Anyone ever stop and look at the nature of the suppsed God of Israel? First off its a "He". Doesnt anyone wonder how Jews were ordered by "God" to kill everyone in Joshua and other books of the Old Testament? How can people claim to kill women and children in the name of their "God" back then but now when it happens to them their being persecuted? How come its Gods judgment when Jews killed nations of people but now its antisemitism when the roles are flipped? Anyone care to share an answer?	Old	Age - Over 65s	1/93	1.075
This video is a disingenuous 10 mins of BS. If you support Sarsour who works with Soros you're part of the problem. Only a mentally deranged piece of crap would put the words Soros and philanthropist in a sentence together. He was 7 years old selling his own people out to the Gestapo to send to death camps. Even his home country of Hungary has banned him from coming back. He's the 21st century's greatest villan and there's no ring of hell deep enough for his evil, depraved mind. <p>Can anyone PROVE Ann Coulter’s Statements Wrong Below from book ”Adios America” :”America is not a ’nation of immigrants,’ it is not an ’idea,’ it was never ’diverse,’ and ’diversity’ is a catastrophe.” ”If America were an ’idea,’ every country on earth could be America. Electricity is an idea. The airplane is an idea. Washing with soap is an idea. That’s why other countries have been able to adopt those innovations. No other country on earth has been able to approximate America — except our fellow Anglo-Saxon nations...”(Ann Coulter, Adios America, 2015, page 51) ”America is not a mere landmass — otherwise, the Indians would have written the Declaration of Independence and put a man on the moon. Far from discovering America, Indians didn’t even detect America. There was no America until the British and Dutch arrived. They were not ’immigrants’ because there was no established society for them to move to. Without the white settlers, what is known as ’America’ would still be an unnamed continent full of migratory tribes..”(Ann Coulter, Adios America,2015, p.51) ”Every single president, except Kennedy, was a Protestant. (Recent Democratic presidents were, of course, atheists, but all except JFK professed to be Protestants.” (Ann Coulter, Adios America,2015, p.53)”For one hundred years before the signing of the Declaration, and one hundred years after, America was extraordinarily un-diverse in ethnicity (British, Dutch, West African, and Germanic), in religious practice (overwhelmingly Protestant, 98 percent Christian), in language (English), and in cultural mores.....And the country remained overwhelmingly Anglo-Saxon and Protestant right up until Teddy Kennedy decided to change it.” (Ann Coulter, Adios America,2015, pp.53,54)”Contrary to PC nonsense about America being a ’diverse’ melting pot, America has never been a ’nation of immigrants.’ Most Americans have always been born here. Even as late as 1990 — a quarter century into Teddy Kennedy’s scheme to remake the nation — half of the American population traced its roots to the black and white populace of 1790.(9)” ”Nearly the entire white population of America from 1600 to 1970 came from a geographic area of the world about twice the size of Texas. The entire black population came from an area of West Africa about the size of Florida.” ”Until Teddy Kennedy struck, America was never less than 99 percent white Western European and West African black.(10) That’s ’bi-racial,’ not ’diverse.’” (Ann Coulter, Adios America,2015, p.54)”Two centuries after the first Europeans settled America, the white population was 80 percent British and 98 percent Protestant.(12) A century after that, the populace was still overwhelmingly English-speaking, British, and Protestant, but, for an exciting change, also included Germans and Scandinavians.(13) The colorful immigrants at the turn of the nineteenth century were wildly different from the original settlers in the sense that they were white people from a different part of Western Europe.” (Ann Coulter, Adios America,2015, p.55)”The entire time it was processing immigrants from 1892 until 1954, Ellis Island received only 12 million immigrants.(15)” (Ann Coulter, Adios America, 2015, Page 56) Can Anyone Prove the Above Statements Wrong from a book called: ”Adios America” ?43 ”The alien who is among you shall rise</p>	<p>African, Alien, Black, Elderly, Ethnicity, Fruit, Nation</p>	<p>Age - Over 65s, Ethnicity - Black, Ethnicity - General, Nationality - General, Sexual Identity - Male homosexuality</p>	<p>17/1462</p>	<p>1.163</p>

Jews are not a oppressed minority, this is ridiculous. A minority sure, but billionaires are a minority and most people would have no problem being a Jewish billionaire. This is the type of falsehoods that lead to anti-Semitism. Jews take something abstract and attach themselves to that abstract concept making it feel real. Jewish nationalism is probably the biggest version of white supremacy. It is the Palestinians land, and always will be. P.O.C. stop taking their bait, and us whites need to stop taking their bait when they want to jump in back over and play off their whiteness. It is time to deal with the biggest oppressors on the planet. We do not control the media, Hollywood, music industry, the public school system, medical system, and the political and financial systems of the world. Gentile fronts will no longer work. The Jews are boxed in a corner now that they have no way getting out of. Their only salvation is to make peace with the world. Now I do not want to see Jews getting picked on, or hurt. It is time though they stop destroying mankind.	Nationalism	Nationality - General	1/188	0.532

