Prediction: When Trump is a <b>nothing</b> but a nightmarish memory that makes Americans shudder with relief that he is gone, I predict that Melania will divorce him. (She is locked into her marriage now.) Many will ask her to give interviews and write a book which she will refuse to do because she is a private, gracious, reserved lady with refined European manners. And she would not want to hurt or humiliate her son or tarnish the image he has of his father...any more than it already is. Melania will live a life of seclusion away from the media. DaGunny..... I had to look up your disturbing claim that Child prostitution is Legal in Calif.. The law previously made the children criminals that deserved punishment, like their adult counterparts.. Now a child is 'not punished' because they 'are victims' because they haven't reach the <b>age</b> of consent.. Anyone exploiting the child or having <b>sex</b> with the child is a criminal! So no, child prostitution is not legal to any adults involved.. Adults go to jail.. And, I wish they would add castration to their sentence too..	Age, Sex	Age - General, Gender - General	2/87	2.299

THE TRUTH, really?From this video, one is led to believe that Melania was a little model who scored really big at 18 years of <b>age</b> , and living in Milan. The TRUTH is that Melania was a so-so, mediocre model who never graced a magazine cover, interviews and spreads until AFTER she started seeing Trump. She was never a supermodel. When she moved to NY, she worked (prior to getting a work permit) posing in the nude for men’s magazine-type photos and a couple of lesbian-style photos. Melania, Trump and the Trump campaign lied about Melania’s career, but also lied about her education as her resume indicates Melania had a degree in design and architecture from a Slovenian university, which is an enormous lie. There is also the claim that she speaks several different languages, but you can’t count as ”speaking” another language if you can only say things in Italian and French that any first semester high school 101 student can say, and it is debatable if her English can even be called ”fluent”. Who is it that says she is an invaluable part of ”team Trump”? <b>Nobody</b> who knows anything about her or their relationship would make that ridiculous claim. It is reported that Melania has her own bed in her own Suite at the WH and she and her son often stay at her parents’ house instead of coming from being all day at school. Her ”power”, as you call it, consists of plagiarism of Michelle Obama’s speech, a copied and minimally altered booklet on cyberbullying including the cover art, from Michelle Obama. She and <b>Dumb</b> Donald must have come up with an agreement of sorts, to hold hands once in a while and be photographed together a little more so Trump’s brainwashed masses don’t get wise to the fact that she just really can’t stand him and they will likely divorce when out of office in 2020... hopefully prison time will follow for Donald and several other members of the administration, the GOP, and other Trump family members. I can see it now, Tiffany becoming the next in line and only person not in prison to run Trump’s company as all other Trumps will be serving time in prison. <p>Is it true that our President would love to share this with Nancy ?Romans 10:1717 So then faith cometh by hearing, and hearing by the word of God.We fight down here but God loves the sinner up there! Come to the cross of Christ. Drink His blood and taste His Spirit He has sent to all who love Him and receive forgiveness of our sins.John 3:16</p> <p>For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.17 For God sent not his Son into the world to condemn the world; but that the world through him might be saved.Ephesians 2:8 For by grace are ye saved through faith; and that not of yourselves: it is the gift of God:9 Not of works, lest any man should boast.”For all have sinned, and come short of the glory of God;” Romans 3:23”The wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord.” Romans 6:23”Christ died for our sins according to the Scriptures; and he was buried, and he rose again on the third day according to the Scriptures” 1 Cor.15: 3-4WHY? WHY DID HE HAVE TO DIE AND RISE FROM THE DEAD”The wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord.” Romans 6:23Jesus took our death sentence for all our sins on Himself and shed His sinless blood to pay them all. For without the shedding of blood there is no remission of sins! And His blood is sinless and it paid the sin price for countless Saints of all times who believe on Him. Jesus Christ did it all for our eternal life one day in Glory with Him. And we did <b>nothing</b> before to deserve it but now we are His living body by His blood and by God the Holy Spirit who has sealed and lives in us and Jesus will complete our salvation one day by calling us up to Him in the air and escorting us to His Fathers House in Heaven.JESUS IS LORD GOD AND SAVIOR OF ALL BELIEVING SINNERSRomans 10:9 That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.10 For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.</p>	Nothing	Age - Youngsters	1/432	0.231

There is no evidence that Melania went to college beside her saying that she went to university. A website www.snopes.com FACT CHECK: Melania Trump's College Degree says, 'There is no 'University in Slovenia,' nor is there a 'University of Slovenia.'She plagiarized part of Michelle Obama's speech. Her English is not grammatically correct and words she chooses are not the correct verb tenses many times.She obviously does not want to be First Lady. The day of Trump's inauguration he looked behind him and smiled at Melania. She gave him a big smile but when he turned around, she frowned.She seems miserable. The whole world knows that Donald cheated on her and paid off the women during the campaign. That must be so humiliating for her. If they stay married after he leaves office, it will be a miracle.Other than Donald's money, I have no idea what Melania saw in Donald. He is an immature, narcissist, an adulterer, a liar and a cheat. What kind of <b>woman</b> would want to be married to a man like that?I do feel bad for her. It must be so hard for her. Melania is a Super Porn model. Did you see her <b>homosexual</b> photos? Donald has a type! What's up with those lines on her face? She should never smile. I just remembered, she seldom smile! Whoever wrote this video didn't do any fact checking. Melania came into the US on a tourist visa which does not allow the holder to work. She immediately started working as a "model" and actress. She overstayed her 6 month visa by over 2 years so she was an illegal when Don the Con met her. And her modeling was mostly posing for porn magazines and making <b>lesbian</b> porn movies (some are on You Tube and all are available online). She's a liar and fraud just like her repulsive husband.	Lesbian	Sexual Identity - Female homosexuality	1/90	1.111
