Title: Meet the Insta-Gramma Who Defies Ageism

- Table 1: Summary of the results per comment;
- [Table 2](#): Summary of the results per sociolinguistic variable;

Table 1: Summary of the results per comment

Comment	KeyWords	Sociolinguistic variables (Hiper - Hipo)	Hate Speech Frequency	Hate Speech Fre-quency(%)
This <b>Woman</b> is exciting..... Busting stereotypes... I Love that!	Woman	Gender - General	1/9	11.111
Act your <b>age</b> you clown. !!!	Age	Age - General	1/6	16.667
I think she is fantastic. I love her attitude on life. I hope that I get to live to be her <b>age</b> and have a wonderful outlook on life as she does.	Age	Age - General	1/32	3.125
Her eyes. In them I see <b>nothing</b> but an unbreakable will to live her life to its fullest.	Nothing	Age - Youngsters	1/18	5.556
Lyn has brought to life every feeling & dream I have about fashion & aging. We all want to live a long time but not grow <b>old</b> . How silly is that.? Society still holds women to impossible standards. Be sexy, alluring, interesting in spite of losing the assets of youthful health; firm bodies, smooth skin, great hair, strong bones & good eye site. Lyn shows us how to stay in the game of being attractive, wearing clothes that suit the body we've grown into & still looking & moving with vitality. The fashion looks she has brought to life say I am chic, still looking fine & VERY much ALIVE & still living my life on purpose while loving every minute of being a <b>woman</b> .	Old, Woman	Age - Over 65s, Gender - General	2/125	1.6
My father is 81 and looks better than you. Your an ugly, <b>old</b> cunt with <b>weird</b> clothes. I can't stand seeing your face	Old, Weird	Age - Over 65s, Physical Identity - Physical (and Mental) Impairments	2/24	8.333

Today's millennial is too <b>elderly</b> .	Elderly	Age - Over 65s	1/5	20.0
ALL I'M GOING TO SAY IS YOU GO...What a amazing video and she one glorious woman	Woman	Gender - General	1/16	6.25
She is <b>thin</b> . So many older women are large which makes it harder to look this good.	Thin	Physical Identity - Physical Features	1/17	5.882
What this says to me is if you let 2 20-somethings "style" you, you will be interesting and fashionable, which is just the opposite of fighting <b>ageism</b> , IMO.	Ageism	Age - General	1/28	3.571
it's amazing that she still looks proper for a <b>woman</b> at her <b>age</b> no matter how <b>crazy</b> the style she takes Usually grandma fashion ends up to a disaster	Age, Crazy, Woman	Age - General, Gender - General, Physical Identity - Physical (and Mental) Impairments	3/29	10.345
Be yourself grandma'! You feel good you want to look good! Rock your style no matter what <b>age</b> ! I would avoid spandex at all cost it grabs rolls, etc. looks cheap. Dried up blonde fake grass looking hair or <b>red</b> doesn't suit everyone. So many older women choose to go fake blonde or <b>red</b> no bueno.	Age, Red	Ideological and Political Identity - General, Age - General, Ethnicity - Native-American	5/57	8.772
Fabulous, beautiful, intelligent <b>woman</b> . Thank you for sharing.	Woman	Gender - General	1/8	12.5
Nothing unique about those hoops.	Nothing	Age - Youngsters	1/5	20.0
I think that is interesting, like what is <b>age</b> appropriate?	Age	Age - General	1/10	10.0
I love her and Maye Musk (Elon Musk's mom) another 70 year <b>old</b> model who is just fantastic!!!! Great thing is these women are both very slim and in great shape for their ages, which helps them to be able to wear simple, chic and stylish outfits and look great in them!	Old	Age - Over 65s	1/52	1.923