Actually the intelligent part of the white nationalists have nothing against muslims!They dont want millions of muslim immigrants in their countries which is somewhat understandable if you value your culture. I wouldnt consider myself a white nationalist but i think immigration has to have an end if you want European cultures to survive in Europe and the Americas. I think that it would be just as much of a shameful waste of beautiful culture if white christian immigrants would destroy Iranian, Syrian or whatever culture by mass immigration.Dont get me wrong im not for kicking out other cultures just for putting a stop to immigration and encouragement of native family growth. Poor Anti-Semites. What a pity that so many simpletons equate Antisemitism with racism , which is a big NO-NO these days! Just imagine if it were possible to profess Antisemitism without any guilt. What a bliss, what a joy! Instead, they must cover it with some noble motivation, like being pro-Palestinians. Never mind that Jews of Israel are the only guarantee of the so-called Palestinians nationhood. Because without a doubt the world will forget about Palestinians, and brotherly Arabs will attack them from all sides and will make a bloody mess of them the moment the State of Israel cease to exist. Truly, the world needs another ideological genius on par with immortal Marx who would make it politically feasible to be an open Anti-Semite and not a racist at the same time. <p>Russell James It is targeted at the nation of the Jews called Israel. It is the only democratic polity in a very oppressive and undemocratic geography then targeting Israel</p> <p>By BDS can only be motivated by ANTISEMITISM. This what an American Jew appearing on tv once stated.Israel is the nation of the Jewish pplmost ppl don't not want to discuss HAMAS. Maybe the Palestinians are suffering of Israeli oppression because they support HAMAS. Whereas Israel is a very legitamate nation . Israel is the ancient homeland of the Jews. The land belongs to them as we clearly read in the first testament or the Hebrew bible. I always read responses online by Jews that states that maybe Palestinians have no right to be in the Jewish homeland. Jews have returned from the diaspora, the exile after 2000 years to their ANCESTRAL HOMELAND. It is theirs. What if Palestinians suffer . The land is JEWISH.</p>	Nation	Nationality - General	3/156	1.923
<p>Yes, it inherently is. BDS is an organization that wants to isolate and demonize the only Jewish state in the world on all fronts, and which also applies the modern variant of the "kauft nicht bei juden" strategy. BDS is not concerned about "human rights violations" because if they were, Israel would not be their priority. BDS unilaterally focuses on the only democracy in the Middle East while giving carte blanche to genocidal dictatorships such as Syria, Iran, Iraq, and Saudi Arabia. With this, BDS puts aside the most important principle of human rights violations, namely, deal with the worst first. Israel does not come up with this by any measurement. Indeed, according to the world freedom house, Israel has a democratic system that, based on integrity and functioning, is comparable to that of Belgium and America. Fortunately, there is a term to explain this attitude of BDS, namely anti-Semitism. History shows that new anti-Semites always claim that they are not anti-Semites, but that their hate differs from the old. First, the Jews were attacked on their religion, then culture, then ethnicity and now their state. Dim Jong Un how can a Arab person be anti Semitic. Go back to school goofy and find out the real definition of anti Semitism. Not the Zionist Jew version.	Dim	Physical Identity - Physical (and Mental) Impairments	1/30	3.333
mrmiura story Anti-Semitism operates by discrediting Jews and accusing them of barbaric activities. In the past, this was, among other things, the blood libel, the myth that Jews would bake their sandwiches with the blood of Christian children, and now it is the claim that Israel is allegedly violating human rights. This is because the United Nations has been hijacked by brutal dictatorships that have made it their life's work to demonize and delegitimize Israel its right to exist. The fact that countries such as Iraq, Congo, Afghanistan, Pakistan, and Saudi Arabia are members of the UN Human Rights Council already harms the integrity of these resolutions. Nonetheless, the purpose of these accusations is to be able to characterize Jews as monsters. The consequence of this is that the Jewish people lose their humanity, therefore, offering a justification to antisemites to either eradicate them or, more notable in the present, to argue the annihilate of their only state. Thus, making anti-zionism inherently antisemitic. History shows that new anti-Semites always claim that they are not anti-Semites, but that what they do differs fundamentally from the ideas of their predecessors. First, the Jews were attacked because of their religion, then their culture, then their ethnicity and now their state. Anti-Semitism persists, the facade only changes. I always find an issue when people say "Anti-Semitism, or hatred of Jews".Jews are NOT the only Semitic people out there; they