<p>For the lady's and gentle men to hear!</p> <p>1 Peter 3 New International Version (NIV) 3 Wives, in the same way submit yourselves to your own husbands so that, if any of them do not believe the word, they may be won over without words by the behavior of their wives, 2 when they see the purity and reverence of your lives. 3 Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewelry or fine clothes. 4 Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight. 5 For this is the way the holy women of the past who put their hope in God used to adorn themselves. They submitted themselves to their own husbands, 6 like Sarah, who obeyed Abraham and called him her lord. You are her daughters if you do what is right and do not give way to fear.</p> <p>7 Husbands, in the same way be considerate as you live with your wives, and treat them with respect as the weaker partner and as heirs with you of the gracious gift of life, so that nothing will hinder your prayers.</p> <p>Suffering for Doing Good 8 Finally, all of you, be like-minded, be sympathetic, love one another, be compassionate and humble. 9 Do not repay evil with evil or insult with insult. On the contrary, repay evil with blessing, because to this you were called so that you may inherit a blessing. 10 For,</p> <p>'Whoever would love life and see good days must keep their tongue from evil and their lips from deceitful speech. 11 They must turn from evil and do good; they must seek peace and pursue it. 12 For the eyes of the Lord are on the righteous and his ears are attentive to their prayer, but the face of the Lord is against those who do evil.'[a]</p> <p>13 Who is going to harm you if you are eager to do good? 14 But even if you should suffer for what is right, you are blessed. 'Do not fear their threats[b]; do not be frightened.'[c] 15 But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect, 16 keeping a clear conscience, so that those who speak maliciously against your good behavior in Christ may be ashamed of their slander. 17 For it is better, if it is God's will, to suffer for doing good than for doing evil. 18 For Christ also suffered once for sins, the righteous for the unrighteous, to bring you to God. He was put to death in the body but made alive in the Spirit. 19 After being made alive,[d] he went and made proclamation to the imprisoned spirits— 20 to those who were disobedient long ago when God waited patiently in the days of Noah while the ark was being built. In it only a few people, eight in all, were saved through water, 21 and this water symbolizes baptism that now saves you also—not the removal of dirt from the body but the pledge of a clear conscience toward God.[e] It saves you by the resurrection of Jesus Christ, 22 who has gone into heaven and is at God's right hand—with angels, authorities and powers in submission to him.</p> <p>Luke 7:36-50</p> <p>Jesus Anointed by a Sinful Woman 36 When one of the Pharisees invited Jesus to have dinner with him, he went to the Pharisee's house and reclined at the table. 37 A woman in that town who lived a sinful life learned that Jesus was eating at the Pharisee's house, so she came there with an alabaster jar of perfume. 38 As she stood behind him at his feet weeping, she began to wet his feet with her tears. Then she wiped them with her hair, kissed them and poured perfume on them.</p> <p>39 When the Pharisee who had invited him saw this, he said to himself, 'If this man</p>	Nothing, Woman	Age - Youngsters, Gender - General	8/1103	0.725

THE KING OF KINGS! THE LORD OF LORDS THE MOST HOLY OF HOLYS AND HUMBLE OF ALL!THE GOD OF THE GODS!THE LION OF JUDAH AND THE LAMB OF GOD WHO TAKES AWAY THE SINS OF THE WORLD!HERE THE TRUTH! §3Isaiah 53 New International Version (NIV)53 Who has believed our message and to whom has the arm of the Lord been revealed?2 He grew up before him like a tender shoot, and like a root out of dry ground.He had no beauty or majesty to attract us to him, nothing in his appearance that we should desire him.3 He was despised and rejected by mankind, a man of suffering, and familiar with pain.Like one from whom people hide their faces he was despised, and we held him in low §3esteem.4 Surely he took up our pain and bore our suffering,yet we considered him punished by God, stricken by him, and afflicted.5 But he was pierced for our transgressions, he was crushed for our iniquities;the punishment that brought us peace was on him, and by his wounds we are healed.§36 We all, like sheep, have gone astray, each of us has turned to our own way;and the Lord has laid on him the iniquity of us all.7 He was oppressed and afflicted, yet he did not open his mouth;he was led like a lamb to the slaughter, and as a sheep before its shearers is silent, so he did not open his mouth.8 By oppression[a] and judgment he was taken away. Yet who of his generation protested?For he was cut off from the land of the living; for the transgression of my people he was punished.[b]9 He was assigned a grave with the wicked, and with the rich in his death,though he had done no violence, §3nor was any deceit in his mouth.10 Yet it was the Lord’s will to crush him and cause him to suffer, and though the Lord makes[c] his life an offering for sin,he will see his offspring and prolong his days, and the will of the Lord will prosper in his hand.11 After he has suffered, §3he will see the light of life[d] and be satisfied[e];by his knowledge[f] my righteous servant will justify many, and he will bear their iniquities.12 Therefore I will give him a portion among the great,[g] and he will divide the spoils with the strong,[h]because he poured out his life unto death, and was numbered with the transgressors.For he bore the sin of many, §3 and made intercession for the transgressors. Hello Aiden, I don't know your age , but judging by your octaves I would estimate preteen. I'll preface this by saying it's none of my business and personally I couldn't care less but all the expletives just doesn't jive with the voice saying them. You're too young to be stooping to the level that's primarily occupied by those with a very limited vocabulary or simply a belligerent personality. Either way I suggest you might rethink that one. I feel like all the brats there would yell at those dumb people and then the people with the goat will yell at all the 4,3,and 5 year olds and tell them to pick up the goat crap and make them milk it. Then the other moms will yell at the goat people for telling their 'little princesses' to pick up the dookie and making them milk the thing.</p> <p>Then they are ALL gonna have a fit and the little girls are gonna have a fit because their moms aren't happy but wait, these children don't really seem to care about their parents but the6 will still have a fit. This reminds me when my sis was in 6th grade and a girl pulled on her hair and then my mom and dad yelled at the other parents for tugging on my sisters hair. This isn't the child's fault, it's their parents' fault. At the first girl, you can tell that she was stressed out because she has been entered in the world of beauty pageant at a young age . Of course she was spoiled and probably forced to do things. If you only watch Toddlers and Tiaras, you can tell that most of their behaviours is a result of how their parents treated them. Also, stop being judgemental.	Age	Age - General	1/75	1.333

