Comment	KeyWords	Sociolinguistic variables (Hiper - Hipo)	Hate Speech Frequency	Hate Speech Fre- quency(%)
Bill Clinton is the King of Sexism and his wife has no problem with it.	Sexism	Gender - General	1/15	6.667
For everyone who is asking where the sexism is: saying his wife does everything he tells her to do, saying putting a wife to work is a dangerous thing, and comparing women to buildings. You’re welcome x	Sexism	Gender - General	1/37	2.703
Who ever posted this is a stupid libtard	Libtard	Ideological and Political Identity - General	1/8	12.5
Everyone in the comments wrote their comment two years ago when Donald became president. I bet they really regret voting for such a man. A man. That’s really all he is, nothing more. It really is sickening that he can’t even be a gentleman. I can’t even imagine how it feels for woman .	Nothing, Woman	Age - Youngsters, Gender - General	2/53	3.774
where was the sexism ?	Sexism	Gender - General	1/4	25.0
0:56 how is that sexist? You mean forced to pay a pregnant woman who isn’t eve working isn’t a inconvenience for a business? Is it a blessing then?	Woman	Gender - General	1/28	3.571
Oscar Clarke I’m guessing your a man. Your only thinking of the men’s side of the story, think about how women feel when a man tells her ‘ you can’t work here, your pregnant!’ And why should a man not treat a woman right when she’s pregnant? Men are the ones who get us pregnant. So it’s their responsibility too.	Woman	Gender - General	1/60	1.667

Where is the sexism ?	Sexism	Gender - General	1/4	25.0
I actually think he's completely right on the last one, Clinton got as far as she did because she was a woman . She would have been a terrible president and a male with her exact abilities, personality and past wouldn't have even gotten the nomination.	Woman	Gender - General	1/45	2.222
so wheres the sexism ?	Sexism	Gender - General	1/4	25.0
Blood5kull I think you took what I said the wrong way, I'm talking about sexism for women in relationships, the pressures to always seem like a "perfect little wife" and how some husbands (like trump) want there wives to just be that. what you're talking about , although it's not the best thing to do if u like someone, we all do anyway	Sexism	Gender - General	1/64	1.562
everyone can be mistreated by the opposite sex , but not all women do that for fun, there's a little something called a trophy wife you might want to look up	Sex	Gender - General	1/30	3.333
What a double standard. Women also use men to get their money and fame too you know. And there is something called a trophy husband, where women selectively choose hotter men and have either the wealth or the fame and expects men to do whatever the woman pleases in order to keep on the relationship. You can't always have people claim that women are victims because most of them can take care of themselves.	Woman	Gender - General	1/74	1.351
Blood5kull I can't agree more, as I said, everyone can face sexism in their life, we shouldn't ignore it just because it's a man	Sexism	Gender - General	1/24	4.167
Daphne V can u make me a turkey sandwich and can u please use low fat ranch in it, I'm trying to watch my figure. Go Trump!!!	Fat	Physical Identity - Physical Features	1/27	3.704
Make me a sandwich, broad.	Make me a sandwich	Gender - Female intelligence	1/5	20.0
Fernando Wong Probably punch him in the face or pull out my pepper spray and put it to good use! I've dealt with several egotistical, sexist, grabby assholes in my time and I'm just beyond fucking over it (as are most women who've experienced that, I'm sure). We just shouldn't have to deal with that, period. Our bodies are our own and should be respected as such. Never sexually touch a woman unless you are explicitly invited to! I feel like that's a pretty obvious rule of thumb but somehow there are still so many people out there who don't seem to comprehend it. That or they just don't care I suppose.	Woman	Gender - General	1/112	0.893

Daphne V bitch didn't I tell u to make me a sandwich!!!	Make me a sandwich	Gender - Female intelligence	1/12	8.333
Josh Kimmings A few times actually. Only once did I ever actually have to resort to violence (a swift knee to the balls) but in the other times I literally just ran my fucking ass off or found a group of friends or women to help out. I know that most men are truly great, awesome human beings who would never dream of treating a woman badly but sadly they do exist.	Woman	Gender - General	1/72	1.389
Savannah that's because they are fat and alone and nobody want to make them a sandwich so they hae to move your big ass to eat XD	Fat, Nobody	Age - Youngsters, Physical Identity - Physical Features	2/27	7.407
Lance Jackson idk dude. I'm a dude myself and woman should be treated equally imo. Don't you'll have a mom? Have sone respect dudes.	Woman	Gender - General	1/24	4.167
Lance Jackson you're so dumb!	Dumb	Physical Identity - Physical (and Mental) Impairments	1/5	20.0
So trump think pregnancies are an inconvenience yet thinks woman should be punished for having an abortion?	Woman	Gender - General	1/17	5.882
He said that women do not have to work 0.29 "Putting a wife to a work is a very dangerous thing". Everything is logical, he confirmed that he considers children to a woman more important than employment. He said that bad to kill children. I like him and I'm a woman .	Woman	Gender - General	2/51	3.922
Feminist are Sexist, and Lesbian . He is not a Sexist, He's Funny	Lesbian	Sexual Identity - Female homosexuality	1/12	8.333
corrolla i can being up more examples that the left are more sexist than Trump being Sexist or even racist for that matter	Racist	Ethnicity - General	1/23	4.348
JimmyGunXD556 Says the one who has a youtube name a 5 year old would have. So you say you are a sexist?	Old	Age - Over 65s	1/22	4.545

