Anti-Semitism is a function of projection, scapegoating, and ideological competition. Using Hitler’s anti-Semitism as an example, Hitler knew he wanted to conquer the East, and that this would require genocide and <b>ethnic</b> cleansing. Jewish ideas of God, life, compassion, and limited power were mortal threats to <b>Nazi</b> ideology and ambition; hence, the ideological competition. The the projection: Hitler blamed the Jews for doing everything that he himself was either planning to do, or was doing himself, such as launching Europe into war. Similarly with scapegoating. Anti-Semitism is deeper than Jewish success, for there are many successful groups in the world; anti-Semitism is ultimately about Jewish ideas that demand limits on power in the interest of improving upon human nature. And to those who suggest that the Jews must have done something wrong to deserve persecution, this is quintessential blaming the victim as justification for suffering. Just because an individual suffers doesn’t mean the individual is blameworthy: Is a <b>woman</b> blameworthy because she is raped on the way home from work? Was that her fault? For serious insight into this issue, read the Book of Job, unless, of course, your <b>blind</b> anti-Semitism precludes you from doing so since it is, after all, a Jewish book! Only Arab Jew are Simitic. They originated in Central Asia with little mixture with Mongol and adopted Jewish faith around time of the Crusade to avoid attack. People there call them (Goth) Gog and the Chinese call their neighbor Magog (Mongol). These two group somewhat mix with each other and migrated to Europe. European Jew have Caucasian eye with Asian epicanthic fold and slim body. Epicanthic fold is biological human dominant trait. The REAL problem is spiritual. <b>Nobody</b> can give a good explanation for hatred of the Jews. I have one, and it's the truth whether people want to accept it or not. Genocide of the Jews is Satan's agenda. If he can kill all the Jews, he basically wins, because he can prevent Bible Prophecy from being fulfilled in the end days. He tried with Hitler and failed. In the end, God always wins. I'm sure this will cause some pretty stupid responses from a few Anti-Semitic losers. Just know you are Satan's seed and should turn to God before it's too late. Time is short...	Nobody	Age - Youngsters	1/105	0.952

UC9P Ln37AAavvJo706ayesg Your superficial treatment of the Jews among everyone else demonstrates you have not done your homework and you are trying to normalize them. There is <b>nothing</b> normal about the Jews. They are not like the Amish, Quakers, Indians, Chinese or whomever the hell else you are talking about. The Jews are termites who have worked their way into every power institution in the Western World and they have a global agenda – one world government headquartered in Jerusalem. The main source of their power is global finance and the control of the creation of money and credit, including the Federal Reserve bank. They share these reigns of global power with some Gentiles, but they are clearly in the driver’s seat. You need to hit the books – and not the text books. Start with what Jesus Christ had to say about them, then read, 'the Controversy of Zion' by Douglas Reed.	Nothing	Age - Youngsters	1/152	0.658
Typical that any time someone disagrees with Jewish BS doctrine they are called Anti Semites. Calling anyone this in 2019 is a low life way of deflecting their own bad behavior. To a Jewish person, everyone is out to get them (They have all been taught these lies by their parents since they were children) In reality they are professional victims who hold no responsibility for their actions. Many of them claim and endlessly spout off that their <b>race</b> has been ”persecuted for 5,000 years” yet you never ever hear one of them ask why this has been the case. I accept the jealousy theory, but in fact it's everything about the Jews who stand out as Jewish, that most people dislike. But in current western society there is a trend now for the 'host' citizen to pretend to accept the Jew as a perfectly normal member of society, like the Muslim, Asians in general, and the Blacks... But they're not, as is apparent by the way the 'host' citizen is treated by those <b>ethnic</b> groups... Take, for example, the white man in Japan, Indonesia, China, etc, as long as that person is of a tiny minority, they will be tolerated, but when they become a threat to the host nations identity, the trouble begins... <p>Food for thought for the Ante-Semite: 'He who saves a life saves the world' is a quote from the Torah, thousands of years later it was paraphrased in the Koran. This statement's origins are undeniable. Had you been in a position to save the life of a physician who then went on to save many lives, in essence, through cause and effect you would not have saved just one life; but multitudes. It is