Buy the Delta Brat DLC and she becomes a Level 69 Ultra Super Mega Turbo Delta Brat with the ability 'Have Children' allowing her to play summon extra token creatures as copies of herself at Level 1. Oh, but I guess if you're playing Tournament the DLC isn't allowed, so I would recommend a setup of a BratBlade and Pageant Armour with the very rare Timeout Timer, which, if you didn't know, increases the damage depending on the level of Bratness, which, at Level 35 as a Boss Should be capped at 200 with the other equipment I recommended. But if you're playing Legacy, Delta Brat is a must-pick and along the way, you may as well pick up the Ohmygah Mum DLC Pack which allows you to play an Ohmygah Mum at a maximum of level 420, with their main focus being support. Since it's legacy, you may as well pick up a Every Other Person that Exists is Stupid pendant, which can be bought for 500 gold. This combo is broken and I would definitely recommend it.Oh, don't forget the Goat Dad DLC!	Brat	Age - Youngsters	3/186	1.613

Wow, I'm dumbfounded of SOME refractory demeanors of the Westerners. Their children are spoiled brats rooting to nonfeasance of proper parenting. They pervert their rights. I know it's a democratic state but they need to know their limitations too—that's why I supposed "Democracy is another term for war". I loathe these juveniles who already have a brain to understand enough policies. Children here in our homeland are nothing like the Western creatures. Our place is more systematized, God-fearing, and children listen to their parents. It has become a tradition—a part of our culture; to respect elderly; show honesty and humility to everyone. Not only the children, but the parents and the academies should know what is 'Good Manners and Right Conduct'. They should all be shamefaced—the world can see their deeds and it's something to be abashed of.	Nothing	Age - Youngsters	1/138	0.725

We don't call ourselves ugly as well, but I know she's still a kid, she should actually know she has her own beauty and not just to cry directly just because the woman asked her if "She is beautiful".But hey, I do believe she's beautiful, but she shouldn't take it seriously when someone asked them if they're beautiful, doesn't mean that she's already ugly.(Parents these days need to control their children in a nicer and safer way, it can ruin their future if they let their child be them and be abused. I saw this and I feel pissed and mortified for the sake of these kids. I consider this child abuse. Parents making the kids do what they don't want to do, parents yelling, arguing, and cussing in front of the children, and just treating them like nothing other than fashion accessories. As aiden said, this is exactly how not to raise a child 101. These parents are a failure. Kids are young and just want to be kids and they have only one chance to do so in childhood. If you take that away from them in this manner, they will only end up not knowing how to handle situations later in the adult world and fall irreversibly. Children are not make up playthings, and this needs to stop.	Nothing	Age - Youngsters	1/129	0.775

