I believe this was the first Angry Grandpa video that I remember watching, and remember exactly when it went viral. Then I watched the follow up video 'GRANDPA COMES BACK' and after that I was hooked. Went back and saw past videos and continued watching as they released more content. RIP Angry Grandpa. Even though he is gone, he continues to live on through YouTube. The amazing thing is, is we still have all of these videos to go back and watch whenever we want. We remember what he meant to all of us, the happiness and the laughter, and bringing us up on our bad days. Nobody will ever forget him.	Nobody	Age - Youngsters	1/112	0.893

U folks that believe the majority of the videos are setup/scripted rehearsed or whatever. Let's say they are all completely fake from start to finish. You haters aren't seeing or considering the pure genius behind the production. In basically the same genre, mcjuggers psycho series was funny and entertaining in which he announced the series wasn't real. But at the same time his entire family were decent actors to begin with. Mike on the other hand had very little to work as far as actors go. Grandpa was naturally funny but I guarantee he was a shitty actor. So to the haters I don't think u realize u are actually putting mike on a pedestal when u say it's fake because imagine the level of genius it would take to create anything worth a damn with angry grandpa basically being your only on screen character. Can any of u people imagine trying to rehearse a scene with ANGRY GRANDPA?? I mean I don't have to write this long for nothing but if it's a cookie and a PS4 I will pretty much get a PS4 to the cookie because a cookie on you last while it's in your hand but when you eat it it's gone so he probably ate it and he didn't know it was his but to be honest who was filming this footage I want to know what happened. If only this was our ancestors, Im sure they be doing this to all our technology and home to teach us all a hard life lesson. Ancestors would had said. "How do you like them apples now, huh?" Come on Mr avenger. That why they called our ancestors, legends because without their hard earned non technology world and strict intellectual knowledge we wouldnt have made it this far. Uhh, the good old days but we need them bacm as our humanity is crumbling so let throw our technology away and learn to adapt to books. There be world war three sooner than expected with young generations today and old kids siding with team stupidity and idolosing technology as if it some God lol as l can only imagine it now. Live on BBC, NATO confirms the war will be between team knowledge VS team stupidity lol. RIP	Old	Age - Over 65s	2/147	1.361

