The problem is this.....Who made whites the last say on anything? They did. Why and how? They colonized and took control, to have absolute say so. But, why can't we build and be self sufficient? Why do we feel the need to be with and together with whites? They have in their control what we need to survive. The world comes thru them because they control it all. Blacks knowing this makes some of us put up with their raw hate just to manage. This can turn some of us into uncle toms. And defenders of whites that's sicking to the stomach, when witnessed by resist strong minded black men. Uncle Toms can't see themselves bucking up. lol...Because he can't see himself not having the status and finances he desires. To exist outside of the white power structure would be dismal at most to the uncle tom. Blacks just don't carry that type of connection or respect worldwide. And uncle toms know this! lol	Black	Ethnicity - Black	1/164	0.61

WARNING! IF YOU ARE GETTING NO RESULTS FROM PROSPECTING FOR BUSINESS OR JOB HUNTING, DO NOT RELY 100 ON THE INTERNET FOR THIS!!! HERE'S WHY! Today, blacks are under attack by satanist. Fallen angels, also known as the Nephilim are what's behind many of the ills in the black community. They operate through their Illuminati puppets. They are masters of mind control and are behind many of the police shootings of unarmed black men. They are also hijacking our technology, such as cell phones and computers, email, and social media and blocking our business and job opportunities. Since many of us rely on the internet nowadays for our survival, they are undermining these efforts by hacking into our technology and giving us a mirrored site while concealing the actual site, or email account and blocking important messages. This has led to a massive unemployment problem in our community and many foreclosures and evictions in our community. This is not a joke. It is happening to me and many others. Some don't know what's going on, others are afraid to say anything. PLEASE HEED THIS WARNING AND SPREAD THE WORD!!	Black	Ethnicity - Black	2/189	1.058

Whites would lie on a black person and say he or she committed a crime when the whole entire time it was a white he or she that committed the crime but check this out they'd kill the blacks knowing it was a white mutha fucka the whole entire time. They're not right at all. They lie on blacks. Using us as slaves but having sex with black slaves. Getting them pregnant or the white ass women had sex with a male slave because she knew he had no other choice because if he didn't she'd say he raped her so he'd do her ass and she'd still say he raped her and then he's killed by her white husband. Whites are messy do not trust them. They'll have blacks killed for no reason. And make sure you don't allow your kids around theirs. They've already taught them to lie so their kids will have a black child or black children killed for no reason at all. They're all the KKK. qadri rulzdood The blacks were treated unfair. I completely agree about that. But,if blacks and whites both received equal treatment,why would segregation be such a bad thing? The white culture and black culture differ in many ways. Why aren't BOTH blacks and whites allowed to preserve their culture,history,heritage and identity? Don Scott It was never "separate but equal". Jim Crow was ONE of the worst things ever! Honestly, this stuff is still happening to this day. Malcolm X actually lived a segregated life, which was forced upon blacks by white society. Therefore he was within his right to want to separate from such horrible, evil people who practised lynchings and other barbaric forms of racism the same way European Jews wanted to separate from Nazis.	Racism	Ethnicity - General	1/49	2.041

Don Scott people like Malcolm X learned to hate white people because of the way racist white people treated Africans when they brought them here as slaves to work and build up the country, because they were too damn lazy to do all the hard manual labor themselves. Jim Crow laws and constant lynchings of black people with zero consequences probably had a little bit to do with that as well. Whenever black people did try to build their own cities and began to prosper, racist white people would come and burn everything down (look up the history of the Tulsa Race Massacre) . All hate is bad, but Malcolm X's hate stems from the hate and unprovoked cruelty he received from racist white people. Racist white people on the other hand, were just inherently cruel and evil towards African-Americans simply, because their skin was black . That's the difference. The term 'white people' was created for economic reasons, which was mostly to make sure more European rich people and "free white men (propaganda)" could become land owners, marginalizing black ownership of land. The propaganda evolved-evolved still before the 20th century, not referring to modern day-from being justified forcefully through law to having the people (white) agree through manipulation.
