I thought we all knew by now that the State of Israel is putting a lot of money into buying support in the US political system, and probably the UK onetoo. Also they very intentionally conflate anti-Israel State, through a highly structured lobby, with anti-Semitism with the express intention of smearing those that might dare to criticise their apartheid activities towards the Palestinians, amongst other nefarious actions. And this includes the Labour Party and Jeremy Corbyn. Criticising a government of any political persuasion is NOT rascist, and never has been! Just watch The Lobby (UK version), with secretly recorded footage of a guyworking out of the Israeli Embassy, if it hasn't been taken down yet.Absolutely no-one should receive any kind of vilification for <b>race</b> or religion, but neither should this be weaponised! Why is it branded antisemitic to criticize a country that oppresses others. No one mentions Judaism as the problem because it isn't. I'm English and my country has done it for years. Doesn't make it right label or no label. Fighting back sticks and stones with bullets and teargas is worth criticising. <b>Nothing</b> to do with a belief idealism. It's just wrong !! Disgusting and Traitorous in our midst »»> A quote From Netanyahu's infamous 'Fink's Bar diatribe' of 1990:'If we get caught they will just replace us with persons of the same cloth. So it does not matter what you do, America is a golden calf and we will suck it dry, chop it up, and sell it off piece by piece until there is <b>nothing</b> left but the world's biggest welfare state that we will create and control. Why? Because it is the will of God and America is big enough to take the hit so we can do it again and again and again. This is what we do to countries that we hate. She, along with the others who resigned from Labour to form The Independent Group, are concerned over how Labour is handling <b>Brexit</b> and the growing anti-semitism in the party. Austin Davis do you have any concrete evidence that antisemitism within Labour has gotten worse during and as a result of Jeremy Corbyn's leadership? I'm not anti-semetic or rasict. I've heard some Jewish folk claim "God" gave them the land which is called Israel and this justifies what they do to Palestinians. I wonder if this Labour MP shares their view as I know some Jewish folk dont. In my opinion anyone who thinks "God" gave them land is a tosser. Actually, anyone who is a religious fanatic is a tosser. Yes you Jewish fanatics who think 'you are God's chosen people' and you have the divine right to remove Palestinians from their homes because 'God ' gave you land...You are all tossers!There isn't much I can do about this problem, just like North Korea, the Saudi royals, Donald Trump, or any other nasty problem the world's people have to face. Breitbart - the organisation - is not antisemitic, but its regular set of Disqus commentators includes a pack of antisemites (some have German-sounding names; others have Arabic names; others have Jewish names). Read the comments in any hawkish Caroline Glick article, and you’ll be able to spot them quickly. This isn’t really Breitbart’s fault, since they censor far less than most news sites. I personally prefer this to having perfectly sensible and thoughtful comments censored over algorithmic nonsense. That being said, The Guardian’s readership is far more hostile to Israel than anything in Breitbart and includes a ton of far-left agitprop types who regard Israel as a <b>racist</b> , colonialist endeavour whilst regarding Palestine (which is intended to be Judenfrei) as a righteous reclamation of indigenous people’s land. I have listened to her and thought she was a very charismatic MP. If what I am hearing is right then why all these people are not already locked up as these are illegal under current Law. I am not sure of what her views on . Anyone who supports a <b>racist</b> state like Saudi Arabia or Israel and their discriminatory politics must be challenged. And this should not be called Antisemitism as then the whole humanity will all become <b>racist</b>. We will refuse to accept Israeli oppression until all refugees are returned back and given one man one vote and until there is no religious prejudices or loyalty benefit for any one group of people in any state regardless of where it is including Saudi Arabia, Israel and anywhere for that matter. It is quite dangerous to mix such sentiment with antisemitism and I am convinced that is going on right now. Therefore we must separate <b>racism</b> element (the real antisemitism) from political element (Zionism) and should never mix the two. Jerry Gregor can you explain to me and all else, why did Auchwitz revise the number of dead from 4,000,000 to 1,000,000. Yet the 6,000,000 never changed how does that work???	Jerry	Nationality - German	1/31	3.226

Jo Smooth You forgot to mention the Mamilla Pool massacre ( 614 AD ), <b>African</b> slave trade, Armenian genocide, Bolschevik revolution and Holodomor, Deir Yassin massacre ( April 9, 1948 ), Israel declared to be the human trafficking and organ harvesting capital of the WORLD, and the ongoing killings of Palestinians. To be fair, some of them have a point.But what I find interesting is that antisemitism is claimed to be a huge issue in England, at a time when English people themselves are being abused from every angle, their country invaded, and their history erased or changed. And yet standing up for English people gets you called a <b>nazi</b> !	Nazi	Ideological and Political Identity - General	1/60	1.667