People are accepting that individuals should do what they want no matter the <b>age</b> , <b>gender</b> , religious beliefs, etc. For example at our church last Sunday, we could observe a male choir member wearing a long, textured skirt, and another male after dancing could be see using a beautiful hand fan to cool himself. This creative expression is the new life we have on this Earth.	Age, Gender	Age - General, Gender - General	2/65	3.077
Age is just a number.You are fearfully and wonderfully made.	Age	Age - General	1/10	10.0
I'm 74 and see no difference between me and my colleagues! I dress glamorous at times and other times just LEVIS. <b>Age</b> is only a number!	Age	Age - General	1/26	3.846
This <b>woman</b> is fabulous, I just love watching her shine, but I think you have her <b>age</b> wrong,	Age, Woman	Age - General, Gender - General	2/18	11.111
I work in forensic prison with male offenders don't wear uniform try to be stylish but balance between being too fashionable as inmates poor and also not being <b>sexual</b> so usually use color but have to be formal. Any ideas	Sexual	Gender - General	1/40	2.5
I love this <b>woman</b> . You look fantastic.	Woman	Gender - General	1/7	14.286
Great. I'm just accepting my <b>age</b> . I'm 63, will be 64 this year. I don't mind getting older as much as the fear of becoming irrelevant. Thank you for being who you are. You give me permission to be me!!	Age	Age - General	1/40	2.5
The issue with <b>age</b> is health. Look after yourself. Once people hit 80 then health seems to deteriorate. Stay active, walk, laugh. My Mum is 87 and has been active her whole life but the body quite simply wears out.	Age	Age - General	1/40	2.5
geo cape It takes a certain amount of energy, and <b>mental</b> clarity to do what she does, that's what's important....	Mental	Physical Identity - Physical (and Mental) Impairments	1/20	5.0
She's 65 she looks <b>old</b> my sister in law looks way younger and she's 65!	Old	Age - Over 65s	1/15	6.667
geo cape I don't think this is about <b>age</b> ! It's about style, stylish clothing & being the best you can be!	Age	Age - General	1/21	4.762
get over it you <b>old</b> bitch	Old	Age - Over 65s	1/6	16.667
I had her as my graduate professor this past semester. She is AMAZING!! Not only is her style on point all the time, but she's incredibly smart and witty! I am so honored to have been in her class and learn under her wing. <b>Age</b> is limitless, as she would lecture to the class!!	Age	Age - General	1/54	1.852

I first heard of her on Pinterest, I know I have pinned some of her looksI am 63 and love (and try to learn from) other women who possess class/styleI really do live a simple life and "excess" has never been in any area of my lifeI am told by my female friends I don't look my <b>age</b> But I really think it's about how (I don't dress)I really just own basicsMy daughter has always been one that says, "Mom, never, ever <b>age</b> yourself."So I usually do a little research, look around, and dress in what I like and I feel "like me" inSIMPLE, <b>NOTHING</b> OVER THE TOPBUT STILL with small aspects of young/trendy(through accessories-jewelry, scarves, shoes, etc)	Age, Nothing	Age - General, Age - Youngsters	3/127	2.362
And that's exactly how she would dress. Her style was very simple but very sleek with a hint of dimensional pieces. Two main accessories that complimented the outfits were her big hoop earrings and trendy glasses. She ALWAYS paired the two with her outfit. Every Thursday, I looked forward to her outfits. I, myself have a passion for style and mixing pieces. She gives inspiration to not just people of older <b>age</b> but to youth individuals as well. If you truly enjoy expressing yourself through clothes, then you should, regardless of <b>age</b> ! As I like to say, 'you gotta own who you are'	Age	Age - General	2/104	1.923
Nothing more pretentious than an <b>old</b> had 40 years past her prime.	Nothing, Old	Age - Over 65s, Age - Youngsters	2/12	16.667
Clearly, she's the exception. She's not the average <b>senior</b> .	Senior	Age - Over 65s	1/9	11.111
Not a <b>Senior</b> . She's a Boomer.	Senior	Age - Over 65s	1/6	16.667
Sorry but she does look like an <b>old hag</b> . She's just got the bank roll to buy her into those roles. Gag me Seriously! Who are you kidding?!	Hag, Old, Old hag	Age - Over 65s, Gender - Female age and physical appearance	3/28	10.714
Stop hating and start growing. Most college professors don't have the bank roll to do what you're imagining. If you live long enough, you will <b>age</b> . That doesn't mean you have to stop wearing what you like and fit the traditional mold of older women.	Age	Age - General	1/45	2.222
I'm so sick of the <b>ageism</b> in fashion. Most women can't relate to a prepubescent model. Fashion magazines have died because they don't speak to us anymore. We don't buy the image that you are only beautiful if you are young, tiny, and bored.	Ageism	Age - General	1/44	2.273
HO YEA I NEED YOUR HELP	Ho	Gender - Female sexuality	1/6	16.667

