If you don't support the best candidate for everyone and only pick your candidate by sex , your sexist.	Sex	Gender - General	1/18	5.556
yes it's sexist to not vote for somebody because of their gender . but isn't it also sexist to only vote for somebody because of their gender ? these people are so dead set on having a woman become president, that they will throw policy under the rug, and vote for someone just because they are a woman . that's sexist. period.	Gender, Woman	Gender - General	4/59	6.78
But...wait, is this sexism thing for binary gender , or what? Seriously sexism literally makes no sense at all. Let's all be equal! But then let's actually not all be equal and use bodily differences to smear other people, as if that even means something. Jesus French toast ChristBut we advocate for equality... okay lol centrists are hilarious. Well, fake leftists on MSM I mean.	Gender, Sexism	Gender - General	3/65	4.615
Msnbc: you're sexist if you don't vote for a woman . Everyone with a functioning brain: eh hh you're actually being sexist right now.	Woman	Gender - General	1/22	4.545
That woman talking head hack is a disgrace, and the dude that agreed with her, a major disgrace! Embarrassing, indeed. Tragic Ignorant Elitist Humans...or TIEH	Woman	Gender - General	1/26	3.846

I'm a woman and I support Bernie Sanders. I was very supportive of Warren until I realized she was meeting with corporations and waffled on Medicare for all.	Woman	Gender - General	1/28	3.571

how do they not understand that the far righters hate this shit too?!?!they will literally vote for him just because he is running against a woman .yes, a ton of them are sexist dicks who didn't want a woman in the wh, but this claiming you're sexist if you don't vote for bernie is the exact identity politics that right wingers hate.i'm an anarcho socialist, and i fucking hate it too! Kyle is a little snowflake bitch that needs to run to his safe space because he's triggered by the microaggression of Elizabeth Warren being a better candidate and policy wonk and having a better record than Bernie on EVERY SINGLE ISSUE. A. MSNBC has no problem with actual sexists, like Biden (Anita Hill anyone? Is anyone going to bring that up, because Anita Hill has obviously been given the marching orders by the DNC) and his long arms around women and pubescent girls?B. Two can play that game, MSNBC and its hacks are anti-Semites. C. Anything about Warren's claims and then her DNA test (successfully trolled by the orange turd) and how offensive that is to minorities? Nothing on that? Quelle surprise!	Nothing	Age - Youngsters	1/82	1.22
If they're going to have this woman on, shouldn't she disclosed that her daddy, Dave over 20 million dollars in 2016 to a pro Hillary Super PAC? I just find a little intellectually dishonest, to have her come on and her pretend like she doesn't have a dog in the fight	Woman	Gender - General	1/51	1.961
That's like when the turds at faux news like to say "some people are saying" when actually nobody is saying that	Nobody	Age - Youngsters	1/21	4.762
In reality, a large chunk of support for Warren is driven by sexism .	Sexism	Gender - General	1/13	7.692
This worked so well in the last election that the Democrats lost. This just makes me want to say "I won't vote democrat in the next election if it isn't Bernie". I don't fucking care if privileged western women who have far easier lives than I do claim it's sexism , they can chortle my balls. A member of the elite with a vagina is still a member of the elite and the system still works for them far more than it does for me or 98 percent of people with penises. So rich feminists can suck it.	Sexism	Gender - General	1/97	1.031

So, Bernie is really the only Democrat that has a good chance of beating Trump. Warren is too waffly and Biden is too corrupt, but the DNC doesn't want that much change to the status quo. So it'll be another rigging and when Bernie doesn't get the Nomination again. He'll be too old to do this again. They're just waiting him out. The only saving grace the Dems have is that the rust belt is faltering for Trump. If he figures this out and campaigns hard or comes up with an actual plan they'll buy. The Dems have no chance of getting Trump out.	Old	Age - Over 65s	1/104	0.962
Emily Tisch Sussman is peddling Misandry to protect her inheritance from the candidate who will most likely move to raise her taxes the most. Using "feminism" to protect her economic status as much as possible. She needs to look in the mirror and wonder how her heart turned into a cynical cold lump of lead. I will never vote for another corporatist democrat, ever. They turn my stomach harder than conservatives and republicans. I hate them too, but not as much as the democratic establishment. There is literally no point to that organization's existence. They bring nothing new to the table and their fall back positions on every issue are nothing but weak, bereft of thought, reason or logic. Partisan politics has become like watching two spoiled kids fighting for their corporate daddy's attention. We have to get Bernie elected in the first round. Long Live the Hand That Wields Oathkeeper!!! Elizabeth Warren is a Corporatist Liar!!! Corporate Socialism Sucks!!! We are all children of the subjugated!!! If it's sexist voting for Bernie over Warren because he's a man, isn't voting for Warren over Bernie because she's a woman also sexist?	Woman	Gender - General	1/24	4.167

