Why can't we talk about male <b>sexism</b> ? Doesn't exist? Huh, I guess the knife scar my <b>crazy</b> gf gave me doesn't exist then.	Crazy, Sexism	Gender - General, Physical Identity - Physical (and Mental) Impairments	2/23	8.696
Let's end <b>sexism</b> !	Sexism	Gender - General	1/4	25.0
men experience the same <b>sexism</b> like this so calm down	Sexism	Gender - General	1/10	10.0
People don't realize that women are actually much more sexist than men. For example, everybody who works at a beauty salon is a female because the salon is owned by a <b>woman</b> . Everybody who works at MAC, Sephora, and all those beauty shops is also a female.	Woman	Gender - General	1/47	2.128
The thing is men experience <b>sexism</b> as well let's make sure that both genders are equal	Sexism	Gender - General	1/16	6.25

It has been my experience that what women find objectionable is crassness and repetitious overtures by pests. Attractive men rarely get reported for single overtures. Repugnant, plain men, if I can put it that way, are more likely to attract opprobrium, except from sweet natured girls who feel sorry for them. <b>Woman</b> , generally, have a higher emotional awareness than men and appreciate how socially clumsy many "blokes" are. It's true that many young women want men to notice them. If that were not true, we wouldn't have so much money spent on alluring fashion items and cosmetic surgery. It just comes down to treating women respectfully and not invading their social space.	Woman	Gender - General	1/112	0.893
Reno Sam without <b>woman</b> men are useless.	Woman	Gender - General	1/7	14.286
Why is there no video about <b>sexism</b> towards men	Sexism	Gender - General	1/9	11.111
Phazer XP., how about instead of feminist and manist. We have equalistist where everyone fights for both rights for <b>gender</b> !	Gender	Gender - General	1/20	5.0
Well, if it makes a <b>woman</b> lose her job just because she might be pregnant soon, yeah.	Woman	Gender - General	1/17	5.882
The Kicker Is She Never Said What Happened... Just That She Was Asked... Her Response Is Made Up After...Watch That Part Again... 1:38 It's Not <b>Sexism</b> ... It's Compulsive Lying For Attention...	Sexism	Gender - General	1/32	3.125
The <b>Woman</b> Is Trying To Speculate That She Would Have Lost Her Job Because She Was Asked If She Was Planning On Starting a Family... When In Actual Fact The Employers Intentions Could Have Leaned More Towards Thinking She Might Want a Job Long Term To Support Her Family...She Is Lying By Implying That The Employer Would Fire Her After She Answered His Question - "Are You Planning On Starting a Family"I	Woman	Gender - General	1/73	1.37
Men are forced to hide theur feelings because if they did the society will laugh at them Even my 4 yr <b>old</b> cousin asks me why men shouldnt cry	Old	Age - Over 65s	1/29	3.448
My boss once saw a picture in an application and throw it away, because she was too <b>fat</b> . He is an <b>old</b> ugly <b>fat</b> man but hates <b>fat</b> women so much! He is nasty and talking down to women!	Fat, Old	Age - Over 65s, Physical Identity - Physical Features	4/39	10.256

" <b>Sexism</b> " is a big lie. It doesn't exist. Do not be mislead by this propaganda.	Sexism	Gender - General	1/15	6.667
Samsung but yeah pricey af still...surprised I'm the first to comment. I'm not a feminist or a <b>woman</b> , just thought I'd be inclusive to other phone industries because <b>apple</b> is the phone equivalent to the " <b>patriarchy</b> " that totally exists. Samsung needs more rights and to fight against this evil <b>apple</b> dominated world..everyone who disagrees with me is wrong. I refuse to hear any facts and will damn your <b>apple</b> phone as raping my android if I see it. Dont you dare applesplain me either.This entire comment is satire.	Apple, Patriarchy, Woman	Ethnicity - Native-American, Gender - General	5/89	5.618
I am a Male. I have experienced <b>sexism</b> at work. Employed in South Australian Government DHS. It went like this. I am looking for some filing dividers in a cupboard. There where non.I asked the Directors side kick where i could get some? She said; did you look?Answer; yes i did.Reply; send me an e mail request and i get some, in a very snappy and unfriendly way toward me.I send e mail.She called over later showing me some dividers she was holding in her hand and asked me if my looking was a Man's look?I calmly responded stating that my effort was a normal look.It turned out the dividers where in an adjacent cabinet i never felt any business looking in. I stated that i was never told that they where stored in that cabinet and that i was allowed to access it.So there you have it!If I, as a Man said to that Women or perhaps another Women i be more than likely be copping <b>sexism</b> in making a statement such as; Was it a women kind of looking?So listen Girls. We cop it too. It is not always Women. But Men are expected to take it and many never report it so as not to be ridiculed.	Sexism	Gender - General	2/221	0.905
well that's where you are wrong. if i was your friend (i'm a <b>woman</b> btw), and you told me this happened, I'd go speak to that <b>woman</b> right away. just cause your friends are assholes who'd laugh at you, doesnt mean your feelings are wrong.	Woman	Gender - General	2/45	4.444
"typical lazy <b>woman</b> ". Just said it to me with no context	Woman	Gender - General	1/11	9.091

