is valid. Bottom line you or other should not depend on me to feel better or worse. That is my humble opinion it might not be humble yet it is mine. BTW That word you chose to use "Shaming" It sounds like you got that from the media, tv, internet media, magazines. I will no longer respond to your comments.</p>	Woman	Gender - General	1/288	0.347

Why, then do you bring it upon yourself to answer... Be familiar with the famous saying "IF THE SHOE FITS THEN WEAR IT" (laughing quietly to myself)...