JimmyGunXD556 Your comment doesnt make any sence and i never watched cartoons lol. You are a special kind of dumb .	Dumb	Physical Identity - Physical (and Mental) Impairments	1/20	5.0
overlord. yes, a special kind of dumb , indeed.	Dumb	Physical Identity - Physical (and Mental) Impairments	1/8	12.5
Yes...especially when talking about dating 10 year old girls in 10 years! Seriously, who sees a 10 year old girl and says/thinks that?	Old	Age - Over 65s	2/23	8.696
No, troll. This was a radio discussion between two associates, with one asking if it was "okay" with a dad, Donald to call Ivanka "a piece of ass." Donald said it was fine! THAT is the issue. NO man I know would tell another man that was ok and it would be pretty clear from just a quick look that the other guy better find another way of expressing himself. This wasn't a cat-call in some dark alley! Grow up and stop twisting things to make Trump and rape comments/jokes seem acceptable. Assholes like you are the reason Trump got elected. Either you're some uneducated, jealous moron who believed obviously false crap like the Clintons worshiped Lucifer and performed alien blood rituals OR you're some weak, sniveling little lazy sucking-off-the-teat socialist who make normal Democrats look bad. I doubt you've ever held a real job for more than a few months. Do you give waitresses a hard time too? You remind me of the kind of guy that bitches at the firefighters for leaving their child's new shoes inside the burning house they got saved from, even though the firefighter went back in and risked his life to save the family's pets. Mitt Romney is a very diplomatic person, but I doubt he would ever say it was "fine" to describe his own daughter that way or just sit by and let it happen. I'm very sorry if you were raised where things like that are ok. And I'm sorry for your daughter, if you have one, that her father is not a stronger man. Go back and play your video games. Let the rest of us do the heavy lifting while you sit and critique.	Alien	Nationality - General	1/286	0.35
Rico Suave LOL what got your panties in a bunch, faggot ? Yeah in the context of the show, it was totally fine for Howard Stern to call Ivanka a hot piece of ass. That's what his show and personality are like. You're a soft fuck who gets offended over everything and resorts to violence when someone offends you. Lol pathetic little man.	Faggot	Sexual Identity - Male homosexuality	1/62	1.613

FERNANDO: LOL I must have hit a yuuuuge nerve on your never holding down a job! Educated people don't use the word faggot these days, loser. You sound like you're a kid, so I'm done here. But one last thing: Man, get a job, it will make you feel so much better about yourself and give you less time to fret about the size of your micro penis. I bet your hands are small too.	Faggot	Sexual Identity - Male homosexuality	1/75	1.333
Rico Suave Nothing you just said makes sense, cucko. First of all, just because I don't respect one firefighter doesn't mean I don't respect ALL firefighters. What kind of logic is that? Secondly, insulting me as a millennial when a majority of millennials are liberal? Wtf? I'm a Conservative, so how is that an insult?	Nothing	Age - Youngsters	1/55	1.818
Rico Suave Don't blame us cuz your gay .	Gay	Sexual Identity - General, Sexual Identity - Male homosexuality	2/8	25.0
Rico, he wouldn't care if someone said that to his kid because, nobody will have kids WITH him. He probably knows this about himself, and is why he blames the female.It's not the female's fault that nobody wants to have kids with him.	Nobody	Age - Youngsters	2/44	4.545
Trump knows NOTHING about the world - He is a con man - He is a poor person's idea of a rich person lying about the money he has and the tax he pays. He will literally say the same meaningless things three times. Smart people don't talk this way. He attracts sick fucks like Alex Jones, Sean Hannity, Bill O'Reilly, Anne Coulter and a failed Rudy Juliani. That said it's the very sad uneducated, white evangelical males that are really hurting. They like him because he's an irreverent, misogynistic womanizer who will prostitute any of his values to his own end. They simply DON'T think about his Presidential suitability or the fact he will torture people or waterboard them. Nor do they wince when he openly boasts about using his POWER to prey on women and sexualize them. It's Trumps legacy and the gun crazy white trailer trash deplorables this country has to worry about - not ISIS	Crazy, Nothing, Trailer trash	Age - Youngsters, Ethnicity - White, Physical Identity - Physical (and Mental) Impairments, Social Class - Working class	4/159	2.516
Wizard ofAUS go to Iran and see how they will treat you as a woman . (At least i think you're a woman . Judging from you profile pic, you could be Harambe for all i know)	Woman	Gender - General	2/35	5.714

