You are segregating..... using the word white people is racism in itself.	Racism	Ethnicity - General	1/12	8.333
He’s talking about racism and then he says imagine explaining the gym to an African kid. Africa has 54 countries including the Islands. He desperately needed a laugh and then used the ignorance of the people to get it. The title is befitting ” Racism did make him funny ”. Racism is fun when you're around with the white people. :p	Racism	Ethnicity - General	1/11	9.091
Talks like these which are plenty is driving racism .	Racism	Ethnicity - General	1/9	11.111
I think he got conflicted here because, under apartheid South Africa, Indians were higher than black people. He believed he was not black but brown with a South African mindset. When he got to New Zealand he got told he was black and to adjust to being black is very difficult especially when you grew up Indian . Trevor Noah hit the ground running cos he accepted his black side.	African, Black, Indian	Ethnicity - Black, Ethnicity - Native-American	7/69	10.145
Why are u whites complain of he is being racist wen Muslims have to deal with racism every day wen ur complaining of one vid	Racist	Ethnicity - General	1/25	4.0
YEA! it is totally funny when it is against white people, huh?! Same for every other color. don't be racist and say i couldn't go up to an indian and say "you indian people are taking our jobs" and not end up on the news	Indian, Racist	Ethnicity - General, Ethnicity - Native-American	3/45	6.667
white people should stop listening and supporting this shit. The fact is every nation wants to wipe white people off. The guy is just slamming white people. I can believe people are laughing to this. white people have to be more proud of them self. World won't survive without white people.	Nation	Nationality - General	1/51	1.961
ojke ojke Hmmmmmm... No one wants to wipe white people off the Earth the way they want to wipe Blacks, Hispanics, Asians, and others off. He's not slamming them either, just joking around and making a point about racism . White people are already proud enough, proud to the point that they think they rule with an iron fist over everyone else. I think we really could survive without white people; It's less McDonald's-filled weight off of our shoulders, to be perfectly honest with you.	Racism	Ethnicity - General	1/84	1.19
Idiot. Govender. Tamilian brown skin! you are not black as blacks are!	Black	Ethnicity - Black	1/12	8.333
being supportive = racist . Bye-Bye.	Racist	Ethnicity - General	1/5	20.0

people do not understand what racism is. even though some black people themselves say that race matter, the minute you point out a difference in their race , they call you racist . pointing out that Africans are good at sports is not racist . how distorted one has to be to take a compliment as an insult. Racism is to think that your race is better (not different) than other races, therefore minimizing the value of the other human. Yet Muslims think they are better than the rest of humanity based on their faith and how you call that? they are never accused of it, yet they go around playing victim.	Black, Race, Racism, Racist	Ethnicity - Black, Ethnicity - General	8/109	7.339
"Muslim" isn't a race dude. He's not even from a Muslim country even if he is a Muslim. He's Indian .	Indian, Race	Ethnicity - General, Ethnicity - Native- American	2/20	10.0
no no i know, it was just an example of real prejudice yet not acknowledged by society for what is on the contrary there is an exaggeration with relation to black and white.	Black	Ethnicity - Black	1/33	3.03
indian? you look black . you could totally pass for black .	Black, Indian	Ethnicity - Black, Ethnicity - Native- American	3/10	30.0
So what, there are some pigmies in Africa look white with African features.	African	Ethnicity - Black	1/13	7.692

GSH RDY look white but have african features, your sentence doesn't make sense	African	Ethnicity - Black	1/13	7.692
High time Indian stand ups stop doing racism-they-faced jokes now. Russel peters did that a light year back and it was good then	Indian	Ethnicity - Native- American	1/23	4.348

