| for me watching this was not about what gender is better. the women did not get anything done because they had nobody who was a strong leader to organize things. and the men failed because the fought among themselves without empathy. women and men need each other. | Gender, Nobody | Age - Youngsters, Gender - General | 2/47 | 4.255 |
| As a woman if I were forced to stay with the group of women I would just abandon all of them right there and then | Woman | Gender - General | 1/25 | 4.0 |

| "Will it be brute power" *shows man "or mental strength" *shows women. What does he mean? Women don't have as much mental strength as men either. | Mental | Physical Identity - Physical (and Mental) Impairments | 2/26 | 7.692 |
| Brutus Tan to trust tv is the most incompetent intelligence, if you can even call it intelligence. You might should get help to your hated opinion about "modern" women. Guess you like the non modern women because they had to do the heck your Ödipus said so your little wussy ego wont get hurt and you wont get all whiny. | Tan | Nationality - British | 1/60 | 1.667 |
| if you take a man who knows nothing about surviving and a women who knows nothing about surviving the man is going to survive longer than the women | Nothing | Age - Youngsters | 2/28 | 7.143 |
| WhiteEyed87 oh look the feminazi harpie can't bear to look at what's PLAINLY SEEN and resort to childish ad Homs and red herrings and the baseless insults and insinuations to avoid looking at the facts logic and reality of life. AND the contrast between these pitiful excuses and men in general, that strove and built society for you pampered and privileged 'women' To then turn and blame us for everything . No wonder our society is rotting. We let the most pampered and privileged creatures, the so called females of today influence everything and be accountable for nothing . Next I bet you are gonna say I can't get laid. Cliche and the same tired non responses. TV is HORRIBLY anti male, so if men were as bad or worse, you'd see it most in spades. So the fact that can't hide the ineptitude and uselessness of modern women means it was too glaring to hide. Unlike you I don't have to hide behind delusions and won't kowtow to you feminist lot | Feminazi, Nothing, Red | Ideological and Political Identity - General, Age - Youngsters, Ethnicity - Native-American, Gender - Female intelligence | 4/171 | 2.339 |
| Wow two psychopaths and obvious women haters thinking men are stronger because of so called "emotions" which school teaches that its scientifacly "proofen" are you even educated? Like did you pass high school? Haha fools. Probably believe that humans and apes are related. I feel highly sorry for your non intelligence and poor ego that is so scared of women obviously. What happened? Did mommy abuse you in any way? Or did daddy just show you the "strong men way" how to treat a woman ? Either way, you should join some social life and get out of your little house in the woods. Just to realize poor people like you wouldnt surrvive at all. | Woman | Gender - General | 1/115 | 0.87 |
| Brutus Tan oh is little boy that hates on women a little bit upset? Ooooh you think tv is hating on men? I am so sorry. But i am sure your other comment buddy in here is highly interested to watch tv aaaaaaall day to "learn" something. Because of course tv is the most trusted ressource and also where you actually learn something, right? | Tan | Nationality - British | 1/64 | 1.562 |

| I love the part when he said is it brute power or mental strength because men are better at both | Mental | Physical Identity - Physical (and Mental) Impairments | 1/20 | 5.0 |
| It's funny because the only reason he said that was because there was no way to complement the women against the men so they just had to end up going with a fake "mental strength" What else could they have gone with... "brute power or whinging and whining? nah doesn't sound right.. umm brute power or breaking down and throwing a tantrum? nah doesn't sound right either" :P :P :P | Mental | Physical Identity - Physical (and Mental) Impairments | 1/70 | 1.429 |
| its true even in real life I had to hear this made up mental or emotional strength crap. the best examples my female coworkers came up with were "walked up to my man after he finished work and dropped a baby on him. he was confused" all this female flattery is why men built the world while women watched the kids. :D | Mental | Physical Identity - Physical (and Mental) Impairments | 1/62 | 1.613 |