This is why kids grow up to have fucked self-esteem issues, or other mental issues (especially if they dont get "accepted" by these beauty communities) they go on to think the world owes them or just end up junkies or worse because they never had a childhood, never got a chance to grow up and develop like a child should. These shows/pagents I have always thought are borderline promoting pedophilia as well by over sexualizing these kids, its fucking gross..just because you're fucked up doesnt mean you have to try and live through your kids by putting them through fucked up stuff like this. If they are old enough and decide to do this for themselves, its one thing..but pushing a toddler is fucking wrong. Let your kids be kids for fuck sake. This is all because of poor parenting. I don't even think the queen of England was treated like this at that age . I've only seen one guy on and he doesn't loom like he was carrying any common sense. Unless, that was the name of his goat. These little kids have zero experience at being kids and as far as the mother locking her daughter up in a room as punishment. She should of been arrested. Training your kid to be a spoiled brat isn't gonna teach them anything. But point them in the direction of being a gold digger when she gets older and no guy wants that. The mothers aren't mutating these kids in a science lab to be like this. But, this could be the next worst thing. Instead of spending so much time trying to make their daughters into something. Why don't the fat once take their kids out to a park and shed some of the pounds playing with their kids. None of this is this little girls fault you know.People in the comments are saying what a brat she is, yeah, me included, but she did not make herself this way.She has been screwed with to the point where she thinks the way she looks is the most important thing in the world.To the point where she is crushed even at the very thought that someone might not think she is beautiful.She should be playing outside, getting dirty, climbing trees, playing with her pet dog or cat, swimming, skipping rope, or playing with dolls or trucks...Not dressing up like a Las Vegas Hooker .I hope someone comes to her rescue, and takes her somewhere far away from all of this nightmarish nonsense.She runs to "Daddy".Daddy, save your daughter.She needs you.How could you allow "them" to do this to your little girl?It is NO mistake that she ran away from the women, including her own mother, and ran straight to her FATHER.Poor kid.	Brat, Hooker	Age - Youngsters, Gender - Female sexuality	2/173	1.156

How old are you, and WHY are you saying the "F" word?Do you think that makes you sound grown up?It doesn't.It makes you sound an awful lot like the spoiled brat you featured in the video.(Or are you envious of her, and are desperate for the same kind of attention?)When you mature, you will find that language can either help you or hinder you.Trying to impress others who may be more intelligent than you, or who are older and more mature than you, by using curse words, usually backfires.You WILL be judged, by your betters, and even your peers, who have not sunk to your level.Like anything else, anyone can swear.It doesn't make you special.Girls who show off their breasts, or butts, or other parts, have to remember, half the population of the planet also has breasts, butts and "other" parts.It doesn't make them special.It makes them look like sluts.Swearing is what people do when they run out of intelligent things to say.Swearing only makes you look stupid.And smart people already know that. Luuk Leunissen Not all toddlers act like that. She's just extremely spoiled and her mother failed. She is a girl who gets too many privileges for something she doesn't deserve. The world doesn't not revolve around toddlers and the way he children act reflects on their parents. I know for a fact I didn't act like that and none of my younger cousins act like that. She is very sassy and shouldn't be acting like that at such a younger age . Just saying, That was I would do if I was her parent which I'm not but seriously she needs some help. I know if other people where her mother they would not tolerate this whatsoever.	Age	Age - General	1/116	0.862

MagicalMxshroom that's true. Of course very few toddlers act this extremely. But i can guarantee you every toddler acts egocentric some more than others. You could be toddler that doesn't show this behaviour much and every kid is different. I am studying to become a primary school teacher and i have this kid when he gets on the swing he does not want to get off. Which is an example of egocentric behaviour. I also have kids who don't show this behaviour at all but that means they already know this behaviour is not wanted. because kids go through phases in different time periods.Keep in mind the kids in my class are 4-5 years old and a lot of them do not show this behaviour.And egocentric isn't the dame as egoistic but i'm sure you knew that :)	Dame, Old	Age - Over 65s, Gender - General	2/140	1.429

Shame on this parents! What's wrong with this American parents? I'm not including all but mostly they're really the worst parents I've ever seen. That's why most American people suffers from different mental disorders especially when they reach highschool. Here's a tip in disciplining your child 101- Don't be afraid to raise your hand on them. Because you need to establish to your kids that YOU are the parents and that they need to take your authority seriously and that they need to know what's right and wrong. But please do this privately and not in front of everyone.- After disciplining them make sure to talk to them and tell them your sorry and why you need to do it, tell them you love them and explain to them that it's one of your duties as a parent to correct them if their misbehaving, because you just want them what'sbest for them.- Don't be afraid to say NO! Let them know that not everything they want they can have because the real world won't be forgiving especially with a spoiled attitude. Tell them that if they want something they have to earn it in order to have it. Make a bargain to them like " If you were able to be in at least top 10 in your class I'm going to grant your request " and in this way you were already boosting their competitive skill and also their determination. But if they failed your bargain talk to them immediately and tell them that they did their best and that your proud of them but at the same time they need to work more hard or smart in order to get what they want. NEVER give their wants until they've proven them selves because the whole bargain will just be pointless.	Mental	Physical Identity - Physical (and Mental) Impairments	1/305	0.328

