Title: 3 women in male-dominated industries get real about sexism

- Table 1: Summary of the results per comment;
- [Table 2](#): Summary of the results per sociolinguistic variable;

Table 1: Summary of the results per comment

Comment	KeyWords	Sociolinguistic variables (Hiper - Hipo)	Hate Speech Frequency	Hate Speech Fre-quency(%)
Gender is stupid and shouldnt exist. Because it makes the stupid people of the world, act even more stupid.	Gender	Gender - General	1/19	5.263
I think Men should dominate the relationship if you're straight, mostly cause... Women aren't belittled they're just proven to need the man more then the man needs the woman .	Woman	Gender - General	1/29	3.448
3:54 most honest woman wow appreciated	Woman	Gender - General	1/6	16.667
A woman should do it for both reasons, to be it and to prove something to society. Men started this war by belittling women throughout history and calling them stupid. Well, now women do have a need to prove themselves and lift off this stigma of incompetence man put on them.	Woman	Gender - General	1/51	1.961
A D well i mean look at feminists these day they dumb ass hell	Dumb	Physical Identity - Physical (and Mental) Impairments	1/14	7.143

<p>Women have worked in enough ass wiping industries and cleaning jobs. We don't need more women in humiliating fields, we need them in respectable fields. Whether you like it or not women will acquire honor and status for themselves alongside men in the best fields. This is about our dignity as a gender and dignity is not found in low-class labor fields. I am tired of hearing comments like yours, you know just as well as I do that your male ego and pride hates to see a woman in a position of status and power and your comment is intended to keep women down as men have throughout most of human history. I am fully confident that if women filled as many spots as men do in low-status grungy jobs, there will still be sexist discrimination against them for pursuing the more respectable fields. This is because men hate to see intelligent women succeed and gain status in society, men want it all for themselves. Men are good at waste disposal, keep up the good work. Go ahead and die in wars too, you men cause these unnecessary wars so stop calling yourselves our protectors. Men commit most of the crimes too. For every benefit, you men think you offer women, just remember that every man was given his life by a woman and nothing beats that as far as contribution to society. If working in waste disposal buys men the respect in society to uninhibitedly pursue other opportunities that advance his career and status, then why aren't women respected in the same way for giving men their lives?</p>	Gender, Nothing, Woman	Age - Youngsters, Gender - General	4/270	1.481
<p>Moneybag Mar800 Yes, this last unnecessary war y'all went to you invaded the wrong country. Billions spent for nothing, dead men for nothing, and you men took the Islamic disease and spread it into Europe. I'm not going to elevate the man as a protector when you guys cause these disasters. If you don't like dying in wars than take it up with your all male run government. Why should a woman not strive to attain the highest paying careers because men die in wars? How are the two related to each other? Mind you that the country went to war under male leadership and invaded the wrong country under the intelegance advice of male leadership.</p>	Nothing, Woman	Age - Youngsters, Gender - General	3/117	2.564
<p>Moneybag Mar800 You men cause these wars, so you are not fighting them for women, they are men's own battles to fight. Women's tax dollars pays for you going to war. War destroys the fruit of a woman's womb and the sons that she selflessly labored to raise up.</p>	Fruit	Sexual Identity - Male homosexuality	1/49	2.041
<p>Problem is, in the work place studies have shown women are more sexist towards other women then men. Not really surprising that the pilot and scientist don't see sexism.</p>	Sexism	Gender - General	1/29	3.448

Table 2: Summary of the results per sociolinguistic variable

Sociolinguistic variables (Hiper - Hipo)	KeyWords	Number of occurrences	Frequency	Frequency(%)
Gender - General	Gender, Woman, Sexism	9	9/1375	0.65
Physical Identity - Physical (and Mental) Impairments	Dumb	1	1/1375	0.06999999999999999
Age - Youngsters	Nothing	3	3/1375	0.22
Sexual Identity - Male homosexuality	Fruit	1	1/1375	0.06999999999999999

Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Gender - General;Physical Identity - Physical (and Mental) Impairments;Age - Youngsters;Sexual Identity - Male homosexuality;
- The percentage of hate speech related words is 1.0182.
- Considering that the variable **Gender - General** has the most occurrences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 14/38 occurrences of hate speech related comments.
