all i can say is theres a lot of <b>racist</b> people here in america. i know this because i live in america	Racist	Ethnicity - General	1/22	4.545

<p>This is horrible; I hope they are okay. And a human’s actions are not representative non-biological <b>race</b>. Though <b>racism</b> is related to the cycle of violence. This is a catastrophe that has been going on for hundreds (thousands?) of years. United States of America and many places have a serious catastrophe of racial abuse to benefit certain people; since hundreds of years ago-to benefit rich, 'white' people economically and socially and do that by oppressing other people; since then the rich people have bought media outlets, and do a lot of propaganda, only fund certain studies in medicine, give money to produce certain tv shows and movies etc. to advance their agenda by spreading false and stereotypical narratives to try to convince the majority (middle class and poorer people of all skin tones) to devalue other people; some people have become convinced of this and that’s called internalized <b>racism</b>; some people who have internalized this propaganda do direct name calling; in some places people pretend to not see skin color but also don’t believe any reparations need to be made to undo the oppression, though there’s been affirmative action for white people for hundreds of years. Look up talks by Cornel West, Robin DiAngelo, Malcom X, DeRay McKesson. Look online at <b>Jim Crow</b> Museum of <b>Racist</b> Memorabilia, and many others. It’s amazing people who were oppressed fought for their rights as much as they could and passed the work to the next generation before they died. To counter these types of abuse and propaganda there have been and continue to be social anti-<b>racism</b>, anti-transphobia, anti-patriarchy, workers rights etc. movements. Be part of movements and talk to people and organize to do the work, and get comfortable being uncomfortable to fight for equal rights for everyone.</p>	Crow, Jim Crow, Race, Racism, Racist	Ethnicity - Black, Ethnicity - General	5/295	1.695

To people sayin Indians are <b>racist</b> toward <b>black</b> , it's because there are a lot of , and i mean A LOT of Nigerian students here and most of them are involved in drug dealing, kidnapping women and all kinds of criminal activities. And yes, we are obsessed with White color.	Black, Racist	Ethnicity - Black, Ethnicity - General	2/50	4.0
There is no such thing s "black" in Africa. People in Africa are just darker than average because of climate and human DNA. American blacks are NOT from Nigeria. Nigeria hasn't even been a country for that long. So yes many Indians here ARE <b>racist</b> against American blacks and if it is because of Nigerians that is even worse because all people who are described are not the same and do not look alike and are not even related.	Black, Racist	Ethnicity - Black, Ethnicity - General	2/79	2.532

sad to see that lot of people hate <b>Indian</b> community when we serve them like a god in our own country. the handful of sinners are now deciding how <b>Indian</b> image should look like. the question is where are your all good words when you see a successful <b>Indian</b> doing enormous charity in a foreign country? For the knowledge, <b>indian</b> accent is widely <b>common</b> in between 4 countries so please stop judging on that basis. its good to experience issues in person rather making up your mind after listening false media. and just to give you bit of heads up... my uncle is a well reputed <b>indian</b> american scientist and my aunty is well known doctor serving for 20 years in your UNITED STATES. so think big ... be mature and learn to treat people like the way you wanted to be treated. Lion Heart I'm <b>Indian</b> but brought up in the UK when I was 4, I was always taught to respect every bodies colours and taught with manners. I have <b>black</b> friends, white friends and we respect each other equally. I would hate for anyone to be <b>racist</b> to each but to just love everyone not thinking about the colour of their skin. So please don't think ALL Indians are like this coz there are people like me who do like <b>black</b> people and are best friend with a few of them. Snow 123 But isn't it the light skinned Indians who want to be fairer, bleach themselves to become whiter and also degrade South and North East Indians because of their looks are colours. To prove you it, type in on YouTube North Indians vs South Indians, you will get your answer.	Racist	Ethnicity - General	2/75	2.667

I spoken with down to earth Indians who work for Indians in the USA and they are treat them like shit .Futher more blackmen are beaten or killed over in India if caught dating an <b>indian</b> girl and this is Fact .. Indians are also <b>racist</b> and pathological liars. Go to India if you want to know how they treat <b>African</b> students. It is just simple. An eye for an eye and a tooth for a tooth. No pity at all.	African, Racist	Ethnicity - Black, Ethnicity - General	2/39	5.128
If at all u know the other side of the story..no Indians go to other country n rob at gun point..they go to make a living..n find work..where as <b>African</b> student who come to India for studying do not leave the country even after ther visa expires..n r involved in drug dealings n put a lot of fight with locals..!! ColleaM4 Mhm you keep telling that to yourself although I bet you haven't even met one <b>Indian</b> person in your life.	Indian	Ethnicity - Native-American	1/21	4.762

Indians are smart and capable people. The problem with Indians is that they are liars, cheaters, backstabbers, cut-throats, cheapskates, manipulators and are all about themselves. They don't think twice about sabotaging other people when it comes to what they want. You can't trust them at work or in general no matter how long you've known them. So many times have I gone to an <b>Indian</b> business to purchase something with cash and they always claim to not have change. They're always haggling for everything down to the penny. At this point I totally avoid them. Don't even get me started on the hygiene. I don't believe in violence or hate crimes against Indians because that's flat out wrong. However I do think it's time we start revoking a lot of their work visas. People are getting sick of dealing with them. We don't need any more people coming here from India bringing their third-world snakelike mentality.	Indian	Ethnicity - Native-American	1/156	0.641
Im <b>indian</b> and i face this same issues with my over showoff doing classmates in daily college life, i also dont like my <b>nation</b> , your gov must banned our peoples to come there, this is the only solution, otherwise we will make your beautiful <b>nation</b> like us like india.
