All racism is evil! That includes The Root when you publish articles like 'the 10 laziest types of white people ranked' black and white supremacists will share the same corner of hell, while all of us good people will party together regardless of race laughing at your racist asses. You racist scum are all the same, just with different colors. Learn how to understand equality. This is one of the reasons why I hate YouTube. Allowing such deplorables to make heinous content, but always turning a blind eye to that and mess with content creators who haven't been anything wrong. <p>”Black???” don’t you mean Very Dark Brown people. Very Dark Brown people did some messed up things in history, but the worst has to be this: ”Genetic proof” shows that Very Dark Brown people (from the Africa) built/invented pinkish people. Big mistake. As a result, but not because they are pinkish, pinkish people perpetrate the following: 1. built international global slavery, 2. murdered the native ”american” and stole their lands. 3. murdered the native ”south americans” and stole their lands. 4. murdered millions of Asian Indians 5. built terrorist zionist groups ”israel”/UK/USA and their terrorist israeli anti islamic group ”isis” who murdered hundreds of thousands of men women and children and destroyed the blessed lands of Syria and Iraq. 6. a hell of alot more repugnant shit throughout history, all of which to mention would require a phd thesis.</p> <p>(Edits pending)</p>	Black, Terrorist	Ethnicity - Black, Religious Identity - Muslim	3/141	2.128

<p>I can’t believe the amount of on this channel.Stop worrying about the colour of your skin! it’s irrelevant... Parents stop letting your kids hang out on the street, I know from experience that when YOU take the time out to communicate with them as a mentor, find stuff to do at home, immerse them in as buzzfeed say the ”white” people’s art, literature and music. My husband and I raised 2 amazing, intelligent young mixed race adults that had no problems with finding high paid jobs... So proof that with a good education anyone of any colour can get paid!Parents try preventing your kids following BLM and the pop culture that will brainwash them into wanting to be the best singer, dancer, rapper or celebrity... This is what’s holding back our black children today, the false image of getting rich quick being presented to our babies... This will destroy them!We need to take responsibility for our kids, both parents should have equal part in raising a child.Please stop worrying about skin colour and fighting for ”black” rights? Why not start to make money in this rich society, I can almost guarantee every black child that is told to get studying instead of partying will be successful and just as rich as my kids and them ”white people”. Blacks say they want equality, but if they really wanted equality they would not be looking for every chance to yell racism . On the contrary they would be doing their best to disprove racism . Equality means pulling your own weight, personal responsibility, and the lose of government benefits. These are the very reason blacks don't want equality. Blacks have lived off of the privilege of racism for so long that they no nothing but. Blacks had rather perpetrate the hoax of racism and continue to be a burden. Racism means blacks will no have to pull their weight, take personal responsibility for their actions, or lose government benefits. Blacks do not want equality. Other races for decades had no other format of media or entertainment but White, now that we do we inform on what affects people of color. When it was all White all the time we had to endure misrepresentation and propaganda but that was fine, of course. That didn't seem racist to you at all, did it? You still have options, don't watch. All of you Americans are pathetic. In rest of the world people take pride in their country and nation , it's history... But all of you, black or white, have no history or very little of it. The poor and persecuted masses of all kinds of Europeans came to escape poverty and persecution loosing their languages, cultures and national identities in the proces. Blacks were shipped to America after being bought by rich whites in the slave markets of West Africa and in the process also lost their languages, cultures and national identities but they also lost their religion. Evil Bastard except...they didn't beat up any innocent bystanders, journalists or police. Your burning hatred for any resistance to white supremacy says a lot about you. "Violent and Racist left" pathetic. The paradox of tolerance was described by Karl Popper in 1945. The paradox states that if a society is tolerant without limit, their ability to be tolerant will eventually be seized or destroyed by the intolerant (eg. Nazis). Popper came to the seemingly paradoxical conclusion that in order to maintain a tolerant society, the society must be intolerant of intolerance.	Racist	Ethnicity - General	1/91	1.099

Count Cuckula The fact that you refer to black people as blacks is very telling. Anyway, crime is linked with poverty. Black people are more likely to be poor thanks to things like redlining, as well as a history of oppression spanning centuries. Black people don't tend to have generational wealth. Black people recieve 20 longer sentences for the same crimes as white people. Black people with " black sounding" names are often not accepted for positions despite having the same qualifications, experience and background as a white person. Black people's hair is discriminated against in the workplace. Obama's presidency does NOT mean racism is over.	Black, Racism	Ethnicity - Black, Ethnicity - General	8/105	7.619

You'll need to demonstrate how those things are not a factor before I'm going to believe you."how come blacks were not even able to get a loan from the bank until 1990 known as redlining ?"First, is this 1990?