<p>Europe too. And it's not like that around me, at all.And... You are so wrong. Go see a specialized psychiatrist-educator who will explain the basics. We do not react to corrections in the same way.That a parent slaps his child destroys a bond of trust.</p> <p>There are other ways of education.As with an animal. I was traumatized because of heavy slaps while I was not capricious, except for one thing. Now, I do not trust anyone now. I never had an affection for my mother because of that. Worse, my empathy for people has dropped so much during this period (my entire childhood adolescence.) And never came back "totally". The psychiatrist I was going to see was angry because he had a lot of consultations for family violence that day. Because YES, it remains a kind of abuse, you do not know how your child can react to that, EVEN if for you it is a normal gesture.Finally, this psychiatrist helped a lot of people at the time, children and parents, as well as my nephew when he was little.He was unbearable, and the problem came from his mother, as she raises him. She was sending bad signals, he was actually lost = serious crisis.Today he is 14 years old, and he is a great teenager. He does a lot of things, and he has an exemplary relationship with his mother.They find compromises when things are not right. Me, it caused a shock, a break, something broke at my very first slap. A lot of things happened in my past. So no, nobody reacts on the same way.</p> <p>And now in the country where I live, it is ABUSE. People are increasingly using educators /specialized psy when they do not know what to do. And it works, according to the cases people I see. (I'm in medicine). And for your part "do not be afraid to say no, if they want something, they win" is blackmail: "If you want that, provided you".</p> <p>The story of the notes I know too well. Have something against a good note .. The worst education possible. Personally that led me to absenteeism in high school. Tired. Tired. With the impression of having aged 40 years.Plus the other problems of a mother who thinks she is the master of the world, working with blackmail, with exacerbated severity.A bit annoying when you see your friends so well with their mothers, proud of never having to do all that. And sorry for my english.</p>	Nobody, Old	Age - Over 65s, Age - Youngsters	2/428	0.467

<p>My mum uses corporal punishment. And i dont hate her for it. Because there is a difference between abuse and discipline.And what also happens after discipline.</p> <p>Discipline shouldnt be the outline of your relationship with parents, if thats the case then that becomes abuse.What you said also makes sense in terms of bargains because my younger sister is ten years younger. There is a literal difference in generation gap in terms of behaviors between her and my elder sister and I. My elder sister and i never had bargains (if we did something wrong we just got hit and learned for good), but my younger sister does (generation gap) and it honestly helps with her behavior and encourages her to know what behavior is good and what is wrong, what is rewarding and what isnt. My sister being the youngest is/was absolutely spoilt, but shes is getting better. And what you said about not giving into their wants, well my mum sometimes do that .She'll be angry for a good reason, but will give into my little sister and make an excuse her for being tired without actually solving the problem , thats were the spoiling comes from.</p>	Elder	Age - Over 65s	2/199	1.005

<p>myriam ldnbrg Did I state something about violating a child? Don't be overly sensitive please! Violent is when you use brutality cruelty/barbaric ways in correcting your child. Slapping the butt, and hands of your child is NOT Violence! It's called disciplining. And may I ask how old are you? Maybe your just newly employed who haven't seen or experienced how brutal the real world is.those slapps in the hands and butts with sticks, belt, or hands is a child's play. And if your overly moral compass can't fathom that well good luck in the real world because your endurance won't be able to take all blows of reality. Especially mentally.</p>	Old	Age - Over 65s	1/110	0.909

<p>I absolutely HATE spoiled children. I took care of some rich woman’s 5 years old daughter. She was wearing a fancy dress and for some reason, she had makeup on. The little bitch talked to me like I was her slave. Im gonna write exactly what she said:The brat: Your clothes are ugly. I dont like your face. Mine is better!Me: Um first of all, you’re not going to to me like that, and Im sorry but those are normal clothes everyone else wears. And what did you just say?! Your face ain’t any better! The brat: Starts crying Yes it is! My face is beautiful and yours is ugly!Me: Ok you little spoiled brat, I am not gonna let you talk to me like that. Your mom might treat you like a princess, but I am not her. To me, you are just another child in the world. You are not better than the others. It’s not because you wear fancy clothes and makeup that you are the most beautiful person in the whole universe! In fact, that makeup actually makes you look like a clown. Get down from your little cloud and open your eyes! Im not gonna treat you any different than I treat the other children because your parents are rich. If you act like a spoiled brat one more time with me, I will call your mother and tell her you are not polite with your babysitter. And trust me, she won’t be happy about it.</p> <p>Am I clear?And then the little brat started crying even more but whatever I didn’t care. She needed to learn her place so I taught her. I have no regrets of what I did, call me cruel to children if you want but I had good reasons to talk to her like that.</p> <p>Children should not be treated like royalty, especially little girls. It gets to their head and they think they are better than others and they can do whatever they want. I was treated normally, my parents didn’t spoil me with tons of dresses and toys. I was happy with the things I had and I didn’t need more than books(I learned to read at a young age since I didn’t have friends before I started school), my family, a little bit of toys and friends. Children dont need more than that. It’s okay to spoil them a little once in a while but not everyday!</p>	Age, Brat, Old	Age - General, Age - Over 65s, Age - Youngsters	5/413	1.211

