Why me is the wrong question. <b>Crazy</b> will <b>crazy</b> . No rhyme or reason. That almost happened to me. Some homeless guy out of nowhere got in my face calling me all types of things and threatening me. I thought he was gonna swing, but he just kicked these scooters towards me and left. No idea why he picked me among a crowd, and I am not an <b>old woman</b> . That was an eye opener for me. I now watch my surroundings. I am glad the lady is ok. Stay alert and safe. He just walks off calmly as if <b>nothing</b> happened. Kaiden Filmore 3rd You still do majority of the crimes. You kill each other for <b>nothing</b> especially if you wear the wrong color on the wrong side of town this happens every dam day lmao.	Nothing	Age - Youngsters	1/35	2.857

BoomMoob They will not look for a reason. They have stumbled across statistics that they don't understand and made it fit their narrative. It is the fuel for their reality. They would have to care about your opinion to even hear you. It's called closed minded and willfully <b>blind</b> for a reason.	Blind	Physical Identity - Physical (and Mental) Impairments	1/52	1.923
Kaiden Filmore 3rd Actually you do. More <b>black</b> kids bring guns to school than white kids... it's called gang violence. 60 of mass shootings are gang related	Black	Ethnicity - Black	1/27	3.704

Wow <b>racist</b> go jump in the burning pit we call hell	Racist	Ethnicity - General	1/11	9.091
I disagree. this comes from deep rooted hate,which was self hate then grew onto the public. This hate runs deep in the <b>black</b> community and it's what fills our prison system,makes us pay for failed social welfare programs. My guess is 10- 15 of the <b>black</b> population suffers from this and no one calls them out on it including the media. It's just accepted as a part of normal society.	Black	Ethnicity - Black	2/70	2.857
How does <b>nobody</b> do a goddamn thing? What a bunch of pussies! And no arrests have been made yet? How is that possible? I would have caved this clowns head in right there.	Nobody	Age - Youngsters	1/33	3.03

Kat 88 you're right! He had no right to punch her and it was an extreme display of cowardice. My argument was that blacks aren't the only <b>race</b> that display these actions.	Race	Ethnicity - General	1/32	3.125
lequinton davis It's always blacks on video doing this type of thing. <b>Black</b> guy kicked 72yr <b>old</b> Arnold in the back last week. Funny how these acts aren't seen as hate crimes when the only reason these people are being attacked is because they're white.	Black, Old	Age - Over 65s, Ethnicity - Black	2/45	4.444

Captain Caveman every <b>race</b> are predominatly killed by the member of the same <b>race</b> . Its not just a <b>black</b> people problem but thats not the point. The point is how about you stop being a <b>racist</b> piece of shit and generalizing all blacks same as how noone generalizes all whites for public shootings or dropping like flies due to suicide, drug addiction etc	Black, Race, Racist	Ethnicity - Black, Ethnicity - General	4/63	6.349
Musty Savage I'm just telling the truth. If that makes me a <b>racist</b> so be it. Every place on earth that has a majority <b>black</b> population is a shithole. I'm not saying all blacks are bad people but the overwhelming majority are violent as fuck and everyone knows it.	Black, Racist	Ethnicity - Black, Ethnicity - General	2/49	4.082
mark price not what im doing at all and i included more than just school shootings like concert, public places etc hell some of the most deadliest shootings in history were done by white men. But thats not the point youre missing which is why youre getting so defensive. What im saying is yes does the <b>black</b> community have problems, of course it does but so do whites and other ethnicities. Hell whites are dropping like flies due to suicide and opiod addictions, but are they ever labeled as crackheads and depressed people. No of course not as they shouldnt. So then stop blanketing all blacks (like the original poster) as violent. But i agree <b>black</b> people should stop being brainwashed into thinking they have to be democrats	Black	Ethnicity - Black	2/128	1.562
mark price and when did i ever defend the guy in the video? Dont put words in my mouth. What he did was fucked up. All im saying is dont associate that with all blacks but you have an irrational <b>racist</b> fear of <b>black</b> people so you cant see the point im trying to make so you deflect.	Black, Racist	Ethnicity - Black, Ethnicity - General	2/58	3.448