You kill someone for destroying a PS4 that has the same graphics as Nintendo ? PS4 is a poor mans console, like seriously. :D 150 bucks MOST.I like to see them doing that to a 14,000 Euro PC. At least upgrade to an XboxOne"X" New Model with tons of better graphics then PS4.Both console's are kinda funny to use as a football or testing weapons on. :POh yeah, i said it. PC!!!! MASTER RACE !!! Console PEASANTS!!! :D:D:DAI PS4 users will NEVER understand TRUE gaming experience. You guys don't even know what gaming really feels and looks like. haha' Don't make me laugh. <p>Dear South Carolina mayor, president, police, PLEASE ban Michael Green, Bridgette West, Charles Green from the state they live in, ALL MICHAEL DOES is buy stuff a minute from the grocery store, then in 20 minutes after bringing the stuff home, ALL HE DOES is call his father to fuck with him, and thus getting his dad angry enough to destroy the stuff bought literally within hours after being bought.Their not even buying the stuff they do and getting him to break the stuff for drop tests, durability tests etc, they are strait up going in a circular cycle with the money they make:Film DadPublish videoDay later: result is fanmail, fan mail that included currency.Phase 2 - Within half of the day:Buy shit from stores.And get michaels dad to destroy everything, and even what his house needs importantly besides food, like his refridge, stove, oven, furniture, I've seen in their trailer park angry grandpas destroyed walling and placement of flooring! Their a group of vandals! That got famous for pissing off an old man for almost 10 years within YouTube, but double from before the YouTube filming! I REPEAT, THEIR NOTHING BUT VANDALS AND VANDALS ARE ROGUE TYPE GANGS LIKE FRAT PARTIES THAT COME TO PEOPLES HOUSES FOR EITHER PARTIES OR JUST HANGING OUT WHILE DISRESPECTING THE OBJECTS, ITEMS, FURNITURES FOUNDATIONS OF PLACEMENT! THATS WHAT VANDALS LIVE FOR, DON'T GET ENOUGH OF, AND MOST CERTAINLY DON'T GET EDUCATED FROM DOING NEITHER!ALL THE SHOW CONSISTS OF IS A MANIC OLD TIMER WITH A SHORT FUSE RAGE AND VIOLENCE TEMPER, WITH NO REMORSE AND REGRET FOR HIS ACTIONS, A SET OF 2 FILMING DWARVEN THUGS THAT DRESS IN BLACK CLOTHING WITH THE FASHION STATEMENT OF WEARING HATS BACKWARDS, AND USING GRAMMAR LIKE HEY-UH, they don't not use extra endings in their wording, which is a kids way of being rude toward others.THE OLD MAN SMOKES 24/7 AND HAS PROVEN HE CANT GET ONE HOUR OF GIVING UP SMOKING, DRINKING.THE BOY EATS, EATS AND EATS, WHILE ALTHOUGH HE MAKES PROMISES IN VIDEOS TO GET WELL AND FIND HIMSELF SOME GETTING FIT LESSONS AND TO WORK OUT, HIS WORK OUT IS SITTING THE WHOLE DAY AT HOME, PLAYING VIDEO GAMES, GETTING HIS DAD TO BREAK THEM AFTER REACTING TO PLAYING THEM ALSO, AND SNACKS ON ADDONS TO HIS CONVERSATIONS, 1 conversation with Michael or Bridgette is equivalent to spending a dollar on a soda machine at the mall, store, a personally bought beverage, beverage machine. I'm dead serious that it's like 5 conversations equals 5 pieces of pizza, cause they can't not talk without eating!THE FEMALE CAMERA WOMAN BRIDGETTE IS A ALWAYS LAST WORDS OF INPUT INSERTING LOUD MOUTH THAT ONLY SUBDUES THE FAMILY AT TIMES WITH PRANKS, JOKES, TRICKERY, BULLYING AND THEN CRAWLS BACK INTO THEIR CARE IF SHE PUSHED THEIR BUTTONS AND IS LIKELY ALWAYS 100 FORGIVEN FOR USING PUBLIC DISPLAYS OF AFFECTION.</p>	<p>Black, Nothing, Old, Oven, Woman</p>	<p>Age - Over 65s, Age - Youngsters, Ethnicity - Black, Gender - General, Religious Identity - Jewish</p>	<p>7/492</p>	<p>1.423</p>

Guys, If you're seriously jumping on a bandwagon cause he (Jesse Ridgeway) said Angry grandpa is a copy of Psycho series then you guys are obviously going on someones word then actually thinking it through. If you think about it do you really think that Angry grandpa stole from psycho series?? There's several other channels and videos which he could've easily took it from. Mcjuggernuggets wasn't the first to make a Psycho video The first Psycho I've actually ever seen was, " Psycho Girlfriend Smashes Xbox" By Tomska. WAY before Mcjuggernuggets made his psycho series. So if you really wanted to take blame on Angry Grandpa show you guys are crazy lol.This could easily be a Joke and could actually be a Mini-Series with Angry Grandpa and Psycho Dad. Stop attacking people over the internet like Keemstar and Leafy Fanatics.	Crazy, Psycho	Physical Identity - Physical (and Mental) Impairments	8/140	5.714

Like Lance Stewart, Fouseytube. I get it, they're fakes and in for the money, but nobody calls them out until lately. There are many people born into complete wealth, yet, they create videos, skits, vlogs for their money, instead of inheriting money, etc.Useless asshole? What about drug dealers? What about just anything corrupt.But they aren't bad people. It's not anywhere close to theft. Others may be, sure, but this is clearly a job. So much effort, and time, planning, it really is a job.Sits around taking money? It's not like welfare, they are actually doing something.Many other Youtubers are just the same, but hey, I get it, man. It's alright.Life is all about execution.I include they, and stuff because it really is a team. Not just Angry Grandpa.Thanks.	Nobody	Age - Youngsters	1/135	0.741