arguable that had you been in a position to kill Adolf Hitler as a child, the opposite would be true and countless millions across Europe would not have perished. This, of course, is hypothetical but cause and effect has a vast impact on our lives. Anti-Semites follow a particular pattern – in the main are of low intelligence and are fascinated by conspiracy theories; (if suited to their purpose) which they eagerly adopt. The bearing of false witness is their predominant trait; passed down to them through the ages. As their antecedents were willing to bear false witness - so they have adopted the practice. This flouting of the Ninth Commandment is what their existence is based upon. In the modern world, we also have pseudo Ante-Semites, jumping on the bandwagon; they are your <b>common</b> or garden trolls who in the main hate humanity in general; invariably they have no life of their own and find gratification in hating all and sundry, masking their self-loathing in the process. Hatred of the Jews is primarily based on jealousy, the jealousy of success gained through hard work and ingenuity and a creed of helping each other; an eagerness to learn and to pass on that learning. The most famous Jew was of course Jesus Christ; who according to ancient history was born with these traits. From what moment in time do Ante-Semites find it acceptable to have a blanket hatred of Jews BC or AD? If it is BC then Christ's maternal grandparents, who were Jewish, would have been candidates for mindless hatred. The Irony of the Ante-Semites is that many of them would not exist today without the contribution that Jews have made to Medicine. If they themselves had not been saved by one of these medical breakthroughs; you can be sure that their antecedents would have been. Of course had their antecedents perished they would not exist. <p>Alex Lauren my friend, you have a lot of rabbit hole to tumble down if you haven't started yet.It all goes back to the Biblical tale of Jacob and Esau. Isaac son of Abraham had two sons by his wife Rebecca.Jacob, who was the original jew, was a shepherd and a businessman. His brother Esau was a hunter and warrior. Jacob would manage the herds and negotiate deals with merchants, trading sheep for goods, haggling prices, etc. Jacob was the favored son of his mother Rebecca. He stayed near the house.Esau was the eldest, by only a little because the two were twins. Because of that, he had the "birthright" which allowed him to receive a blessing from his father, and he would be the heir to his father's estate. He spent most of his time in the wilderness, tracking animals, fending off beasts, and generally doing macho outdoors type things. He was also known for his thick <b>red</b> hair.One day, after returning from a long journey, Esau asked his brother for some food. He was near starvation. Jacob, led on by his mother, offered to trade Esau some hot, fresh food for his fathers birthright. Esau probably thought this was a silly joke. But he DID agree to it. Rebecca told Jacob to put on animal skins and go to his father, who was <b>blind</b>. When his father reached out to his son, he believed it was Esau, because of all the hair. Nearing the end of his life, Isaac was waiting for Esau to return so he could give him his blessing before he died. Believing Esau was before him, he gave the blessing to Jacob. Later, and after Isaac's death, Esau learned of his brother's deception, and gathered his men to find Jacob and kill him for what he had done. Again, encouraged by his mother, Jacob fled from his home to seek shelter in a foreign land. Skipping ahead a little, we find Jabob and his family and men preparing to go to battle with Esau and his men, who had been looking for him for many years now.Jacob divides his forces and sent some of his own men to the enemy camp as defectors. This would ensure that no matter what happened to Jacob's clan, it would survive, even if only by infiltrating his brother's clan.Ultimately they were reunited and made up, but the moral of the story is that the Jews have been doing this forever. They decieve, they lie, they infiltrate, they make deals, and ultimately, they gain more and more power.The sons of Jacob were the original jews. They are of their father and they do theirs fathers work. It's been like that ever since. It only gets worse. Or maybe you should have some self criticism. Everything in the world have a reason. There is a reason why jews are simply not liked by other people. Blaming it on <b>racism</b> or antisemitism is just an easy way out. Just the word anti-Semitism is just wrong since majority of jews in the world are Russians and they are not semitic. History will repeat itself as long as we are not allowed to talk about the reason for the "hate". 