Well Luciana. It's lovely to have you here in Britain. Are you a Zionist though? Because if you are I'm afraid that is not acceptable. We don't want <b>racist</b> MP's... white, <b>black</b> , brown or jewish ones.	Black, Racist	Ethnicity - Black, Ethnicity - General	2/36	5.556

shamanahaboolist The hypocrisy in your post is astonishing. What makes you think Luciana Berger is a Zionist? Is that an assumption predicated upon her faith? From someone who abhors <b>racism</b> , that's some presumption.	Racism	Ethnicity - General	1/33	3.03
Even if she is a a Zionist it isn't something negative to believe that Israel has the right to exist nor is it <b>racist</b> .	Racist	Ethnicity - General	1/24	4.167
Why do you think people believe that Israel has a right to exist? I've gone through all the scenarios and every one of them is <b>racist</b> .	Racist	Ethnicity - General	1/26	3.846
It is the exact opposite. It is <b>racist</b> to say that there is no place in the world for a Jewish state. In fact Israel does exist and has no need to prove its right to exist like any other country.	Racist	Ethnicity - General	1/41	2.439
You didn't answer my question. Not intentionally anyway. But at least you did say"It is <b>racist</b> to say that there is no place in the world for a Jewish state."So is it <b>racist</b> to say there should be a place for a white state?	Racist	Ethnicity - General	2/46	4.348
daniel reed - There's no escaping the fact Daniel that throwing people off land and claiming it as your own because of <b>race</b> , is a form of <b>racism</b> .	Race, Racism	Ethnicity - General	2/28	7.143
John Smith you have clearly not understood. I said that it is not <b>racist</b> to believe in Israel's right to exist. The disputed land issues are also not about <b>race</b> . Like the Northern Ireland conflict, <b>nobody</b> accused the british of <b>racism</b> or questioned its right to exist.	Nobody, Race, Racism, Racist	Age - Youngsters, Ethnicity - General	4/47	8.511
daniel reed - You obviously know about as much about Israel as you do about <b>racism</b> .	Racism	Ethnicity - General	1/16	6.25

Believing that Jewish people shouldn't be murdered is now <b>racist</b> . Wtf?I think the only racists here are you and Momentum.	Racist	Ethnicity - General	1/21	4.762
John Smith I have to hand it to them. It's a strategy of sorts, conceal your <b>racism</b> by accusing anti-racists of being <b>racist</b> . It's not too dissimilar to pedophiles acting high and mighty against other proven pedophiles or acting like they are the saviours and protectors of children. It's the only chance they have to smoke screen their corruption.But the world is getting wise to the trickery. As these deflectionary false accusations against Momentum get more and more press time, the sweet irony is that they are getting plenty of promotion and those who are on the side of consistent morality are realising on an ever increasing scale that Momentum and this reformed Labour party is where the progressives are flocking.No such thing as bad press. ;)	Racism, Racist	Ethnicity - General	2/129	1.55

daniel reed - I'm still looking for a cogent explanation of why I'm a <b>racist</b> from you?	Racist	Ethnicity - General	1/17	5.882
John Smith - its simple really. We are commenting on a video relating to antisemitism. Where there is no mention of Israel. You made a choice to not give support to the speaker and instead justify antisemitism because of your personal belief that Israel has acted in a <b>racist</b> way. Maybe I am mistaken and you feel a sympathy for the Jewish people. I would be happy to be wrong!	Racist	Ethnicity - General	1/70	1.429
John Smith - All you needed to do was offer some support for the aforementioned video but you couldn't because you are <b>racist</b> . No-one is 'FRAMING' you. (commonly said by the guilty) You watch a video about antisemitism and criticize Israel. You and your type make me sick.	Racist	Ethnicity - General	1/48	2.083
John Smith - Do you sympathise with Berger's comments in the video or not? It isn't so complicated. Are you against antisemitism or not? This is your last chance to prove you are not <b>racist</b> . Of course you could say I don't have to prove anything however this would imply that you are indeed a pathetic antisemitic <b>racist</b> fool.	Racist	Ethnicity - General	2/59	3.39
daniel reed - Let's get a few things straight. At no point in this thread did I state, imply or infer that Israel does not have the right to exist. I have simply inferred so far that Israel carries out its existence in a manner which has displaced a large percentage of the former population of Palestine and acts in an egregious manner towards them. This is well documented. I only brought it up as you had already started on the subject of Israel. As for Berger, no one should be subjected to any sort of abuse based on their religion or <b>race</b> . If I worked with a Jewish colleague in the workplace and they were subjected to personal abuse, obviously I would report it. I also think Holocaust denial should be treated as hate speech. Where I draw the line is when people like yourself cry <b>racist</b> as soon as they hear or read anyone referring negatively to political Zionism and Israel's policies. You are guilty of that.	Race, Racist	Ethnicity - General	2/169	1.183
daniel reed That's right, it was I who asked the question as to whether or not she was a Zionist. Because it would seem her testimony about <b>racism</b> would be rather rich if she herself is a <b>racist</b> ... Which turns out she is so... in that case Boo Hoo go cry to someone who can't see through your hypocrisy.	Racism, Racist	Ethnicity - General	2/59	3.39
shamanahaboolist - Zionism does not equal <b>racism</b> . Read the thread and you might understand it.	Racism	Ethnicity - General	1/15	6.667