This comment section is so flipping toxic like wth people complaining about how women over react about <b>sexism</b> and people not just men Dont hem me wrong in the comments talking about how <b>sexual</b> harassment doesn't happen anymore sorry but just because u don't see it the world doesn't revolve around u in fact in this exact minute some man or <b>woman</b> is getting raped doesn't that make u feel sick just think about that..	Sexism, Sexual, Woman	Gender - General	3/75	4.0
Some are overreacting like giving someone your phone number is politely asking them out a lot of this isn't <b>sexism</b> but just straight men trying to get a partner	Sexism	Gender - General	1/29	3.448
Sex	Sex	Gender - General	1/1	100.0
GerudoKing Although this definitely not anywhere near the worst form of <b>sexism</b> , how do you think you would feel if a complete stranger wraps their arm around you and cake you darling based only on your appearance ? If course, I know you're going to say 'I would feel flattered' or something, but it's really not a pleasant experience.	Sexism	Gender - General	1/59	1.695
The most sexist and <b>racist</b> thing i heard is "YOU ARE A WHITE MAN STOP TALKING" by bunch of women.	Racist	Ethnicity - General	1/20	5.0
That's not a sexist or <b>racist</b> thing you privileged white male	Racist	Ethnicity - General	1/11	9.091
There are several reasons for the low reproduction rate of intelligent white females. 1. Young women have been indoctrinated by radical feminists who control the education system. They are taught to do the same thing as men and to put a working career ahead of being a parent. To demonstrate this you only have to look at the almost insane attention that was given to the mythical 'pay gap' and the high level of propaganda used to generate such myths.2. Women are taught that men are evil. The enormous exaggerations regarding <b>sexual</b> assault <b>sexual</b> harassment domestic violence ... demonstrate this. (Shown in videos such as RAPE HYSTERIA - Part 1   History Repeats Itself )3. High levels of government welfare means that women no longer need a strong family group for security. 4. Funding. Governments fund feminist causes to win the female vote. Women vote collectively on women's issues, men also support women. George Soros also funds feminism through his Open Society Foundation (he funds all causes that destabilise white countries).	Sexual	Gender - General	2/175	1.143
If this is the worst stuff that happens to women I want to be a <b>woman</b> too.	Woman	Gender - General	1/17	5.882
Amaya Belote actually that's where you're wrong. Women don't admit that there is worse because there is <b>nothing</b> worse you idiot	Nothing	Age - Youngsters	1/21	4.762

