It is interesting that the Democrat Party is one of the most racist and antisemitic organizations in the country, yet it is the source of most of the accusations of racism and fascism against others. <p>Personally, I don't think that Louis Farrakhan or Linda Sorsour are "hiding" anything. What they say isn't false. And anyone — anyone at all — who tries to conflate antisemitism with falseness immediately loses credibility. Fox News pundits like Laura Ingraham and Tucker Carlson had, for a while, been earning credibility with rational commentary on Donald Trump, his allies, and his enemies, correctly observing that the right is usually right, while the left is usually wrong. But where the deeds and the agenda of organized Jewry are concerned, they're no better than CNN, MSNBC, ABC, or any other mainstream media corporation that is controlled by the Jews.</p>	ABC	Nationality - Chinese	1/107	0.935

I know Laura is a fundamentalist Christian. I know she adores Jews and Israel and hates Muslims but someone should tell her that it was the Jews who killed her lord and savior, not Muslims. Someone should tell her what it says about Jesus in the Jewish Talmud compared to the Muslim Quran . In the Jewish Talmud it says Jesus is boiling in excrement in hell. Whereas all Muslims revere Jesus. Her priorities seem to be confused. The Zionist Christian is a strange breed.	Quran	Religious Identity - Muslim	1/84	1.19
Kristovis christisnity and judaism are different religions yes.Jesus was a jew. Religion doesnt change your biology. So really its just a bunch of wishy washy religious nonsense at the end of the day.We should not be prejudiced against our common man at the end of the day. Orthodox jews call out israel's warmongering and mandatory military service. Being a jew doesnt make someone bad.	Common	Social Class - Working class	1/94	1.064
Disappointed in you Laura. I wanted to believe you were better than this. Towing the "antisemitism" nonsense. Linda Sarsour personally disgusts me, but how can a Palestinian woman be antisemitic? Arab Palestinians are semites. Theyre all semitic peoples. She defends rights of Arab Muslims and fights for a free Palestine. That is very pro-semitism. Laura obviously has a deep loyalty to the foreign state of Israel. This makes me uncomfortable as an American. As an American you are to have one loyalty and that is to the United States. Neither Islam nor Jewry. I always agree with Laura Ingraham, but not this time. I'm not supporting Israel and the Jewry. They are a bigger threat to Western civilization than people think. I know the USA stand with Israel : it is geopolitics. Exactly like with Saudi Arabia. But when moral values culture and fundamental mentality are on the table, Westerners have nothing to do with the Jews.I will never ever support Muslims and their deadly cult, but I also will never ever trust the Jews. The fact I oppose Islam doesn't automatically lead me to support the Jews : they have deeply overwhelmed Western society through communism an ideology originating in Jewry, and now cultural communism. There is no way I will consider Soros, Madoff, Goldman-Sachs, the Rothschilds, Barbara Spectre and their fellows as friends, and these are only the tip of the iceberg. Linda Sarsour and her community are for sure a clear and present danger to America as it is to the whole Western civilization, not to say the whole world. Only leftards could want her to speak on their behalf. Only them hate Western civilization so much they shamelessly shake hands with the Devil. More than Islam which malicious nature we know, it is liberals spinelessness that inspires loathing. They too are a direct threat to the West and it is all the most serious by the fact they are generally White Westerners themselves.PS : calling Linda Sarsour an anti Semite makes no sense : she herself is a Semite. It is like when the left calls Kanye West a White supremacist.	Nothing	Age - Youngsters	1/268	0.373

Semetic doesn't even refer to an Israeli, it refers to languages,geez, tagrinya, Amharic,aramic,Arabic,Maltese as well as others and the term,"semetic"was created by the Gottingen school of history, specifically by August Ludwig von scholtzer I believe in 1781 if I'm not mistaken. <p>Reading your comments makes me so sad. Not angry, sad. Where exactly are you getting your information from? I am so sorry you are filled with so much hatred for people simply because of the skin they were born in. I'm so sorry you feel that "white people" are NAZIS. As a white, female conservative born in the 70's in a predominantly white community outside Chicago, I was raised that black is beautiful. In jr. high, every kid in school had pictures of Michael Jackson, Whitney Houston or Prince in their lockers. In High School, the "cool kids" wore MC Hammer pants, listened to rap. I would go to see movies simply because Eddie Murphy (must of watched Golden Child 100 x's!) Will Smith, Richard Pryor (easily one of the funniest men on Earth, God bless his soul) or Morgan Freeman were in them. (I honestly believe Morgan was in almost EVERY single movie in the 90's & early 2000's! ;) Growing up EVERY kid HAD to watch The Cosby Show, A Different World, Different Strokes, 227, Martin, Living Color. I can STILL sing every word to the Jeffersons theme song to this day! Remember how cute Webster was? I do! I grew up listening to my dad's records of Lena Horn, Nina Simone gives me chills EVERYTIME I hear the soul in her voice. The first song we danced at our wedding was Nat King Cole. Toni Braxton & Seal were a HUGE part of my late teens. Seeing Seal live was one of my all time favorite concerts. Black culture to me growing up & now was always the COOL culture- black Americans were some of the farthest reaching descendants of our Nation. I raise my OWN children NOW that black IS beautiful & to EVER judge someone simply by the color of their skin is ABHORRENT. I AM in the majority of white people thinking this way. Please do not believe the sensationalized news telling you that white people are white Supremacists. White people are ashamed & EMBARRASSED to have a small hate filled group of dim witted, throwbacks to a hate filled age associated with them. WE HATE THEM TOO! God bless you. Funny, I care for you much more than these cosmopolitans Ashkenazis yet you'd attack me over them when they're the ones attacking our American values, freedom, and culture. Let me explain my view another way and perhaps we can agree. We do have freedom of religion in America, however, Now, it appears amazing that we have rules in court house, supper table, congress and so forth to remove your cowboy hats, ball caps, and such but now exactly how is our OUR SOCIETY supposed to accept and endorse someone sitting in a court room completely covered in a sheet except their eyes and it's not right for someone to remove their Maga cap or Stetson cowboy hat. Really, the point is the everyone wants to come to US but just for the land to abuse, deplete, take away from and twist up everything we have as "the norm". So to me it's not at all the FOREIGNERS appreciate, want or even respect America. It's sad but they just want to WRECK IT. Can we ever find a happy balance living harmoniously amongst each other, accepting different cultures in our society WITHOUT UP ROOTING THE ENTIRE SYSTEM. Obviously, if EVERYONE trying to get in our sovereign nation , we must not have done too bad. True jealousy and covetousness. Cherie Cullum "yes, so people like yourself can read what they want to believe" Oh my god...I haven't met someone as dumb as you in quite a long time...See what doing nothing but watching tabloid quality garbage leftist "news" has done to you? Well known facts with no partisan slant whatsoever completely escape you and your incredibly dumb mind infers that "it's all lies!" because you were too clueless and stupid to follow along with the facts as the hillary investigation was going on. Adults are open to information that they weren't aware of before, only trash with the cognitive ability of a toddler automatically takes well known information about hillary's wrongdoings and immediately tries to infer that they're "lies". Even most leftists know everything I listed, and some of what I didn't, like her deleting 30,000 additional emails after being told to hand them over, and destroying a bunch of hard drives/People who actually have brains actually read reports and are able to understand what sources are misrepresenting, slanting, or leaving out info, and which ones are not. You, on the other hand, like many leftists, hate using your brain, were too stupid to follow along with the investigation as it was happening, and now you're alleging that even the words from james comey's mouth that anyone else who committed the same crimes as hillary WOULD face criminal charges, is some kind of hearsay.