this is obviously so fake. this was uploaded 2 years ago and they are still uploading the same bull crap. I know this because by now they probably could've put a lawsuit on him, or at least ACTUALLY called the cops in this psycho . Put this into perspective. Think of this hot chick (or guy) you found on social media, or online dating site. they seem pretty cool and you like their personality/smile etc etc etc,, then you meet up with them in real life, and instantly it goes downhill. 20 years older than they looked, ugly, just completely the opposite of what you were expecting. That's exactly what these people are doing. posing someone as a bad person on the internet. You know how some "rage" videos or "destruction" videos are EXACTLY when people are already recording. Yep. just what you thought. those vids are most likely staged. this entirely satire content just for pure enjoyment. your welcome for a whole explanation. +Anthony Felder its sad to think that whenever someone gives an honest opinion about something IMMEDIATELY people who are so easily butt hurt from small words suddenly come out in a fury of pure infantism. I suppose the 2nd amendment is now considered both a joke and a lie to soem people. Especially to those who claim are making peaceful protests are doing the exact opposite. Double standards will always a part of the norm. Grow up. Life is unfair. People are just as. Some more than others because they are so miserable to the point that they are willing to destroy others w/o a second thought or any hint of hesitation. For you, for example, is a perfect match. I don't care of who you are or how much you claim to have rights of "bashing" other peoples choice of words or lifestyle. What I do care is how careless, cynical, selfish, thoughtless human beings like yourself can really be behind a mask or a screen. I am, by no means available, jealous of this viral video. I can't really tell if this is played out just for attention. And that is just fine. I merely spoke out my opinion. If you don't like it...then suck it. At least now we know, with additional foresight, that people like you are not to be trusted. That is all I ahve to say or type in fthis case. And it hasnt been a pleasure wasting with upstuck trash like you.Oh, and by the way. I hope one day when someone closest to you is gone becaus e of a similar quote you had given to me, you will regret it. Watch yourself. My words may not hurt but I bet someone, someday, will. And its not words to remember them by, but a shiny black eye.So get, permanently, off my case and piss off.Have a nice day.	Black	Ethnicity - Black	1/319	0.313

yup. This is stupid but somehow funny. Also he cant call the cops and prove I hit him at all because he's crazy , no one would take him seriously, and I took the bat back with me so he has no prove, and also even if they found out I came to his house, it wasn't intrusion because we're fsmily but not IRL. just in this make believe story. but hang on, if it's scripted, should a mass damage like this be done even to poor old room furniture who have committed no crime, this family must be rich. To risk a chance like this all in the name of making a video to damage and totally obliterate an expensive machine while other like me is in need of one, this family can really and flawlessly buy bill gates fortune. Well I don't have to worry bout that cause it really didn't come outer my pocket, what I gotta worry about is the new ps4 console I ordered yesterday and got it asap today which is quite interesting. Once a life fades away, another is born. So well done to them for this video if it was truly scripted, hooray!! hooray!!! kudos to the havoc family	Old	Age - Over 65s	1/137	0.73

+SuperGames Although this is staged, I'd like to get on the comments. I think the whole "older people need more respect" is just bs, and has been made popular by old people who are passive aggressive and don't see the bigger picture.Look at this situation, if it was true, the guy didn't want to visit his grandpa because he constantly pranks him. Sorry, but pranking someone that bad that he doesn't want to see is called not respecting him. And coming up to his apartment and breaking their property is just disrespectful to the person, on a whole other level...If you want to raise kids so they worship you when you're old , that's on you, but I think the kids have the right to make their own choices, like the adults have. Don't see that many people talking about young people don't get respect...	Old	Age - Over 65s	2/146	1.37

Davi Lopes You see, that's the problem...You barely have any games. You're missing out on all the fun! This may explain why you don't like Nintendo that much...You need to purchase Mario Kart 8, Splatoon, Super Smash Bros. for Wii U, Super Mario 3D World, and a ton of other amazing games to get the full experience! Trust me, those games are so much fun! And don't act like it's strange for adults to play Nintendo...It makes you sound like some arrogant 12-year-old that plays CoD and uses the word " gay " as an insult. I miss the old AGP since he live in the other house, i dont watch it anymore. I dont care if its fake or not, its funny	Old	Age - Over 65s	1/27	3.704

