India is the most ancient society and it practices and customs have been varied across different regions and has evolved to changing societal needs. That is why they have survived and are thriving till today. They don't blindly follow one book and follow it as a death cult.They have the Shrutis ( the ultimate human values or dharma like honesty, truthfulness, respect etc ) and Smritis that are customs and practices that could be adapted, changed as the society changes. It is the most liberating philosophy. Not to be stuck in a rut called Book.These communities are in a very negligible number and their practices are slowly changing BUT we in the west have to nit pick and show only that when we are infested with th so many evils in our own society.On a lighter note , I found the <b>woman</b> much more happier than many around me. I don't see any oppression there. Both the parties or should I say, the threesome looked happy . That is all that matters . Let us not judge others by our new found values	Woman	Gender - General	1/186	0.538

Please make a video on Nikaah halal. In this practice a <b>woman</b> divorced from her husband cannot remarry him without marrying , essentially sleeping with another man. A wide spread Islamic tradition.	Woman	Gender - General	1/32	3.125

<b>Black</b> Tulip, Years ago I read an article that in Suriname a widow from a tribe with <b>African</b> roots, was obliged to go to bed with a brother of her deceased husband. Whether she wanted or not, she had to do it according to the tradition within that tribe. That's dirty, right? Polygamy is normal in a number of <b>African</b> countries.	African, Black	Ethnicity - Black	3/61	4.918
Kalawatie Gajadhar Its dirty to us, its normal to them (i mean about that <b>African</b> tribal widow now). Polygamy is accepted in some places, but women usually reject it. My initial comm was meant to ladies on the page, who think they would enjoy polyandry, yet i do realize that most r joking. As i come from a world where none of these r demanded, i freely can say that i reject all of them. Listen to that man:"...we control our feelings", thats what he lives with, for his entire married life.	African	Ethnicity - Black	1/92	1.087

Gurdev Singh what determines who is underage? These are all new laws, who ever is under 18 is underage or in other places whoever is under 21 is under <b>age</b> , do you know that still in texas 14 yrs <b>old</b> girls can marry? Arent they underage? Back in the past any girl reaches puberty and start to look like a <b>woman</b> was suitable for marriage. Btw from your name singh i can figure that you are seikh and from india, so you are last person to talk about marrying underage girls, because thats something you do more than muslims, its practiced all over india muslims or non-muslims, your people even rape under <b>age</b> girls so just <b>zip</b> it because you will not become a western person no matter what you do. You have <b>nothing</b> to say to anyone in this world. Your tradition, wherever you are, is full of pure hate for women. And you have no idea what India is worshiping. At least they are peace loving people. Their women are showing their beauty without any fear. In your tradition they would be killed for that. AND STAY WHERE YOUR PLACE IS, BETTER FOR YOU AND EVERYONE ELSE.	Nothing	Age - Youngsters	1/68	1.471
Marrying 4 wives is not haram? As long as you let your men get away with anything your culture will be women hating culture. You let your men do whatever they want and they still punish you severely for every little thing. What do you gain by spoiling them so much. They told you God wants it. Well, they lie. God created <b>woman</b> and man as equals. They also say that you are equal but they don't behave so.	Woman	Gender - General	1/79	1.266

By nature, a man enjoys having multiple <b>sex</b> partners. One man can get several women pregnant at the same time. On the other hand, a <b>woman</b> can get pregnant by one man only and I don't think men are happy sharing a <b>woman</b> .	Sex, Woman	Gender - General	3/43	6.977

The reason is female infanticide. Thus lack of women for marriage. Marriage is must to produce offsprings in this country cause who is going to take care of the brothers in <b>old age</b> . But perhaps ONE brother should have married. Again the one left behind would not have been taken care of by the others' children. So they tried to solve many problems with this marriage...BUT the root cause is still female infanticide - google <b>Indian</b> male/female ratio problem	Age, Indian, Old	Age - General, Age - Over 65s, Ethnicity - Native-American	3/79	3.797

A man who have a wife together with his brother have more spare time. Must be a wonderful life for a man,- but perhaps not for a <b>woman</b> ?