Now let me play the Reverse card if your voting for a Democrat just because she is a Women your being Sexist clear and simple gender should not be your sole base on why you should vote for a candidate that goes for race and religion as well	Gender, Race	Ethnicity - General, Gender - General	2/49	4.082
I support Bernie, Tulsi, amd Yang.an Asian male, a Hawaiian female, and a jew.do I get brownie points for that kind of diversity?no, because it's their policies I like.I dont care what race or gender they are. People who fixate on that will always be losers.	Brownie, Gender, Race	Ethnicity - Asian (South-India, Pakistan, Bangladesh), Ethnicity - General, Gender - General, Nationality - Hispanic	4/50	8.0
this is why the democratic party is divided.the woke crowd is pointing fingers at the policy crowd, and. nothing gets done, while Trump and the Republicans keep laughing their way into power.	Nothing	Age - Youngsters	1/33	3.03
But ... but ... but they said it 2016, if you vote Bernie you're sexist. They wouldn't say that again if it wasn't true.It's as if they learned not a shred of a single thing in 2016. Sure, go ahead, call everybody names for not being on your team.And I'm willing to bet, if Biden was the runner up, no sexist claims.Yet another question - isn't "I vote for Warren because she's a woman " sexist as well	Woman	Gender - General	1/80	1.25
Ironic and hypocritical. Treating Warren and Sanders differently because of her gender is the opposite of how we should evaluate candidates.Why do the rules corporate America has for non-discrimination suddenly don't apply for the Commander in Chief?	Gender	Gender - General	1/38	2.632
Oh ok. By that woman's logic all of Elizabeth Warren's supporters are racist elitist misandrists. Since her base of support seems to mainly be coming from rich white women. So from now on I'm just going to assume all Warren supporters are racist suburban white women	Racist	Ethnicity - General	2/46	4.348

So, I'm a middle aged white female. In 2016 I was sexist for not voting for Hillary Clinton, even though I'm probably one of the strongest feminists in my group. I ultimately voted for Jill Stein. So if I'm sexist, I guess that means that Jill is actually a man? Now, I'm still sexist because Bernie is my number 1 choice....even though Tulsi is my number 2. I guess that means that Tulsi is also a man? Oh, and I'm apparently also a cultist (As Emma Vigeland stated) because I support Tulsi. Oh, and I guess I'm also racist because I don't like Kamala or Corey's policies. So apparently I am a sexist, racist , cultist according to all the establishment democrats (You're just an Establishment Shill now, Emma!) And then they wonder why I refuse to vote for their candidates and am once again Bernie or Bust	Racist	Ethnicity - General	2/147	1.361

I would also like to just proclaim out of MY ass that this bitch is incredibly ANTI SEMITIC for not outright supporting Bernie instead of all the other democratic candidates. I mean she had a chance to support the first Jewish nominee, and let's face it, his 'policies are just way more detailed' and are plain and simply better than Elizabeth's. I mean it's not like this is a democratic society or anything where we get to pick people based on what policies appeal to us more... no no, we need to pick our politicians based on fucking arbitrary things that the candidates cannot change like their fucking gender and/or their religion or some bullshit like that... what'a fucking JOKE MSNBC. One look at Tisch-Sussman's background will tell you immediately how biased and full of sh** she is. Furthermore, the sexist card is just rubbish. *No candidate*, Warren included, has fought harder and more comprehensively for women's rights over the past 40 years than has Bernie. No-one else even comes close. And lastly, in no way are her policy positions more defined or developed than Bernie's, so that is just another outright fabrication. Warren's motto has become "I have a plan for that!" OK. Where are they? And of course, they aren't there, or are merely half-baked, imprecise waffling.Kulinski is right. They should be forced to apologize. MSNBC has outdone Fox at it's own game. It is nothing but weak, shallow, disingenuous corporate bullshit.	Nothing	Age - Youngsters	1/124	0.806

If mainstream media really cared about policy details, they would have stood behind Bernie in 2016 instead of shitting on him...and he would likely be our President. This makes me sick to use sexism as a ploy to get people to vote for someone who is unworthy to be a progressive. On the outside she may appear to be progressive but on the inside she's another corporate politician who only cares for herself and not the people she supposed toRepresent. She puts on a good shell but you have to look at the little things that she does that shows her corporate support. I have seen some hardships that I don't wish on anyone. I literally look for the flaws on all candidates. Why? I trust no one. I just don't give a shit; however, only Bernie's agenda addresses the problems that affect everyday Americans to the greatest proportions. Logic dictates that I support him for it. That is why I consistently donate to him. Warren's agenda is a cheap imitation of Bernie's. Her plan to to leave the door open to limits on the help provided to people. It also allows corporations to maintain an oppressive grip on the most vulnerable. And as seen on this post, they love to guilt people into supporting her because she is a woman . I wish they would explain Warrens, poor political instincts (voting for Ben Carson, voting for trump's horrible military budget, limiting healthcare and student debt on the people, etc.). She lied about her ancestry, her transfer of PAC money into the presidential run, and her continuation of supporting corporations who have taxed the environment and consumers all for ungodly amounts of money and appease their greed. Look at history, research, do the math, analyse policies?? Nah, our viewers are too dumb ... Their job should be to educate their viewers instead of showing them so much disrespect. Bernie has a produced an actual healthcare bill, not just a presidential election plan, and he did have a healthcare plan ready to go 4 years ago.