b bomb Kook how am I an idiot for seeking the truth. Why can no man understand that people can do worse things than just say sexist things things like assault is worse than <b>sexual</b> harassment	Sexual	Gender - General	1/36	2.778
Lisa Cherry and where did I bring up the wage gap look and you'll see I said <b>nothing</b> about it so don't go saying there is no wage gap	Nothing	Age - Youngsters	1/29	3.448
Idk where the wage gap came from, but <b>sexual</b> harassment hasn't happened in spades since Dolly Parton kicked her bosses' ass in the movie 9 to 5. Come on now	Sexual	Gender - General	1/30	3.333
b bomb Kook stop it! I see you replying to every comment empowering women saying <b>sexism</b> is nonexistent, but guess what: It exists! People get raped and harassed, get paid less for the same work, without the man doing any extra work and so much more. This isn't only a fight for women, it's also a fight for men, who are always blamed as attackers and <b>sexism</b> towards men is never mentioned, but I must say women have it much harder! At least now we can vote, but before quite recently, we couldn't. Right now it's hard for men who are being labeled as attackers and women who are belittled, but in the end, all we want is <b>gender</b> equality. And what we do not want is your opinion. Sorry for the long and boring speech, but I'm so tired <b>old</b> finding so much negativity from the same person.	Gender, Old, Sexism	Age - Over 65s, Gender - General	4/149	2.685
Kemal Akeren some women have been raped and have killed themselves because of it. They are the real victims. We should be happy that it's not extremely <b>common</b> , but it is <b>common</b> for men to grab someone's waist or butt based purely on their looks, how big their boobs are. It's not the worst thing, but it leaves a <b>woman</b> violated, which is a terrible feeling. Not all women are victims, some are murderers, but there are some girls who are facing bad problems. Don't go around saying they aren't.	Common, Woman	Gender - General, Social Class - Working class	3/90	3.333
Julian+ you DONT want to be a <b>woman</b> , being a <b>woman</b> sucks...and it's boring and limited as hell..just, no you do not want be a <b>woman</b> , trust me I know.	Woman	Gender - General	3/30	10.0
for people who are going to go on into the comment sebstio sayign things like why not do men you know men get <b>sexism</b> yes they do get <b>sexism</b> and if you hate femanists femanists have been mistreated and people have taken it the wrong way so please look up the word i dont want to exsplain it :(	Sexism	Gender - General	2/59	3.39
emiwale, when he said doll it's like he sees her <b>nothing</b> but a doll. Think about it	Nothing	Age - Youngsters	1/17	5.882
Legit AsF. Another 9 year ole girl trying to get rid of all of men's rights. It's almost bedtime 9 year old	Old	Age - Over 65s	1/22	4.545
Lisa Cherry she was just stating her opinion. Why don't you go worry about yourself instead of the "nine year ole". And learn to spell old	Old	Age - Over 65s	1/26	3.846

Legit AsF. I think, that men think the truth is that if that a girl who dressed up to be attractive and went out to an event, would be pretty disappointed to not have gotten a <b>sexual</b> advance or invitation. I see you point though because at the hotel I work at I see too many children walking around with their family and their butts are stickin out! Its kinda creepy and I am hoping I am missing something, or if we are failing our kids a little bit.	Sexual	Gender - General	1/89	1.124
Legit AsF In this scenario I agree women wear certain types of clothing that are suited to the gym activity . However when girls dress up in short skirts and low cut tops etc . And then say I only dress this this way for me , I don't buy that . They dress like that either because they are out on the pull or they feel attractive to the opposite <b>sex</b> which makes them feel good , so they are not only dressing "like that " for themselves .	Sex	Gender - General	1/90	1.111
Lisa Cherry you are probably the nine year old	Old	Age - Over 65s	1/9	11.111
It's not a bout being called a women bc duh we are women and there's <b>nothing</b> wrong with that. But it's about what people mean by calling someone a women or a girl. Like if someone says "you run like a girl", it doesn't mean that you look like a actual girl or running, but it means that you are running slow and floppy and out of breath which means that people associate those things with girls, which is not okay.	Nothing	Age - Youngsters	1/81	1.235
Fuck off, you are male, you do not get to comment on how women should feel about <b>sexism</b> that is ever present in their lives. It's the constant commodification, pushing down and small comments that put women in a position where they're treated like second class citizens.	Sexism	Gender - General	1/47	2.128
I know you don't understand bc your a privileged white male but complaints don't solve <b>sexism</b> if it did it would have been done a while ago	Sexism	Gender - General	1/27	3.704