Ace I don't think it's abuse if it's something if they like doing it. If they are being forced to do an extra curricular activity they clearly don't want to do then it's considered mental abuse. This doesn't just go for pageants. It goes for activity that causes them un do stress. Kids know at a early age what they do a do not like.	Age, Mental	Age - General, Physical Identity - Physical (and Mental) Impairments	2/65	3.077
+Pro God Pro Life Pro GunsYes but you also can't deny that the parents have a HUGE influence on these children. I don't think these children woke up one day at the age of 10 and 12 and thought to themselves "I'm gonna sign up to a beauty pageant!!" Let's keep it real here, the parents pushed them into these contests. These kids wouldn't know they exist otherwise.And you can't really compare extra curricular activities to beauty pageants. Pageants have ZERO developmental benefits, absolutely none. Extra curricular activities on the other hand, do have benefits. Like sports.	Age, Zero	Age - General, Age - Youngsters	2/99	2.02

Words are like guns, neither good nor bad! Besides, where do kids learn to speak? From their parents and other adults. Adults have no right to say certain words, then discipline their kids when they say them! Parents should live whatever example they expect their kids to follow! Double standards are bullshit! It's sort of like hookers wanting to hide their profession from their kids! Why? If there's nothing wrong with it, why hide it from them? Parents don't hide being doctors , lawyers, plumbers, truck drivers, firefighters, policemen, etc. So, why hide being a prostitute? 7:05 I have a little sister just like that and my dad doesn't bother to give discipline to her. It's to the point where a child therapist isn't doing anything, my dad won't do anything about it, and she is almost literally using him as a door mat. Part of it is just being an annoying little kid that we all where, but the other part is screaming at everyone to shut up, throwing fits and breaking things when she can't have something, and my dad looked at me one day and said."If you did this I would beat you senseless. But im old and fat now so all I can say is; Don't be afraid to hand out discipline and hesitate before you decide on kids or let alone whip it out." best advice I have heard. This shit is why we have too much messed up celebrities today, making their fake life's filled with false hope and false love. No wonder famous people go down to taking drugs or hitting lower than a alcoholic. Crazy , if these were good old days then parents would be raising their children up with disciplined love, not let take you to a fashion show and make you a contest model is this real love?!? How did we get this low, was it the 60s that changed the world? Well, time will tell but let focus on keeping wiser and learning from our parents disciplined love that they gave us growing up to now giving this back to our kids. It will pass on as wisest upbringing since known to man. Discipline, discipline and more of it these kids need for a healthy upbringing as parents can stand by and support kids when they play fairies but not somehow become apart of a sensational lunatic catwalk show which these parents have no clue to what mental effects it does to them growing up especially this young. One-day, these parents kids will have lot of issues and it be too late to undo these problems mentally then they wake up and think why did we get them on that model show, why world! These parents will only blame others, never themselves and sadly they will only say to their little kids well we only standed by you choice. Despite their kids are toddler's at that age and shouldn't be in charge of their own mind till their bit older where parents should be guiding them in to the reality of a healthy normal upbringing than leaving them with stupid choices that young, it bloody sick! ALL THE CHILDREN ARE RATHER SPOILED BUT IN NICE WAYS. LIKE THEY ARE TAUGHT THE CENTER OF THE WORLD IS NOT THEM. THEY SHARE. THEY LISTEN OR ELSE GRANDMA ACTUALLY YELLS AT THEM. (THE CAPS ARE FOR MY OLD EYES. I AM NOT YELLING NOW.) OF ALL THE CHILDREN THAT HAVE CAME INTO MY CARE I HAVE SPANKED A CHILD MAYBE FIVE TIMES, AND THOSE WERE EXTREME CASES OF WOULD NOT LISTEN AND THEIR LIVES OR OTHER CHILDREN'S LIVES WERE IN DANGER BECAUSE OF IT. I DON'T BEAT. I DO KNOCK GENTLY BUT FIRMLY ON THE HEAD AND ASK THEM IF THEIR BRAIN NEEDS WORK TO THINK BETTER, WHICH MADES THEM LAUGH AND I GIVE HUGS. LOTS OF HUGS. THESE CHILDREN NEED NEW JOBS AND NEW PARENTS. ANYBODY EVER FIGURE OUT WHY THE GOAT WAS THERE? THIS VIDEO MADE ME LAUGH AND CRY. CRY MORE. UNLESS A MIRACLE COMES ALONG THESE KIDS ARE DOOMED. Did I miss a meeting here? Who is the hypocrite narrating this video and who and where are his parents? They let this child get on YouTube and swear like a truck driver with apparently no supervision of any kind and critique things he knows little or nothing about. Just a tip for you kid, as your parents dont seem to care about what you are doing, stop the foul language. It takes alot away from what you are trying to get across. You obviously have some shred of intelligence and you are almost dead on about this Video. I've worked in the movie and television industry for more than 20 years and I still cringe every time I see some self entitled "Honey BooBoo" look alike and her 400lb mother waddle on stage and start yelling at people like they own the place and the people in it. You could double or even triple your subscriber base just by not swearing. Hearing some 10 year old (im guessing. +ISABELLA OLIVIA majority of us don't care about swearing lol plus this is the dumbest argument on YouTube I've seen so far... You're complaining about the NECESSARY COMMENTARY which has little point towards the actual topic of the video... To put it short, you're fussing over the small things. Just stop ruining the fun, the purpose of commentary is to share thoughts and opinions : swear words are mainly for adult comedy, and I have to say, even kids like it. You're no more than a bacteria cell compared to the person making this video...Also, I apologize if you have some sort of mental illness or disorder, but you shouldn't be dramatic over people on the Internet. Sure they're stern blokes but no need to helplessly announce in a hyperbolic sort of way you're gonna do something not many people would seem to care about...For instance, you said you won't comment ever again, but that's literally the majority of kids in the comments section when they get hit with a weak insult. These kind of child beauty contests and tv shows about it makes me SICK. every reality program is about being beautiful or having "beautiful" people in them. They are children and their parents makes them to believe, there is nothing else in life that being beautiful and they make them believe that they are more special than everyone else in this planet. That is why there are these little snowflakes who cant stand if someone doesnt agree with them. Half of the teenagers are depressed because they dont fit in to that what they see in tv and everywhere else. And these kids get so much pressure from their parents when they push their kids to go trough these contests and everything what belongs to it. Why children cant be children anymore. And by the way, that mom who took his kid in time out, havent ever done that before. She was just acting to the camera that she is a good mother who has rules. If you use time out in your family when it is needed, You dont say to your child that "im sorry" if that child is going to have time out for a reason. Look these kids??! Face full of make up. What next? Breast implants to five year olds, who goes to these shitty contests. Why their parents dont teach them important stuff with that same passion they teach their kids to flirt with judges who decide who is gonna win. TidalWave254 • Yeah but his content is boring and outdated and he's unfunny as hell, these videos seem like they were made when the leafy craze was going on and everyone was trying to emulate him. For gods sake, his only editing is a zoom in for every talking point and a jpg. once in a while, it just screams laziness and tryhard. His jokes consist of "let me say a series of uncreative and childish insults with no effort put into the delivery while staying in the same tone of voice, oh, and ima use the word fuck a lot because thats funny too". He should take a few pointers from YouTubers like Kilian Experience or Yahtzee Crossshaw from Zero Punctuation when it comes to editing and jokes.	Zero	Age - Youngsters	1/129	0.775

