This isn't a 1 way street... old people are rude as fuck	Old	Age - Over 65s	1/12	8.333
As well are old people. Not a 1 way street	Old	Age - Over 65s	1/10	10.0
You think kids are rude? They don't have the knowledge to be better but at least they are understanding not like old people who are waaay more racist , homophobic and discriminating	Homophobic, Old, Racist	Age - Over 65s, Ethnicity - General, Sexual Identity - General	3/31	9.677
I am not an ageist , but if they got alzheimers they deserve to be executed by fire squad.	Ageist	Age - General	1/18	5.556
That's like me saying you're old so you have a walking stick and are forgetful	Old	Age - Over 65s	1/15	6.667
Um you realize that the over 65 crowd doesn't include gen x, millennials, or gen z? All of us are responsible for perpetuating ageism and you pointing fingers isn't doing anything towards reducing stigma for the elderly .	Ageism, Elderly	Age - General, Age - Over 65s	2/37	5.405
Why are old people stereotyping teens. It's bullshit	Old	Age - Over 65s	1/8	12.5
This video is so damn true. Society doesn't give a SHIT about you the older you get. They only care about the people under 18, a socially constructed age line to determine adulthood. FUCK everybody who believes that dumbass children deserve special privilege and treatment.	Age	Age - General	1/45	2.222

this is ridiculous. old people are in the way. they deserve to live just like me, but they don't have a right to clog up the work force by refusing to retire at the age of 70. they don't deserve to be able to tell me i'm lazy and that's why i can't afford a car/house when 5 dollars back in 1958 was worth 40 dollars today. you can look that up too, this isn't a hyperbole i looked this up myself and it stuck with me. they ruined our economy for us. and the "age is experience" thing was true back when technology didn't advance by the day. back when people were using the same technology to get a job done every day for 40 years. now technology is constantly becoming obsolete and what you knew yesterday isn't valuable today.	Age, Old	Age - General, Age - Over 65s	3/141	2.128
this is a joke right because young people go through it too so thumbs down you ageist shit	Ageist	Age - General	1/18	5.556
Affects just old people ?? NO I am afraid it affects even younger people, for example in my case young people who are 5 or more years younger than me avoid having anything to do with me.	Old	Age - Over 65s	1/37	2.703