Why this might be real:1. The earliest AGP videos were filmed around 2008. And even the 2010 videos (the earliest ones that are on this channel) do not have many views. In 2008 I don't believe you could make money and even if you did the videos only got less than a 100 thousand views, the amount of destruction was not worth what they would've made on YouTube 2. In throwback Thursday stories Michael of course explains AGP has been destroying and having meltdowns his whole life. Psycho Dad was just fine until 2014. The first 4 were far and between, but suddenly stuff was getting broken like every 2 weeks. 3. There is no proof this channel is fake. There is no obvious mistakes unlike the very many Mcjuggernuggets made and the undeniable proof on The Greatest Freakout Ever 4. Michael has been filming frequently for the past few years. The greatest Freakout ever only has videos every 9 months or so and Mcjuggernuggets started filming every day oddly after the psycho series was well into it, almost as if it would give him more views.5. AGP is actually aware of his fans and has been as early as 2010 (as far as my knowledge goes) and volunteers to be in a lot of videos. Psycho Dad has never volunteered to be in a video except the skits waaaaaayyy back. 6. AGP has a lot of public meltdowns which caused him to get banned in many places. Take the tattoo parlor for example, do you honestly think the owners would volunteer to have their store trashed for a video?	Psycho	Physical Identity - Physical (and Mental) Impairments	3/270	1.111

I think this video is fake, but if it still surprises me to read the comments here. So many guys here are talking about sending the grandpa to jail, or beating him up. The grandpa is crazy and what he's doing is completely wrong, but those comments are something that only an American can say. In many other countries, especially in Asia, Latin America and some parts of Europe, touching a person that is older than you and that has the authority, or dare calling the police can only end one way: you are the one that gets thrown out of the house, not the grandpa. I know Americans here won't understand the respect and fear that parents and elders inspire in other countries. What the old man says = that's the fucking law and you shut up and do it. I'm not saying it's correct, because it's not many times. I'm just pointing out how different upbringings are in different places. I am confused as to why people still think these videos are real. They have always been fake. I mean, can you people not tell when someone is acting? The why Michael was crying? The way nobody said anything about the camera? How, after the old guy smashed the PlayStation, he went on to hit the glass and the table and shout random things. You people obviously don't know how people actually act in these situations.	Nobody, Old	Age - Over 65s, Age - Youngsters	2/76	2.632

Angry grandpa vs me. He comes into my house like the luny blank he his and is about to destroy my Xbox for some stupid ass reason. I get in his way and he threatens me. Now I can legally tackle him and/or eff him up because it would be classified as defense. If I wanted to take it even further, I would let him almost strike me before I punch him, throw him into the wall, and stomp his dumb ass, which would all own me charge him with attempted assault. I could also take him in for attempted property damage. Then I would demand him to vacate the property immediately (as soon as he be physically able to) and if he doesn't I would double sue his ass. LOL, my name is Michael too but if I was in shoes I would have taken care of my daddy issues a long time ago.	Dumb	Physical Identity - Physical (and Mental) Impairments	1/155	0.645

