24 08 : "people...might not think I'm too bright either" Well, how bright can you really be if you repeat the stupid idea that a dog, particularly the pug in question, could be taught the " Nazi salute"? If you watched Dankula's video with the sound off, what would you think was being said? Perhaps, "Shake hands"? PS. They ARE locking everyone up! You don't need a Newgate anymore to do it in the 21st century, Richie! It's the age of the e-prison.	Age, Nazi	Ideological and Political Identity - General, Age - General	2/83	2.41
israel is an apatheid ideology , nothing to do with the jewish faith ,as we are all brothers ans sisters ,	Nothing	Age - Youngsters	1/21	4.762
It's amazing that you can be charged with racism because Jewish people are not a race , they belong to a religion. Race is a made up word anyway, there isn't a scientific basis behind it, it's cultural. Before the days of making slaves out of black people we were all just considered human beings. It was one of those things made up to justify white superiority. It's a shame you can't probably get a lawyer to argue the fact that there isn't such a thing as race in court. <p>every action has a consequence.. Rotherham grooming gang. it has been reported that this is been happening for the last 40 years . all the evidence has been gathered but up until now girls from 12 to 19 years of age has been brutally attacked raped and branded with a hot iron on the buttock .thousands of girls if not more . 40 years of no prosecutions no investigation. does it look like this ideology Islam is being protected? Justice in the UK how do you so called journalists sleep at night. there is an individual at the moment who is facing prison sentence .videoing his pet dog doing a Nazi salute probably think it's April Fools Day but no it's reality . Count Dankular a youtuberplease do what you can to stop the s*** happening ...Gavin McInnes: Count Dankula's I've been waiting for Gavin to pick up on this story. this is a massive hit in the Soviet Union President Putin has got it on rewind! it gives you an insight what's happening in the UK. stupid lefties and liberals do not understand is that everything they do as a consequence. the truth of the matter is that only the older generation understands what is really going on, as they have the life experience and are able to think. it makes no sense whatsoever just imagine that the news what we hear imagine that there is much more than this. only 1/4 of the iceberg is visible. Tony truth good to know you</p>	Age, Nazi	Ideological and Political Identity - General, Age - General	2/255	0.784
<p>Dankula is politically a self-identified communist and 'shitposter'. He is bright and is a lot like Sargon of Akkad (who is a personal friend of his). He doesn't hate Jews and is known to hate Nazis. He had a tiny following of mainly people he knew IRL. He did not share it so that it went viral, he thought a handful of people who knew him would be the only one's to ever see it. His huge following has come as a result of this controversy.. There is a series of dog videos. One with a dozy dog sitting while war scene's flash behind him called 'He hasn't been the same since he came back', clearly referencing war veteran narratives. His Nazi pug video begins with a disclaimer, the point is to challenge the dog's cuteness by getting him to do the most terrible thing he could think of, namely act like a Nazi. It is nonsensical to then claim this is promoting anti-Semitism. There is then another video of the girlfriend trying to teach the dog to beg and being annoyed that the dog puts out a ' Nazi salute' namely a straight front leg. The context is all 3 videos. Please watch them, Richie. If this video is an offence, then so is John Cleese goose-stepping through Fawlty Towers and so is the entire works of Mel Brooks. Meecham, by the way is NOT a revisionist. So, if he is guilty then Alison definitely is, and you can more readily judge that Alison isn't very bright for writing these songs than he is. His videos are about his girlfriend's dog!!!</p>	Communist, Nazi	Ideological and Political Identity - General	4/272	1.471

In todays world very little is what it appears to be !This is what happens when an outside group covertly seizes control of your country - It is a "covert" tactic to fight the resistance without directly alerting the rest of the population to what is taking place. It needs to be a "covert" response because if the rest of the population finds out, there is no way that they can maintain their grip on the occupied territoryThis is why they are ethnically cleansing the white nations as fast as they possibly can They know that it is inevitable that the native populations will rise as oneTheir planned solution to fight that is with a multiracial immigrant population in a very similar fasion to the Red Army Long Live The Resistance - Down With The Jewish Empire	Immigrant, Red	Ideological and Political Identity - General, Ethnicity - Native-American, Nationality - General	3/140	2.143
Markus Meechan did the Nazi dog thing as a private joke. He's not a racist and apologized and explained why he did. The guy actually seems like a good guy. <p>This is for richie to assess and pass on to others - or anybody else interestedSomebody needs to research and write a book - do interviews whatever:For certain reasons i cannot do this myself - it is not lazynessAll advanced peoples on this planet have evolved along a similar path seeking security through military advancement Global Jewry not having its own territory until recently has had to evolve down a completely separate pathso for us, its been better ranged weapons and physical defences For the Global Jewry its been Infiltration, Deceit, Acquiring dominant positions in the host nations infrastructure and then using those position to leverage those host nations to their willAnd like us with our military advancements they have become very good at what they do (primarily through their control of our central banks, a secondary example would be psychological manipulation of the host population through their control of media and education infrastructure). If they had not become highly skilled at what they do, quite simply they would not exist today let alone steal PalestineTheir success is also due to their alien nature, for example things that we take for granted as safe everyday things are not safe everyday things to the Jewish Empire - they are tools that have been weaponizedwe have no "cultural antibodies" to protect us from these offensives And as long as they control the media they will do their best to prevent those antibodies from developingNow in the age of the internet we have been able to outmanoeuvre their control of our media and start developing those Cultural AntibodiesThe Jewish Empire is aware of thisNow you see the levels of censorship taking place, the offensives coming from these so called "Special Interest Groups" which are nothing less than Forward Operating BasesTheir infiltration of the nationalist movement and their attempts to divert its direction are on display for all to seeAnd lets not forget the destruction of our borders and Weaponized ImmigrationWe are at war make no mistake but too few of us have a good understanding of that which is taking placeThe above needs to be presented to the public repeatedly, in a digestible fashion and expanded upon - heavily detailedThe History of the Jewish Empire and its infiltration of the Christian West /The History of the Jewish Empire and its attempts to seize the West</p>	Age, Alien, Nothing	Age - General, Age - Youngsters, Nationality - General	3/409	0.733

Surely nobody is being forced to watch a YouTube video against their will. Surely nobody is being forced to own a computer or a phone or a TV or a radio or any communication device if they don't want to own or use one, so they are not being forced to be 'offended' either, it's a choice.