80+ countries that have deported jews. Different values, religion, cultures and somehow the only thing in <b>common</b> are deporting the jew. I do NOT argue that its right to deport them, or treat them any else like anyone else. <p>Mr. I am not an antisemite, but from the <b>age</b> of ten I wondered about one thing, why did Moses ask his people to violate what Jesus called the most important commandment of them all!?.....Jesus told us:this commandment is the heart of all the other commandments:do to others what you want them to do to you!..... As long as humans have lived in structured societies, this is rule number one if you want a stabile situation!..... Not a single person will deny this golden rule!If a person go against this moral law/codex in public, will he ever be respected as a sane person? Sure not, and we all know it!?..... I'm sorry to say not everybody respect the divine truth of this moral code! Who can it be?!..... You see, for some thousand years ago, a man with name Moses twisted his mind real hard over this issue, how to make sure a <b>nation</b> never will fall a part!..... He understood it was important to create some traditional treats in the culture of Israel, to make them stand out of the crowds, so to speak..... He got a brilliant idea, on of many who send the Jews straight into Hitler's concentration camps thousands of years later!..... Oh yes, what is more personal than your two heads, <b>senior</b> and junior, both of them love to satisfy their needs, food and women!..... Moses went to his grave and knew he was a genius, thanks to food restrictions, he made sure all other cultures would look at his people as strangers, and even more when they saw the Jews altered the holy altar of God, the human body!..... No big deal for Moses, he told the world his desperatly beloved God commanded him to cut off the foreskin of the penis!..... Important logic like:why on earth, or in heaven, is it right to change what God has created, this question is not up for debate!..... Sure Moses did the right thing to make sure his people had the strongest group identity ever made, but the sword come two edged, he also made sure all other nations would reject them because they refuse to blend in! ..... I know the times of Moses was different, there were no fixed borders, no United <b>Nation</b>, people allways say to me:Jan, those days of Moses was different, not like now! ..... I use to answer :I know the times were different but for a person with a sword through his body, or hanged because he did not blend in, for them the time is ALWAYS NOW! ..... Der readers, Moses was not stupid, he knew he created rules that had strong, uniform, identity signals into his <b>nation</b>, but also outwords against the surrounding nations!..... He knew the law do to others as you like to be treated by them, he knew the importance of the law and he knew it worked out the same way for group as well as individs IN a <b>nation</b>!..... Would YOU like to make sure your offspring will be treated as outcasts wherever they come!? Say it in public and people will say you are in sane!..... Politicians never recognize themselves being described by their counterparts, the byreaucracy the same way and the rich and wealthy, and the same with the Jews!..... Jesus said:a prophet will never be reckognized in his own village, the same mechanism again and again!..... Not jealousy, what good does it serve us whites having a foreign group get rich using the resources of our country? It's <b>common</b> sense that one would not want a foreign <b>alien</b> group that will never assimilate to use their resources for someone else's benefit. Olivier Cahn not your filthy oral Torah. Not to one up you man but actually it's the first 5 books that are the Torah not the entire <b>old</b> te <b>old</b> testament. It's ironic that you call us Christian's idol worshippers because your lying Rabbis told you so. It's also ironic that Israel has a pagan symbol the Star of Saturn on its flat and that NOWHERE in the bible is there a Star of David. Yeshaya Szanzer No. In a sense were all wicked people. I think if they were taught that way, then how can we judge them as if they were bad. Yeshaya Szanzer .. and all this time I thought there was an actual history of the scattered Jews manipulating the Christians, Romans and Muslims alike.. since 70AD when Titus scattered them and destroyed Jerusalem .. including corrupting the Roman Empire from within... by feminizing it.. first they corrupted the ROman Senators.. using <b>sexual</b> bribery with their agents, blackmail and payment in gold.. the gold they managed to stash elsewhere before Roman legions got their hands on it.. most people don't know that Roman women were given rights to divorce, abort children and vote.. (hmmmm sound familiar folks ???) ... they collapse the the virility of a great empire by FEMINIZING IT into laziness.. as females prefer 'comfort' and have very little stomach for morality.. they are not loyal to their 'tribe'.. they are