I love how Michael and Bridget constantly say "Do something, OMG!" Or something to that extent, but then they just stand there filming, doing nothing . How about this? Your only encouraging his behavior by continuing to give him an audience and giving into his temper tantrums. Next time, put the camera down, call the cops, and stop standing there whining. I realize your just trying to be entertaining, but this is ridiculous. I mean destroying a game system and coffee table over cookies!!??? How old is he 2 years old ?? Take or leave my opinion but you need to start taking some action instead of standing there allowing it to happen.	Nothing, Old	Age - Over 65s, Age - Youngsters	3/111	2.703
+Pamela Moore He's been taken by the cops many years ago already and he suffers of bipolar disorder (for which he's taking medication). Trying to interact (or stop) a bipolar person during his rage may just cause his rage to become worse and people may get injured and with this man is all pointless, he's been destroying so many things. But the truth is that the whole family has been making a living for several years by pranking the old man and filming his crazy reactions since 2007, achieving literally hundreds millions views and making good money out of it. OMG! This is COMPLETELY disgusting! I hope it's a FAKE? This is a very disturbed person, & it wasn't amusing in ANYWAY. The police should have been called, & I'm currently not a big fan of theirs. Grandpa needs a Judge to order jail for him, OR he takes his MEDICATION everyday! He is a danger to others, & himself. I would have called the police immediately, & if grandpa didn't put down his hammer thing, he would have been Tazered, if he was lucky. Because of the fact he's OLD , & WHITE , otherwise they would shoot him. Which to be honest with you, I'm not sure if I would consider that a big loss. One less " WHITE TRASH " family member who probably lives off the government anyway. Also, the young man in this video needs to stop sitting inside all day playing stupid video games. He needs to get some exercise even if its walking EVERYDAY! Unless it doesn't matter to him to DIE, before he reaches 50 years old ? I was in GREAT shape, before a Drunk Driver hit me head-on. He died on impact, & put me in the Hospital for 3 MONTHS, & then 7 months of a 'Body-Cast'. I can no longer 'Work-Out' all the time, but the thing I miss the most is taking a walk wherever I was everyday. To see people who take for granted that they can hike , or take a long walk is sad. I can walk SHORT distances, with crutches, & a Brace. With 2 knee replacements I will walk with a bad limp . I use to hike all day, on days I didn't 'work-out'. I even exercised when I had my babies to care for. For the girlfriend, "RUN AWAY FAST, before you end up pregnant, or married into this family!" FAKE! So what if the PS4 and table were valued at over \$1,000?! This video received 16,000,000 views. The money they make off all the Angry Grandpa videos via Google AdSense could buy thousands of game consoles and peanut m&m's for the grandson. In fact he probably had a new PS4 in the next room just waiting to be plugged in. This is a digital age scam, scheme or whatever you want to call it just to milk viewers. Its been proven that playing video games does NOT influence people to do anything in real life in any way! People who think these things are the ones who havent played them because they are too paranoid and think that anyone who plays video games will do the same. this shit is annoying and it has to stop. If your grandson did that, it is the people around him who influence him! not the game, besides have you ever played one of these games? No, I am assuming. No one is going to go play a game, kill a bunch of people(in the game) and decide that their going to go threaten or kill some person(s). Have common sense when you say something. "YOU THINK YOUR GOD DAMN PS4 IS MORE IMPORTANT TAHN MY COOKIES" uh yeah it kinda is consoles are a big responsibility, and keeping one means caring, fixing it when it needs it, and keeping the 400-500\$ console alive they are incredibly hard to care for if you don't know how to take care of electronics I am making this sound so complicated but cookies that cost 5-10\$ vs. the thing that cost 300\$ 400\$ or sometimes 500\$ thing and plus you can get off your own fat ass and make cookies this is obviously fake (I can tell I watch plenty of these) but seriously consoles are hard to keep tuned up and shit	Fat	Physical Identity - Physical Features	1/115	0.87

TheSlasherGod America is bottom of the list of developed countries in terms of education, health, literacy levels, quality of life. London, in a country vastly smaller than yours, still outcompetes New York and its stock exchange. Your police force is ultracorrupt - like Italian/Russian levels of corrupt - and kills unarmed citizens on a daily basis (1,500 last year, that's what, 4 people a day?). You're barely in the developed world, mate. It's absolutely hilarious that you indoctrinated Americans - who pledged allegiance to the flag for half their life - automatically respond to this post showing just how stupid you are with things like "Stupid fuck Arabian" "fak u Putin asslick" "we fat cuz we ritch" " queer " "North Korea" "ISIS" "BEST SUPAPOWA EVAAAAA". Absolutely fucking hilarious. They've taught you well, you automatically spew hate on cue based on what you've been told is 'evil': Queers, Arabs, Russians, North Korea. So, so blinded, it's hilarious.	Fat, Queer	Physical Identity - Physical Features, Sexual Identity - General, Sexual Identity - Male homosexuality	3/155	1.935

NeuroticLobster The dude is a fat fuck, it's not bullying it's just fact. He will die young if he doesn't do something about it. Another fact. Your body simply can't sustain that weight. I was fat once, and no, you aren't "born fat ", there are no conditions, no cop outs, no two ways about it. Eat fat , get fat . Calories in, calories out. It's as simple as that. Now, it's certainly hard to motivate yourself sometimes, but the first step is to admit you're fat and you eat pig food and you sit around all day, only exercise is walking to and from your car or 'round the store picking up more fat food. I play video games (I resent the term 'gamer') and I do other things, of course playing video games =/= fatty mcfat fat , but not moving and not watching what you eat all adds up. Calories in, calories out. 2+2=4. It's not "bullying" or "mean", it's just true.	Fat, Fatty	Physical Identity - Physical Features	9/162	5.556

