What about how only men have to sign up for a draft in pretty much every country and women get off the hook.Edit: and yet this one woman in the video says people think women are disposable. What about how men are forced into the military and to sign up for the draft.	Woman	Gender - General	1/54	1.852

People, I'm Don't really think I'm a feminist, but I think everyone should be treated fairly. If The opposite genders keep this up, at some point one side of the world will be all female, and the other side all male. And only babies will be born to keep the Human race going! I don't want this to happen so please respect eachother and stop being sexist! It's unfair and everyone is different! Thank you!	Race	Ethnicity - General	1/75	1.333
what umm men are great (sometimes) and woman are great and u do realise women give birth not men and they many more great stuff but men not all but most men in the olden days treated women like trash so just think about what u just said	Woman	Gender - General	1/48	2.083
i hate sexism	Sexism	Gender - General	1/3	33.333
Men are not oppressed in the west you f'ing idiot. The US never even had a female president yet. If men were truly oppressed in the west like women are in the East, men would be victims of honor killing, domestic violence and be totally under women's control, by the law. By making the false claim that men are oppressed in the first world, you are making light of the real sexism women face in the third world. It should be obvious to you that men have committed way more evil towards women than women have committed towards men. And they continue to do so as of late 2018. And men on YouTube have the audacity to write disrespectful comments towards women.	Sexism	Gender - General	1/122	0.82
Fandar another comment talked about how a terrorist group in a 3rd world country was killing and burnings schools full of boys yet didn't attract attention until the same terrorist group kidnapped a group of girls. Then their were nation wide protests about releasing said girls	Nation, Terrorist	Nationality - General, Religious Identity - Muslim	3/46	6.522

No Man yeah but a woman couldn't birth him if it wasn't for a man. And not all men are violent to women it's just a tiny fraction. If you think that men generally are violent then go educate yourself.	Woman	Gender - General	1/40	2.5

To those men who are out there being sexist, who are you alive because?Your MomGuess what?Your Moms a woman .So if you say something disrespectful to a woman , imagine that that is a woman that you care deeply about, like your mom, sister, aunt, grandma, wife, girlfriend, or best friend. There is some reverse sexism in this but oppression against women is a thing, in other countries that is. Third wave feminism should be fighting for women stuck in shitholes not about getting offended over the snaest thing	Sexism	Gender - General	1/38	2.632
See this feminists? That's what sexism really is.	Sexism	Gender - General	1/8	12.5
Atleast laws should not be imposed on the basis of gender and equal rights must be provided and even reservation can be given to females to empower their social status.	Gender	Gender - General	1/30	3.333
Jelena Tomic I hope your kidding. Just because men don't go through the same pain women go through doesn't mean we shouldn't respect them and treat them like they're criminals. Not all men are the same just like not all women are the same, we should judge a person's personality and not their gender , skin color, or sexuality.	Gender	Gender - General	1/58	1.724
Both genders are equal, but women do so much more when it comes to reproduction. Unfair, but there's nothing we can do about it.	Nothing	Age - Youngsters	1/24	4.167
Fandar because if they want to do that to men they just dumb	Dumb	Physical Identity - Physical (and Mental) Impairments	1/13	7.692

Josie Sloan do you ever see a man win a custody battle no because of sexism .Most men can't even take there kids to the park definitely if it's a girl because of sexist people	Sexism	Gender - General	1/34	2.941
+Green gem theif yeah women get that but guess what who's the one who has to work almost all DAY SO YOU CAN HELP THERE FAMILIES TO BE RICH and who's the one who's literally FORCED to go to war risking there lives AT A YOUNG AGE while women are just in the kitchen WHILE MEN OR IN COMBAT THIS IS RIDICULOUS HOW WOMEN THINK THEY GO THREW MUCH MORE PAIN LOOK HOW MANY MEN ARE DYING IN THE WORLD!	Age	Age - General	1/79	1.266
Stop expecting them to. Either you want GENDER EQUALITY, or you don't. Men shouldn't even hold doors open.	Gender	Gender - General	1/18	5.556
The Flip Like everyone says, it's not a law. And you know why this custom of man paying when he goes out with a woman came into existence? Because women were paid so few compared to men and barely had enough to live on their wages since their employer and all of society expected her to get married to a man who will take care of her so the woman didn't need to have a real pay (if she wanted to stay celibate she was condemned to a life of poverty). Now this injustice is getting repaired (not all done yet but it will) so in many couple both the woman and man have money and many pay equally.	Woman	Gender - General	3/119	2.521

Most men will probably pay the food bill. Most woman will probably do the laundry. Its just how it is. I'm sure there are woman who will split the tab or pay it themselves, and men who do laundry.	Woman	Gender - General	2/39	5.128

rachel hyou mean like when that terrorist group was burning multiple schools full of boys and no one cared? Then they realized in order to get attention they have to go after the girls. Once they kidnapped a bunch of girls there was suddenly a huge global movement to free those girls. Yeah I hate that kind of sexism too.	Sexism, Terrorist	Gender - General, Religious Identity - Muslim	2/61	3.279
How would you like it if someone of the same gender was treated like an animal? Women have to stand together. Most women never speak out about the injustice that has happened to them, so someelse has to	Gender	Gender - General	1/38	2.632
Strong John's Sippy Queen Why would we joke about this? Men are the stronger gender so why not "oppress" women	Gender	Gender - General	1/20	5.0

chad franklin its only. Okay if we (woman) can punish you the EXACT SAME way it would be okay. But we can't	Woman	Gender - General	1/22	4.545
So go to those countries and do something about it. Complaining about it in Youtube does nothing .	Nothing	Age - Youngsters	1/17	5.882