hypergamous and easily manipulated.. by power... feminism is only ONE Jewish trick to divide & conquer and it's as <b>old</b> as the fall of the Roman EMPire.. termited out by corruption .. the same as watching the West crumble with the same recipe... there definitely were cycles of these attempt to rot out cultures/nations and finally ending in the retaliation and banishment of Jews from nations.. for 2,000 years. Ancient Egyptian, Greek and Roman authors reported that Jews were a leper tribe of previously known Neanderthal hybrids.. and that they were chased out of Egypt (contrary to the Moses story fairytale) .. but this has been buried by their printing presses the last century.. as well as putting in a forgery of Biblical verses about "Gods Chosen" and the 'promised land"... this was all made up in the late 1800's and pushed by a minister who was a previous washed up salesman, adulterer and paid by Jews to preach nonsense... which was considered heresy for a long time, but the printing presses kept on printing the horseshit.. the same way they push the fake HOloHoax which never happened. If you want to see how much these corrupt people literally lie thru their teeth (watch the commercials for [LINK] where they go to Ukraine and use little <b>old</b> Christians who were starved by Jewish USSR opressors and pretent they are HoloHoax survivors) and fleece millions into their pockets from unsuspecting Christians donating money... Same shit different century. The Spanish Inquisition was an attempt to purge Spain..	Old, Sexual	Age - Over 65s, Gender - General	3/388	0.773

Yeshaya Szanzer .. I did not say "the Jews" .. and what do you live under a fucking ROCK dude ??? LMFAO.. I said the "mossad agents' and the "CIA" . which is a Zionist agency and was from the start.. GW Bush Sr was recruited by a Zionist head of it.. and if you don't know shit about the ADL-CIA-Mossad connection then you're a dipshit or an asshole or both... You want to know the REAL REASON that Muller is going after Trump ?? I was in DC on 9/11. I lost one of my best friends in WTC 2 that day as well, and I watched the Pentagon flames be put out.. so this is 18 yrs of studying what I know went on the day I saw it.. so don't call me a 'conspiracy nut" I was up on Bush - Bin Ladin since the first Gulf War when I was USAF. It is all one giant Zionist hoax... every bit of the past 20 yrs or 1991 (Saddam) .. I was a cynic back then.

However there is so much proof now. By the time 9/11 came around I was well into Noam CHomsky and studying the Kabbalistic roots of Masonry.. the CIA puppet leaders and the roots of the CIA.. Ben GURion ordered JFK's murder, thats why he stepped down right after, to avoid being implicated.. Chuck Schumer and Muller were the ones who released the Mossad agents caught by NJ police after an APB went out on their vans.. the moving company fronts.. headed to the GW Bridge to blow it up, full of explosives.. and the ones filming and dancing "the Dancing Israelis".. the FBI held them in custody.. however Muller was purposefully put at the FBI helm on August 2001 by Cheney.. it was Bush-Cheney-Bin Ladin (Saudi) and the Israeli-Mossad and the Pakistani ISI who ran the entire attack.. and swindle. Bet u didn't know that the Kuwaiti gold we stole in 1990 after Bush Sr. tricked Saddam into invading and stealing it.. was under the WTC in vaults.. went missing on 9/11.. :) How many billions was stolen and what was returned ... ?? It's always about money , not just oil or killing Israel's enemies in the region like Syria.. its about gold too dummies... Muller and Schumer are frothing because Trump was NOT supposed to be in there, and he isn't playing along with the elite.. killing NAFTA, etc. The FBI has files on those Mossad agents that Muller suppressed , and COMey did as well.. study the 9/11 victim family lawsuits against Saudi that implicate Rober Muller sabotage... Muller and SCHumer will both be held for treason and be execute for war crimes if those FBI files are declassified.. those were Israeli Mossad agents and they ran a front and had dozens of floors in the WTC . where they wired up those building with explosives.. however the powers that be, Bush-Cheney CIA.. will kill Trump if he dares, if not the Mossad. That is why he does not dare. They will kill his entire family and he knows it. Trump is a billionaire but these guys are killers . THere's a big difference. If you don't know about the Mossad-CIA 9/11 connection then you're an ASSHOLE for not using Jewish Wikipedia (started by Jews who ran porn sites) and Jewish Google (also 2 Jewish founders).. oh but the POOR Jews like Mark FuckerBurger.. they all died in a HOloHoax.. send you money to Ukraine now.. I hear the violins... oy vey GOy... FUck them. Jews can leave America and stop funding feminism, porn, abortion, **race** mixing and school shootings any time they want.. Christ welcomes it.
