Title: Age Discrimination Towards Teenagers

- Table 1: Summary of the results per comment;
- [Table 2](#): Summary of the results per sociolinguistic variable;

Table 1: Summary of the results per comment

Comment	KeyWords	Sociolinguistic variables (Hiper - Hipo)	Hate Speech Frequency	Hate Speech Fre-quency(%)
She killed her f*cking pimp. Pimps are <b>sex</b> traffickers and they deserve to die	Sex	Gender - General	1/14	7.143
I once got kicked off a see saw by a mother ( we would always get off if a kid was hovering and wanted a turn, better yet we would sometimes stay on so they had someone to see saw with) XD I was so shocked because my friend swore under her breath and I was about to flip on my friend for swearing with children present. THEN THE <b>OLD</b> LADY SWEAR MUCH LOUDER, I was like okay thought we were dealing with an adult, not an overpowered 9 year old	Old	Age - Over 65s	2/91	2.198
But when you say "not an overpowered 9 year <b>old</b> ", that's being <b>ageist</b> towards 9 year olds.	Ageist, Old	Age - General, Age - Over 65s	2/17	11.765
meep meep an overpowered 9 year <b>old</b> ? Geez this is the problem	Old	Age - Over 65s	1/12	8.333
I totally agree. Children, no matter what <b>age</b> , should have every right that an adult would have here in America, it is unconstitutional to deny children the same rights as adults, as all men are created equal. I pray children get the same rights as adults one day.	Age	Age - General	1/48	2.083

+J Kirby Da Rock (PK Freeze) 50 years ago the rights of <b>lgbt</b> people were not taken seriously but now they are, systematic <b>ageism</b> will be gone if people actually work to get rid of it like they did	Ageism, LGBT	Age - General, Sexual Identity - General, Sexual Identity - Male homosexuality, Sexual Identity - Transexuality	4/39	10.256
--	--------------	---	------	--------

Table 2: Summary of the results per sociolinguistic variable

Sociolinguistic variables (Hiper - Hipo)	KeyWords	Number of occurrences	Frequency	Frequency(%)
Gender - General	Sex	1	1/314	0.32
Age - Over 65s	Old	3	3/314	0.96
Age - General	Ageist, Age, Ageism	3	3/314	0.96
Sexual Identity - General	LGBT	1	1/314	0.32
Sexual Identity - Male homosexuality	LGBT	1	1/314	0.32
Sexual Identity - Transexuality	LGBT	1	1/314	0.32

Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Gender - General;Age - Over 65s;Age - General;Sexual Identity - General;Sexual Identity - Male homosexuality;Sexual Identity - Transexuality;
- The percentage of hate speech related words is 3.1847.
- Considering that the variable **Age - Over 65s** has the most occurences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 11/10 occurences of hate speech related comments.