Correct Stephen, but look deeper. There are several reasons for the low reproduction rate of intelligent white females. 1. Young women have been indoctrinated by radical feminists who control the education system. They are taught to do the same thing as men and to put a working career ahead of being a parent. To demonstrate this you only have to look at the almost insane attention that was given to the mythical 'pay gap' and the high level of propaganda used to generate such myths.2. Women are taught that men are evil. The enormous exaggerations regarding <b>sexual</b> assault <b>sexual</b> harassment domestic violence ... demonstrate this. (Shown in videos such as RAPE HYSTERIA - Part 1   History Repeats Itself )3. High levels of government welfare means that women no longer need a strong family group for security. 4. Funding. Governments fund feminist causes to win the female vote. Women vote collectively on women's issues, men also support women. George Soros also funds feminism through his Open Society Foundation (he funds all causes that destabilise white countries).	Sexual	Gender - General	2/180	1.111
Stephen Colbert <b>Sexism</b> is a serious problem, these women are sharing their experiences with it. They're not Cry babies, they have serious issues that they have trouble keeping to themselves. If you think that, keep it to yourself, people will start thinking you are sexist. Maybe you are, but a lot of feminist people watch these videos, so your opinion is not needed, nor is it wanted.	Sexism	Gender - General	1/67	1.493
First of all they ARE working. Second of all they're not complaining they're talking about their experiences with <b>sexism</b> .	Sexism	Gender - General	1/19	5.263
First of all shut up. Second of all we are not crybabies. Just imagine if you were a girl you would know how life is hard when surrounded by sexism	Sexism	Gender - General	1/30	3.333
The <b>woMAN</b> at the shop called me love every time I went there didn't see me cry	Woman	Gender - General	1/17	5.882
FireDragonArmy2 kid complimenting someone isn't <b>misogyny</b> . If you interpret it as such, it's not our problem in the first place.	Misogyny	Gender - General	1/20	5.0
FireDragonArmy2 your <b>dumb</b> kid	Dumb	Physical Identity - Physical (and Mental) Impairments	1/4	25.0
What's the difference between men and women oh wow men have dicks and <b>woman</b> give birth WTF does that matter	Woman	Gender - General	1/21	4.762
Yes exactly, if we experience these things and say <b>nothing</b> then <b>nothing</b> will happen. As the final lady said- It's our job to educate and keep pushing (for equality)".	Nothing	Age - Youngsters	2/29	6.897

There is equal pay and you feminists push for any reason to blame men for your problems. Studies show men are way more likely to take overtime shifts than <b>woman</b> so when you think there should be equal pay, work equal hours and you will see the wage gap DOESN'T EXIST	Woman	Gender - General	1/51	1.961
So what are a few cases that you perceive as inequality? Because last time I checked, calling a <b>woman</b> baby or darling kind of meant they were special to you. And there's a really good prager U video that debunks the wage gap entirely. And just because a man is in a gym and sees a pretty <b>woman</b> , that means he can't look at her? I'm confused on that as well, given it's male nature to look at something pretty. Prager U has a good video on that as well. When a guy sees a pretty girl, however many seconds he spends looking at her is how long he spends forgetting about her. He'll be at home later, unaware that she ever existed. So please, where is it written that there's moral inequality between men and women?	Woman	Gender - General	2/137	1.46
GerudoKing This is perceived as <b>sexism</b> because strangers start paying attention to you and they know <b>nothing</b> about you, solely how pretty your face is or how big your boobs are. We are getting equality, and everything is going great, but there are still millions of sexist people out there, catcalling <b>woman</b> and such may only be minor things, but they are existing problems none the less.	Nothing, Sexism, Woman	Age - Youngsters, Gender - General	3/67	4.478
That's the thing. If I see a pretty <b>woman</b> down the street, what's wrong with checking her out? I don't catcall, and I shame those who do. But that is nowhere NEAR as bad as it was decades ago. There will always be a concept of <b>sexism</b> , not just on girls, but on boys as well. You can't emasculate boys from doing boyish things, such as seeing a pretty girl and being naturally attracted to the opposite <b>sex</b> . You ALSO can't keep girls from doing girlish things, like having children (in relation to things like abortion.) There are separate strengths and weaknesses that both the majority of boys and the majority of girls have. We need to accept that and come to terms with it instead of stifle it into <b>nothing</b> . Since the dawn of time women have been called sweetheart, not out of an act of superiority, but out of an act of kindness and affection. Has the goal of feminism changed so radically that we're trying to get rid of acts of kindness? Really?	Nothing, Sex, Sexism, Woman	Age - Youngsters, Gender - General	4/176	2.273

Table 2: Summary of the results per sociolinguistic variable

Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Gender - General;Physical Identity - Physical (and Mental) Impairments;Age - Over 65s;Physical Identity - Physical Features;Ethnicity - Native-American;Ethnicity - General;Age - Youngsters;Social Class - Working class;
- The percentage of hate speech related words is 1.5964.
- Considering that the variable **Gender - General** has the most occurences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 91/183 occurences of hate speech related comments.