phat its fat	Fat	Physical Identity - Physical Features	1/3	33.333

layla lool No, you are not " born" fat , you get fat by eating fat and not moving enough. Calories in, calories out. It looks like it's genetic because fat parents will feed their kids the same fat food that they eat, making them all fat . The problem with being fat is that it is incredibly unhealthy. Fat people die incredibly early, we waste a lot of money catering to their inability to eat properly and to move further than the walk to their car. They make their children fat by feeding them the same crap they eat, and people think that that's just fine because "DNA" or "itz ma cundishun" - no it's not, you eat fat , you get fat . People should be told they are fat and they should be encouraged to do something about it. It's only natural to want to help someone. How can you sit by and watch someone kill themselves whilst saying "hey, stop being mean it's not their fault"; would you do the same if someone was about to jump off a bridge?	Fat	Physical Identity - Physical Features	12/180	6.667
Nycrosis These people already ARE killing themselves! Why would you stand by and let them do it!? Doesn't that make you feel sick? They're killing themselves, and you're standing there saying "you make me sick, you are disgusting for pointing out that someone is fat and needs to lose weight before they die". It's not bullying, it's not mean, it's fucking reality. I once was fat , and I know how glorious it feels to lose weight. Being fat is entirely your own doing.	Fat	Physical Identity - Physical Features	3/83	3.614
Darc Gibson "Being fat is entirely your own doing." Exactly. Which means it is no one elses concern. Also, telling someone to loose weight isn't bullying, you're right..... Depending on how/why someone says it. Lets be realistic here, do you really care all that much if someone eats themselves to death? As mean as it sounds, I don't. That is their own problem, not mine or anyone elses. However, it does make me sick the things people say(not just loose weight..). By this, I mean calling people names or treating them as if they're not human because of their weight.	Fat	Physical Identity - Physical Features	1/100	1.0

Here's my guess on why AGP did that. He didn't want to be alone Michael is the only one that shows up and sometimes they have bad times and sometimes Michael sees the smile on Grandpas face. That was kind of rude of them not going to spend time with Grandpa, they planned not to go and grandpa wanted them to come. He's getting old and I'm sure that Michael loves and wants to see his Grandpa smile. I think grandpa should have just talked, but also Michael should have got in front of the PS4 I'm sure Grandpa would know better than to hit his son and go to jail. So Michael should stop crying and maybe do what grandpa wanted to do. You know how much time does Michael even have left with Grandpa.	Old	Age - Over 65s	1/136	0.735

The acting Is terrible In different places through out the video. We all know It's an act, cmon. But we still watch It. You knew that If "Angry Grandpa" threw the PS4 through the glass table would make It sooooo more entertaining to watch for the viewers didn't you? And you fucking knew from the beginning that he was gonna fucking chokeslam the fucking console through the table because he fucking failed so many times (Could have stopped him at any time) to the point where he had to fucking hit the table with the hammer. You could have stopped him at any time "Pickleboy". "EHHRR DERP HOW COULD I HAVE STOPPED HIM, ERHHH" Bitch please, he is 80+ and Mr Pickle boy Is a 360lb mountain of fat , Impossible to move, so stopping him would be next to 0 effort. And just because the pranking channel Is real doesn't make this fucking real you stupid idiot. Drama Is always eye-candy. There has been freak'n tv shows that turns out has been fake, but some still watch them to this day and that shit's on TV aswell. Everytime michael gets in an argument with agp he always trys to find some way to blame it on bridget or argue with her or something. It is never her but he makes it about her. As soon as agp said he wanted to make cookies and left Michael said "I told you we should have done the cookies" he needs to realize that he is the one and he needs to stop being a baby and crying about everything agp breaksHe has done it for years and he is still crying about it. I also wanted to say that the very first time I started watching agp I thought michael was gay and I couldn't stand him. Because he used to always do a gay sound that would annoy me and he still does it so.....I'm not a hater and this is actually the first time I'm making a mean comment but I'm tired of him acting like a child I mean..he still plays. I am literally shocked because of all these comments about the guy being "fat" even if he is a bigger person what is your goal or what do you think that you are getting accomplished by calling him fat !!!! If he is happy what does it matter honestly back then it was whites and blacks should be treated equally but now it should be that bigger people should be treated with the same respect and equality as skinny people if you are overweight and you are happy with yourself that is fantastic don't let other people bring you down because they called you fat honestly I have very very little hope left in society today	Fat, Skinny	Physical Identity - Physical Features	4/115	3.478