He's so racist against white people. Imagine if a white man stood up and said similar things about black people. Just imagine...	Black, Racist	Ethnicity - Black, Ethnicity - General	2/22	9.091
Brittany Renick he is not racist about whites but he was making a mockery of India his own country and the accent as well which South Indian uses frequently	Indian, Racist	Ethnicity - General, Ethnicity - Native-American	2/29	6.897
Brittany Renick this dude is indian	Indian	Ethnicity - Native-American	1/6	16.667
Samuel115sHe is Indian indeed and he is also black . He refers to himself as a black Indian . For the record, I am by no means racist . I believe we are all equal in the eyes of God and I believe in one race that descended from Adam and Eve. However, videos like this rub me wrong as blacks often gang up on innocent whites for absolutely no reason. I believe while yes there are racist whites out there, there are also many racist blacks. I never owned a slave. I would never ever own a slave or look down on another person because of the color of their skin yet I have encountered many situations in life where a black person has been extremely harsh to me because I am white. White have been pansies lately if I am honest and act too scared to stand up for themselves in fear of being called racist . But I prefer to enlighten others on a better way. God's way. I do not want a black to ever ever feel looked down upon by a white and vice versa. I do not think there should be rules that there has to be a certain amount of blacks in a movie in order for the producer to not get sued for racism when blacks have entire channels dedicated to their color such as BET. I want equality all the way around. Equality for blacks, whites, Hispanics, Asians, etc.	Black, Indian, Race, Racism, Racist	Ethnicity - Black, Ethnicity - General, Ethnicity - Native-American	12/245	4.898

Brittany Renick originally there would have been no such thing as ” racist blacks” here in the west. Black people started getting racist after all the racism and and rejection they faced from white people. Black racism is more anger, jealousy, frustration, bitterness or retaliation as apposed to we’re better than your kind and I don’t like you cuz your different. Racism is bad no matter what however I have noticed that the motives for white racism vs black racism are very different. Here in the west, White racism usually comes from a place of ignorance or a one off bad experience. black racism cannot be based on ignorance cuz were encounter white people all day everyday so ignorance is impossible for us.	Black, Racism, Racist	Ethnicity - Black, Ethnicity - General	13/122	10.656
All racism is ignorance no matter the reason. I feel that the majority of whites are not racist and that while there are some that are it’s driven by the fact that blacks seem to hate us for that which we did not do but that our ancestors did. It’s an endless cycle that needs to be broken and I do not believe videos like this one encourage equality. It fuels the hate of both parties.	Racism, Racist	Ethnicity - General	2/76	2.632
I know what kind of message he wanted to share but it seems like he was a bit overly racist towards white peeps.	Racist	Ethnicity - General	1/23	4.348
Samuel Ngabo to be honest the sooner we stop talking about racism the better it’s so hard to get a balance and I think he was too far the opposite way but who am I to judge	Racism	Ethnicity - General	1/37	2.703
Andy Chipling i think thats ignorant, just because you do not speak about it doesn’t mean its not real. yes there are laws for rights. but they are laws. to but racist it j6st ignorant. judgment based on the color of skin is ignorant. meaning its ok to see color but not judge based on that. I am not saying kiss anyone’s butt because they have a different skin tone.what i am saying people should stop assuming. if the world wants to change how some think, it’s up to parents of all backgrounds to teach their kids, growing up i never once heard my parents make any sort of racial joke or speak badly useing racist words about any person. so its not about, not talking about it, its talking is worn out, now its about teaching kids the same i learned. teach them that regardless of color, everyone is human, until that human shows they are not trustworthy never pass judgment, and if or when any person shows they are not trustworthy, do not use that to label everyone. the racist issue in the USA is because of ignorance, on both sides, some humans are good, some are bad, That’s what happens. but to not speak about it helps nothing , infact it hurts everyone like a butterfly effect. just like people useing violent protesting to get a point across.	Nothing, Racist	Age - Youngsters, Ethnicity - General	4/230	1.739
Regarding the title, finally proof that racism doesn’t exist. Thank you.	Racism	Ethnicity - General	1/11	9.091

Racism drove me to become a Bushido Ninja. Everywhere I went, people would call me "WEEABOO!" and "OTAKU!" and "NEET!"... They would laugh at my manga. They would mock me for my Anime collection. One time, my high school science teacher sent me to the principal's office because I was eating pocky in class.I have dealt with nothing but racism my entire life... Now that I am a Kendo champion in training? They will know true honor as I uphold the Bushido Code!< > I am a 16 year old Japanese Bushido Ninja woman trapped in the body of a 36 year old white American male, and I will never allow the hateful bigots to get me down!Chiyaku Saki!
