by the comments on this brilliant woman it would appear that most agree with what she says/sings and it also would appear that the uploader has shot himself/herself in the foot as millions (as the hidden Finacially powerful Jews know) are now waking-up to understand that it is because of this Holocaust LIE that we the Entire Human-Race have been emotionally blackmailed in to not publicly questioning the Jew but in fact aiding them in enslaving us all as part of their New World Order which originates from their ancient "self-proclaimed" notion of being Chosen People... The TRUTH (their worst enemy) will set the entire World FREE but first we must set the TRUTH FREE.... :-)	Woman	Gender - General	1/116	0.862

To justify the needless loss of allied serviceman .very shortly after Ww2 the propaganda machine went in to overload vilifying the Germanic race to the extent of calling them evil.the stories were clever and believable. to people who suffered during the war years .however this is 2018 we all need to think for ourselves.generally speaking what society tells us is rubbish.and generally inconsistent.and laws against freedom of speech obviously have hidden agenda's. And obviously not to the benefit of the general populace!	Race	Ethnicity - General	1/82	1.22
shananagans5 Agreed. Evidence is overwhelming. I say this as someone who as a young man decided to find out for himself as much as I could. A journey that took me from the sites of mass extermination and then on into Israel where I worked on a Kibbutz and saw old people who still had their numbers, many did not talk about those days however a few did and I will never forget what they told me. I found the truth at source. Anyone denying this ever happened needs to do the same. I am not a Jew.	Old	Age - Over 65s	1/98	1.02