are the minority actually in that family. There are also Syriacs, Assyrians, Chaldeans, and of course Arabs (you know, that group with a population of around 330 million!). Of course, all kinds of racism are abhorrent acts; however, let's not attempt to protect one minority on the expense of marginalizing other minorities and even a majority group of people!Anti-Semitism = Hatred of any group of Semitic people. Antisemitism is horrid, AND Jewish people who are of European descent absolutely must interrogate and check their own collective anti-Blackness and racism . I think the Left has Identity Politics completely wrong. I am not just referring to this video about Jews, but to the entire AJ+ series about various identities or groups of people. Identities are groups and therefore are constructs of what I call Groupism, the ideology that people should be classified into different groups for the purpose of differential treatments, which is basically the definition of CONSERVATISM. This is in contrast to Individualism which is basically LIBERALISM. Think about it, racism is the classification of people into racial identities, sexism is the classification of people into gender identities, and Conservatives are the ones who like to do these things. Identity Politics are NOT about supporting or affirming identities, the EXACT OPPOSITE, they are about REJECTING identities. For example, Feminism is NOT about gender groupings, or about affirming women, or about the distinction of the sexes. Feminism is about gender equality, it is a subset of INDIVIDUALISM, the ideology that people should be judged by their own individual merits and not by their membership to various groups. I think that the Left is being led by poor leadership, by people who just don't understand. Instead of making documentaries about various identities that I would argue promote fundamentalism instead of tolerance, the only identity that is of unifying importance is the identity of INDIVIDUALITY. It is not necessary for outsiders to understand the culture and history of Jews, it is only necessary that they understand that Jews are foremost INDIVIDUALS LIKE EVERYONE ELSE. We need to break fundamentalism, not promote it.	Gender, Racism, Sexism	Ethnicity - General, Gender - General	5/259	1.931

<p>Prophecy 57: America you are as a Trojan Horse, but you shall pay a price for this if you do not repent. Anyone who betrays Israel betrays I, YAHUVEH and betrays MY Son YAHUSHUA. Anyone who is an enemy of Israel has set themselves up to be an enemy of I, YAHUVEH the Creator of Israel, also the Creator of America and I YAHUVEH the Creator of the universe. Any leader that puffs themselves up and makes themselves as a god and says, "I will destroy Israel" shakes his fist in the face of I, YAHUVEH the Creator. America you shall surely pay. America you have already begun to burn, you burn with MY rage, you burn with MY anger. You cry out for mercy on America yet you even want to strike out the NAME of GOD away from the children's memory. I am angry MY Children, for you cry out for mercy on America but the leader of America puffs himself up like a god, he is not a god. I hear the cries of MY People in Israel, yes even those who do not acknowledge MY Son YAHUSHUA but they cry out to ME MY Children, they honour MY Sabbath Days, they keep MY Jewish Feasts and obey MY Torah. Israel carries the blood of YAHUSHUA and Jerusalem carries the blood of YAHUSHUA, though they receive it not. Beware America you are a Trojan Horse. I, YAHUVEH remind you of what happens to a Trojan Horse. I, YAHUVEH and YAHUSHUA now prophesy through MY Handmaiden, I, YAHUVEH will strike down that Trojan Horse and when I strike it down it shall never rise again. I, YAHUVEH and YAHUSHUA will cut off the horses head. I, YAHUVEH and YAHUSHUA will cut off the horse's hooves. You America will not be able to move anymore and the merchants shall cry from afar off, as they will see America burn from afar off. (Rev. 18) You send fear among the world and say, "Stay out of Israel, it is too dangerous to visit" and yet the Palestine enemies who despise MY NAME, to the world you lift them up as heroes and this you loudly proclaim. Oh America, you make this promise to Palestine's, you falsely say, "I, America will give back Israel especially Jerusalem to the enemies of I, YAHUVEH." Palestine's have set themselves up as YAHUVEH and YAHUSHUA's enemies. Palestine's have killed MY Hebrew Children. Palestine's are trying to steal the apple of MY eye. So America, for helping them you have incurred MY wrath and America even your name, I YAHUVEH and YAHUSHUA now despise. I have had mercy thus far, for the cries of MY True Children who cry out. But MY True Children must know this, the longer I have held back MY wrath the angrier I YAHUVEH and YAHUSHUA became and America you will pay for this. So this is a message to MY Beloved Children, anoint your houses once again, cry out for mercy on your own house and I, YAHUVEH will hear you, MY Children, once again. Repent MY Children for your own house for you cannot repent for the sins of America. For the stench of the sins reach Heaven and all of Heaven holds their nose for no nation has done what America has done and yet no nation was blessed like America was blessed. You want to strike out 'One Nation Under GOD' then you will have 'One Nation Under MY Feet.' I YAHUVEH will stomp you, for you just struck out your mercy; you just struck out MY favour.