Could not watch the whole vid. But it is awesome, I laughed a lot.My hart just can't bear to see parents treating their kids like an object to be presented to a public.And it does not seem that all of them kids are doing this willingly, making it even stranger.The swearing and fights between parents, is there any security or people looking after the way these kids are being treated??It seems there is almost no regulation regarding this weird thiara shows.It could be fun for the kids but sincerely regulate these shows and have security make sure parents behave and treat their children rightfully. "three-nager"? Holy hell, she assumes a three year old knows enough to want to be involved with any of this. And she leaves the child alone in a strange location while she, the mother, walks away. This women places a 3 ear old little girl in punishment cause she's not fulfilling her failed dream cause she see a mom with her daughters that are successful...so you mean to tell me you'll mentally brutalize, neglect isolate your TODDLER for YOUR FAILED LIFE EVENTS? One must remember.....THEY ARE LITTLE CHILDREN! Not everyone's child is the same! I wonder if the producers are okay with knowing that a young child in how business really doesn't understand the consequences that they may face like mental struggles with dealing with adults arguing, cussing, and down talking one another in front of these kids.... Jesus Christ said:What you see right now on the world stage is a Grand Illusion. They are making men believe in the false paradigm of 'good guys' versus 'bad guys' in this world, but I tell you, all are on the side of the enemy. They have set up 2 to be their 'Fall Guys' and they hide the evil they have planned behind them. They are the 'Puppet Masters' who pull his strings and create the back and forth verbal battles, violence, murder, chaos, and confusion. They are also the ones who control Donald Trump, Vladimir Putin, Xi Jinping, and Kim Jong Un, as well as every other leader of every other nation in this world. These leaders do not realize that the darkness is so deep and though they think they do good, they are deep in the darkness. Yet the darkness of those behind the scenes is so much deeper and darker. Their leader, who is Satan, will unite people of every tribe, tongue, and nation against Me to try to overthrow Me, but he will not succeed, for I have won the victory. Freeman and slave, patrician and plebeian, lord and serf, guild-master(3) and journeyman, in a word, oppressor and oppressed, stood in constant opposition to one another, carried on an uninterrupted, now hidden, now open fight, a fight that each time ended, either in a revolutionary reconstitution of society at large, or in the common ruin of the contending classes.In the earlier epochs of history, we find almost everywhere a complicated arrangement of society into various orders, a manifold gradation of social rank. In ancient Rome we have patricians, knights, plebeians, slaves; in the Middle Ages, feudal lords, vassals, guild-masters, journeymen, apprentices, serfs; in almost all of these classes, again, subordinate gradations.The modern bourgeois society that has sprouted from the ruins of feudal society has not done away with class antagonisms. It has but established new classes, new conditions of oppression, new forms of struggle in place of the old ones.	Common, Old	Age - Over 65s, Social Class - Working class	2/151	1.325