Musty Savage If a white man just shot up a place,I'm sure we'll hear about it round the clock. But we won't if it's a <b>black</b> man. Just like this story here where a <b>black</b> man punches a white <b>woman</b> = it got local coverage but <b>zero</b> nationwide. Compare that coverage to the <b>black</b> girl who was trying to sell bottle water on the sidewalk and a white <b>woman</b> complained. That story was on every major news outlet for weeks.	Black, Woman, Zero	Age - Youngsters, Ethnicity - Black, Gender - General	5/79	6.329
Musty Savage I'm watching the news and <b>nothing</b> about a"white man shooting up a place". But the top two stories on local news: 3 <b>black</b> men (on camera) bust down the wrong door looking for drugs/money,pistol whip the mother.....second story leading off: <b>Woman</b> sitting in a restaurant taking on cell phone when two men walk up behind her and snatch phone. You see,these two type stories are the same stories we see every single day in every city across the country and that is <b>black</b> men robbing,jacking,shooting,same <b>old</b> crap....but hey,you got those two school shootings to give you cover and equal things out in your head.	Black, Nothing, Old, Woman	Age - Over 65s, Age - Youngsters, Ethnicity - Black, Gender - General	5/106	4.717
Musty Savage Just had another update....this makes 4 or 5 videos just today of blacks robbing/shooting folks. Latest one shows 3 <b>black</b> guys entering a cell phone store to rob it and along the way they just knock over a white lady customer just standing at the counter.Tomorrow I will just update you after they all get finished instead of 1 at a time.	Black	Ethnicity - Black	1/64	1.562
David i got your <b>faggot</b> right here, <b>faggot</b> !	Faggot	Sexual Identity - Male homosexuality	2/8	25.0
lurocp8 im literally agreeing that the <b>black</b> community has a huge problem with drugs, crime and violence. So what are you trying to prove? My original point to the original poster was not to paint all <b>black</b> people with a broad brush that were all violent and you guys came out of the woodworks all offended	Black	Ethnicity - Black	2/56	3.571
lurocp8 lmao and then keep posting ans replying "updates" of blacks committing crimes like i cant go do the same thing with whites. But i wont cause im not foolish enough to blame all white people. Fact remains its ignorant to take low income impoversihed communities and then go oh look how all <b>black</b> people act. And if thats your standpoint then youre a <b>racist</b> plain and simple	Black, Racist	Ethnicity - Black, Ethnicity - General	2/68	2.941

BGB "Those Cave Men evolved a lot and went to the Moon with just paper calculations.". The Calculations Developed To Send The So Called Evolved Cave Man To The Moon? Was Calculated And Developed By <b>African</b> American. IE <b>AFRICAN</b> DESCENDANTS OF SLAVES.. They Made A Movie About It. Where Have You Been?.. Secondly? The Chinese Are DIRECT DESCENDANTS OF/FROM AFRICA. So Them Returning To Africa To "Find A Wife"?Will Only Be Africans Returning To Africa To "Find A Wife".. And? We Have A LOT OF CATCHING UP To Do.. Also Well Known Scientific Information.. And? As Far As WAR Is Concerned? WAR IS NOT A Sign Of A More Evolved Brain. In Fact? It's A CLEAR SIGN OF A LESS EVOLVED BRAIN.. The Evolved Brain Finds No Need To WAR. The Evolved Brain Finds That Logic And Reason IS FAR MORE PRODUCTIVE AND FORWARD MOVING Than War..Making Your Entire Post? Nonsense.. The Next Time Before You Post On Such Issues? Read A Book.. Jus Sayin..Yep...	African	Ethnicity - Black	2/168	1.19
Captain Caveman "The White Man" Didn't Set The Slaves Free.. It Was A Culmination Of Peoples.. Besides The Fact That It Was Going To Happen Anyway.. America Was Just 49 Years Away From WWI. The South Was Holding The Rest Of The Nations Back From Industrialization.. Europe Was Running Loops Around The United States As Far As Industrialization Was Concerned.. Especially Germany.. And? Hell Bent On Taking Over The World..If The United State Had Still Been A <b>Nation</b> Of Slaves? They Would Have Lost To Europe In WWI.. And? The Slave Population Would Have More Than Likely Sided With The Europeans.. So? America Had No Other Choice.. The United States Has NEVER WON ONE SINGLE WAR WITHOUT THE DESCENDANTS OF AFRICANS OR <b>AFRICAN</b> SLAVES.. Not One.. But Come WORLD WAR III? You'll Have Hell To Pay For All That You've Done..In Masses? The <b>African</b> Descendants Of Slaves? Are Staying Out Of It.. You "people" Are Going To Have To Prove Your "Superiority" To The World AND The <b>African</b> Descendants Of Slaves In America.. Because In WORLD WAR III? My People Are Going To Be On The Right Side Against The True Enemies To/Of Humanity.. And? Guess Who Those True Enemies Are.. So, You'll Get Your " <b>Race</b> War".. However? It Wont Be On Your "peoples" Terms..The Nightmare Is Almost Over For My People... Yep...	African, Nation, Race	Ethnicity - Black, Ethnicity - General, Nationality - General	5/225	2.222