Age is just a number. It's an issue of mind over matter. If you don't mind, it doesn't matter!	Age	Age - General	1/19	5.263
You're fantastic! I love that ur a "funky academic" . I've been told that I "have my own style" which means I dress in a way that "they" consider <b>weird</b> and I like very much LOL. I'll be 60 in a few days and am VERY happy to have found a kindred spirit.	Weird	Physical Identity - Physical (and Mental) Impairments	1/53	1.887
U look Fab. I also love <b>black</b> n white. Im a New Yorker enough said. Lol	Black	Ethnicity - Black	1/16	6.25
You are AWESOME! GORGEOUS! FABULOUS!, I'm totally inspired by your confidence,...I think it's important to feel good & be who you are & feel happy, no matter the <b>age</b> & look classy! Beautiful	Age	Age - General	1/33	3.03
Certain people <b>age</b> faster.....everyone will not <b>age</b> the same! My mom is 67 and doesn't look 50. My dad is the same way.	Age	Age - General	2/23	8.696
70 plus looks to me...new York ages u, academia can <b>age</b> u, she is quite <b>thin</b> ...if she tried to be <b>thin</b> all her life, might not have gotten right nutrition.Not enough healthy fats?	Age, Thin	Age - General, Physical Identity - Physical Features	3/34	8.824
Barbi Love us older ladies don't suit <b>thin</b> ...makes us look older! & heavy lipstick & high heels are not the way to go either. I like her attitude though..spot on.	Thin	Physical Identity - Physical Features	1/30	3.333
Respect for her. My Great-Grandmother stayed on slay for the majority of my life. All the way until the end of her life. I'm grateful bcuz it set the example that I can enjoy fashion at ANY <b>age</b> .	Age	Age - General	1/38	2.632
I watch every Lynn Slater feature I can find. She is a wonderful inspiration for women of a certain <b>age</b> . Love her. Great film.	Age	Age - General	1/24	4.167
So fkn fab!!! I hope I'm as fab as her when I reach that <b>age</b> !! Way to go!!	Age	Age - General	1/18	5.556
I love this <b>woman</b> !	Woman	Gender - General	1/4	25.0
She's an attractive woman	Woman	Gender - General	1/4	25.0
I really hope I look like her at that <b>age</b>	Age	Age - General	1/11	9.091
Age is only a number.	Age	Age - General	1/5	20.0

I turned "60" four month's ago and having a real hard time accepting this <b>age</b> !! Especially when they show <b>nothing</b> but 20-30 year <b>old</b> girls on commercials and not to mention "men" would rather be with them than with one my <b>age</b> !!	Age, Nothing, Old	Age - General, Age - Over 65s, Age - Youngsters	4/42	9.524
Goody two shoes You're only 45 and feeling the "effects of aging" already? Damn. This definitely lets me know genetics factor into it, because 45 is way too early to be talking like that. At least in my family. Then again, we are melanated, so that figures into it too. Justin Eats is right by the way. It's in your mind. If you think "now's about the time I should be getting <b>old</b> " then you will.	Old	Age - Over 65s	1/76	1.316
This isn't just clothes, this <b>woman</b> is creating art. She's beautiful, creative, and understands photography and style incredibly well. I immediately followed her after this video!	Woman	Gender - General	1/26	3.846
You must be a <b>fag</b> like her. Fucking pussy	Fag, pussy	Nationality - Chinese, Sexual Identity - Male homosexuality	2/9	22.222
Love luv love you.... <b>nothing</b> but admiration for your inspiration....	Nothing	Age - Youngsters	1/9	11.111
Cheryl R Leigh so much more refreshing to see someone like this be a star! <b>Ageism</b> IS a real problem in the USA!	Ageism	Age - General	1/23	4.348

Table 2: Summary of the results per sociolinguistic variable

Sociolinguistic variables (Hiper - Hipo)	KeyWords	Number of occurrences	Frequency	Frequency(%)
Gender - General	Woman, Gender, Sexual	12	12/3271	0.37
Age - General	Age, Ageism	33	33/3271	1.01
Age - Youngsters	Nothing	6	6/3271	0.18
Age - Over 65s	Old, Elderly, Senior	12	12/3271	0.37
Physical Identity - Physical (and Mental) Impairments	Weird, Crazy, Mental	4	4/3271	0.12
Physical Identity - Physical Features	Thin	4	4/3271	0.12
Ethnicity - Native-American	Red	1	1/3271	0.03

Ideological and Political Identity - General	Red	1	1/3271	0.03
Gender - Female age and physical appearance	Old hag, Hag	2	2/3271	0.06
Gender - Female sexuality	Ho	1	1/3271	0.03
Ethnicity - Black	Black	1	1/3271	0.03
Nationality - Chinese	pussy	1	1/3271	0.03
Sexual Identity - Male homosexuality	Fag	1	1/3271	0.03

Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Gender - General;Age - General;Age - Youngsters;Age - Over 65s;Physical Identity - Physical (and Mental) Impairments;Physical Identity - Physical Features;Ethnicity - Native-American; Ideological and Political Identity - General;Gender - Female age and physical appearance;Gender - Female sexuality;Ethnicity - Black;Nationality - Chinese;Sexual Identity - Male homosexuality;
- The percentage of hate speech related words is 2.4152.
- Considering that the variable **Age - General** has the most occurrences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 81/217 occurrences of hate speech related comments.