What a bunch of sick fat bitch mothers trying to live by forcing their daughters into this psychological cruel world of beauty pageants! These little girls will grow up mentally unstable and very likely sexually abused! I offer case in point Jon Henry Ramsey!Thus should be against the law!it only encourages pedafiles - to dress your little girl up like a 35 year old . Taking away their child hood forcing so much stress on them.Shame on the parents!Ever noticed how they are all over weight! Like big gulp and burgers are their favorite thing?Disgusting!!!	Fat, Old	Age - Over 65s, Physical Identity - Physical Features	2/98	2.041

I'm not sure how old this video is but I always feel severely bad for these children. It's fine if they want to dress up and look pretty and compete in these pageants, but what bothers me is how serious the mothers take it. These are your children. Not cattle you can show off. If the kids want to do this, you should support them and treat them like human beings. I've heard of people putting fake teeth and injections in their kids. I think even a wig is a little too far. Don't force them into stuff they don't want to do to the point they're screaming and running away from the cameras. They're kids. They want to play, they want their parent's love. It saddens me. The mom who said "is there a clock around here? Can somebody tell me in 3 minutes that I have to let my daughter out". That is just not how to raise a child. That woman needs to be more nice to her child. Sure the child was throwing a fit and the child was sent in a room empty but herself and a camera guy/gal. You don't know what is going to happen to that little girl alone with an adult person in one room. And you can see the little girl was trying to open the door with her fingers. That is messed up. SheshKapush I never thought about it like that. I totally agree with you, but social media already brainwashed outsiders of the US. Not to mention all the movies that depict the US as a violent country have misrepresented the idea of how progressive and astounding the nation is. This all leads to negative thoughts which establish war and hatred. This is what makes people enemies. How do suppose we stop this? Well, all 7 billion people or so on earth should work toward the gradual change in hope and possibility. Literally, everyone in the world has a chance to do good and what's for the best, it's not that hard. I just wish everyone would be nice and not make the world any worse. It's bad as it is. Is this show cancelled yet?Two shows I liked on TLC were "My Strange Addiction" and "Hording: Buried live" (but honestly I liked 'Horders' on A&E better) TLC has shows that I didn't get what they were trying to say. Was there a moral to this show? What else would have been the reason for it? Shows like this and '16 and pregnant' make me hope they are trying to say to people "this how you DON'T take care of kids"Anyway, idk how old you are but you make some pretty well made videos. Young man, you don't need to use coarse language to have a video with good content. This isn't America, in this show. It's a small group of individuals who have no self esteem, so they fake it by being rude to one another. Talking the way you are makes you no better than they are. You need to act and speak better than the ones you're portraying. How else are we to tell you apart from one another?	Coarse	Social Class - Working class	1/78	1.282
Who the hell cares how fucking old he is, it doesn't matter. Just because someone says "bad words" when they're "at a young age " doesn't mean it's automatically their fault for being raised that way, if you're parents say you can swear and you're like under 10 years old or something then that doesn't mean they're bad. Amazing that it took a Young Person to draw attention to the horrors that these Parents are. The pressure that these Young toddlers are put through. They'll all have eating disorders by the time They're 11. To sexualize & dress a Young Child, a toddler like a Barbie doll sex object & parade them on International TV! A sickening sight! Every Girl that doesn't win will feel ugly because They've been pushed so hard by Their passive aggressive control freak Mothers & exposed to the media in this way. McKenzie's Mother says it all "I don't like to push Her because if I do I believe She won't do it at-all - for ME!" These are Mothers who didn't make the grade so They pushed it onto Their Daughters. Mothers living vicariously through Their far too Young Daughters. These Children are not easy to like but You can see the pressure They've been put under & the crap They've been told. Wipe off the make up & send em to School.	Freak, Sex	Gender - General, Physical Identity - Physical (and Mental) Impairments	2/171	1.17

I have to agree with you. I am a girl and had I ever acted like these children I would not have gotten a time out I wouldn't have been able to sit down. Also when you put your child in time out there are two things you do not do you don't "Say i am sorry but yur going in time out." That is telling the child that she isn't in trouble when she is. What you do say is "Your in time out because you were not doing as you were asked." and then you place them in time out and time doesn't start until they calm down. When they stop crying and trying to get to you that is when time starts if you start it the moment you place them in then they don't have that time to have their tiny meltdown and come down from it. Time always starts when they have calmed down slightly. They can still cry but they have to stay where you put them. They can not however be in melt down mode. So happy I was what was called a terrific two and an even better 3 according to my mom. She said i never threw tantrums. She says the only time i really cried was when I wanted to be picked up but i never got o melt down point. Not because they picked me up they made it clear they would but had to get to them in the right way like if could walk I had to walk to them. The other thing I want to touch on is WHY ARE THESE GROWN WOMEN ACTING LIKE CHILDREN?!? First off you do not call other kids bad names in front of your child. Secondly on the mother with the goat or lamb or whatever is was, She took all that time to make her kid look pretty and she wanted her to pick up poop? Um No. I don't care if you do live on farm are you saying that she runs around a farm in her pageant dresses? Probably not. It takes two second to grab a Kleenex and bed over to pick up poop you don't make your 3 year old who you spent probably hours on to pick up poop. I mean you made the decision to bring the sheep you pick it up. I would have been mortified if my mother ever acted like this luckily as far as i know she neveer has.	Old	Age - Over 65s	1/420	0.238

Well, I agree, before you're probably never going to be able to swear infront of your parents no matter how old you are, yet he is swearing for the world to see. But it doesn't really matter how old he is, it's up to his parents, as he is still young. If his parents are okay with him swearing, so be it. And if you don't like that he swears no one is forcing you to watch him. My family doesn't mind if I curse, but I still don't do it because I have a thing against cursing, but like I said, as long as his parents allow it, he can say whatever he wants.As Miley Cyrus says 'it's my mouth I can so what I want to' I'm sorry, I couldn't help it	Old	Age - Over 65s	2/135	1.481

And this is why children should be raised as just that. CHILDREN.Also, maybe calm it down a bit with the weight shaming and cursing? You're obviously only 13 or around there, and I wouldn't have been caught DEAD talking like that in front of ANYONE at that age , and even now I don't. Maybe if I'm really angry I might say I'm Pissed, but thats about the worst word that comes out of my mouth at any given time. But that's just how I was raised. Some people might not care. And about the weight shaming, why? I hope you only said that for comedic effect and that you dont actually talk or act this way in real life. Being chubby or even fat may be unappealing to most people, but you don't realise how truly difficult it is to have an eating disorder or to even just be overweight for no reason or because of being unactive for a long time. It's not like people want to be overweight. And a lot of overweight people are extremely self-conscious, and the insults don't help either. Plus, that kid wasn't even fat . If you call that fat I'm afraid of what you call skinny .Welp, this has been another long winded comment no one will ever read or care about if they do. Plus, I'd be willing to bet money most of this dude's viewerbase is under the age of 13, so anyone who does read this probably won't glean anything from it, and might even start an extremely dumb argument I shall be no part of. Unless I REALLY need to say something. And I'm not assuming the age of this guy's viewers because of what I assume to be his age , but because of the content. Kids are all over "Reaction" and "Roasting" channels, (Which I really don't understand. The channels themselves AND why kids love them so.) and the fact that over 70 of youtube accounts are children under 13. That too. And alas, this long comment was made even longer That one dude that leaves really long comments no one reads. Please tell me this is all fake and that the entire show is scripted. Please. Oh wait, of course it's reality. I see that kind of behavior from kids and parents alike at the fucking grocery store. It's pathetic. I really seriously wish sometimes that I could spank other people's children when they deserve it. Today's super-progressive parents are terrified to discipline their child because "OMG it's child abuse! How dare you hurt my precious, darling, tantrum-throwing, screaming, perfect little gift from God?"You wanna know what TLC stands for? The "Learning" Channel. Yeah. Back in the 70s when they were actually relevant, they played educational TV shows. Now we're all praising children for throwing temper tantrums, teaching kids it's ok to be disrespectful to everyone, making fun of fat people, and condemning furries to hell for no other reason than because that's what we're told to do. Good job, The "Learning" Channel. You did it. You made yourselves a shining example of what American society is like. People are saying,”Why does he swear?” I think it’s common for this kind of content, but he’s 12. People have free will so he could basically do anything, but it’s not okay for most people. For those fanboys (begone, sjw) being salty to comments that doesn’t like what this kid is doing, just double check at what you’re saying. I’ve seen a lot of stupid replies.	Common	Social Class - Working class	1/66	1.515
I’m not going to lie, when I first heard the commentator speak, I thought it was gonna be kinda bad. Bad video, bad mic quality, bad commentary, everything. But, I gave the video a chance, and I am pleased to say that this guy who is commentating is a really chill guy. Kid, if you see this, props to you. You manage to be your age , present yourself in a mature way, have the decency to make good quality videos instead of most kids who just grab their Xbox or Playstation headset, and use their moms laptop with bandicam on things like Minecraft. Again, major props to you man.	Age	Age - General	1/109	0.917

Ey yo, if the parents of this little brat are reading this, you fucking failed at raising your kid. Scum like you shouldn't have kids. This is why America sucks now, because people like you do nothing but sugarcoat the world for your kids. I one time said I was great, and ended up with a blistered ass. This world is not sunshine and rainbows, and this little bitch needs to learn that not everything goes her way! We should reinstate the law where you can beat your child! It would show them that there are people out there bigger and badder than them! I witnessed my ten year old cousins friend cuss out his principal, and then ask to fight him! Beat your child! America should be free again! But no, America has become a rotting dump that I want to escape from. I guess you could say America is my personal Hell. To be honest, I really hope this little ugly brat dies. Nobody would cry. Nobody would care. America will probably stay like this, won't it? As I said, this 'Land of the Free' has changed. I was born and raised in America by my Veteran father, who defended this god awful country, just for it to be plagued by... This. This country has changed from my home, to my own rotting hellhole.