I'm not voting for a man who brags about his criminal sexual assault on women, his desire to date his own daughter and the five times he used deferments to get out of defending this country (Draft dodger). He has paid no taxes for the last 15 to 20 years, filed bankruptcy six times, and now thinks he can run this country. I have been a man for 48 years and I would never talk that way. Because I have two daughters and if Trump or someone like him ever grabbed them by the privates I would kick their a\$\$.	Sexual, dodger	Gender - General, Religious Identity - Jewish	3/153	1.961
Sexual assault should never be accepted in anyway or form. I served in the U.S Marines for 4 years and am a gulf war and Somalia vet. The last 20 years I have served as a police officer and E.M.T. I have given 10000 times what Trump has given to this country.				
Lance Jackson Sexual assault should never be accepted in anyway or form. Not even by you!	Sexual	Gender - General	1/16	6.25
WTF date his own Daughter??? ARE YOU FOR FUCKING REAL??? That's the most delusional thing I've ever heard about Trump. Trump tried to give us the USFL and you say he didn't do anything for the country GTFO, thing that's mind boggling about you is you support a woman who killed 4 American soldiers in Benghazi and acted like she had to do with it. LOL	Woman	Gender - General	1/66	1.515
Thank you so much for serving our country, backspace4353! Trump is the last thing we should want in the US. I have dealt with several Trump supporters, and have called them out. I asked them if they supported the words of Adolf Hitler as well, and they said, "no, Trump is not like Hitler!" He is like Hitler because he hates several groups of people, he is a rapist, racist , sexist, hateful man. Trump supporters also have the same attitude as Hitler, and so does Trump himself. I'm so thankful that you served our country.	Racist	Ethnicity - General	1/95	1.053

Grace De Jong - This person isn't serving there country and neither are you. I bet you didn't call those trump supporters out you only screamed at them ans acted like a child because people like me know how ignorant and moronic you are. He dosen't even rape if he did he would be arrested already. He isn't racist he is trying to protect our borders from ILLEGAL IMMIGRANTS not legal. Where is the sexism he has right now where is all the evidence of that? CNN? CNN is fake news you let your feelings get ahead of you to get so easily manipulated by everyone. He isn't hateful if he was i'm 100 he would be like you people. Donald Trump dosen't have the same attitude as Hitler if he did he would be still be a democrat, and trump supporters don't have the same actions aa hitler if they did they would be like you and try to destroy america. You people don't serve your country you don't thank veterans who served there country. You only want it to be your corrupted why to do whatever you want. I know trump sais some bad things in the past but it was all in the past and he said sorry so move on.	Racist, Sexism	Ethnicity - General, Gender - General	2/214	0.935
Trump is the one who called Rosie O'Donnell a disgusting pig, not Clinton. And Trump said that Mexicans bring in problems, not Clinton. Trump interacted inappropriately with Russia, not Clinton. And Trump mocked a disabled reporter in front of a crowd, not Clinton. Don't tell me what I do and don't do.	Disabled	Physical Identity - Physical (and Mental) Impairments	1/52	1.923
How do you know? you are neither a woman or a Muslim. Would you want some slime calling your daughter filthy names? Really?	Woman	Gender - General	1/23	4.348
the problem mainstream media is having with Donald Trump is that he's not gay .	Gay	Sexual Identity - General, Sexual Identity - Male homosexuality	2/14	14.286
JimmyGunXD556 and the people who say he'd a great president are usually people who old white and spend a suspicious amount of time with their cousins and don't seem to like anything that is the white male	Old	Age - Over 65s	1/37	2.703
JimmyGunXD556 and onedonald hasn't got any one jobsbut about the carrier dealdonald isn't president and so therefor none of his policies are in effect he's done nothing and besides most of the jobs well given to automated machines	Nothing	Age - Youngsters	1/41	2.439

JimmyGunXD556 no there notnot when your president is a sexist racist idiot who said "we have nuclear weapons why don't we use them?" 3 times and for his plan to fight isis "i would bomb the shit out of them"and he also said "you have to take out their families" which is a war crime	Racist	Ethnicity - General	1/57	1.754
Lewis Murphy because nobody in the world would care about the people he would drop the bombs on. the Middle East is nothing more than stupid barbaric f**** ignorant assholes that f*** everything up for everybody else.	Nobody, Nothing	Age - Youngsters	2/37	5.405
Why are you guys getting so offended? I'm a woman and I wasn't offended at all, to me it sounded like he was joking in some of them, and the ones where he wasn't joking, he was stating facts! He will be a great president.	Woman	Gender - General	1/45	2.222
They are not offended Kaitlyn but the pussy whipped betas think that you women expect them to pretend they are so they virtue signal like crazy trying to be holier than thou. It's all a sham. Very few men are genuinely offended by anything Trump says. I'm not. I laugh at sexist jokes, stare at cute girls and objectify pretty girls.....guess what so does your husband, boyfriend or whatever. Its what men do. However we also work and struggle to keep and care for the women and children in our lives. we also do that. Trump 2016. Making America Real Again.	Crazy, pussy	Nationality - Chinese, Physical Identity - Physical (and Mental) Impairments	2/101	1.98
Just because you as a woman take it as a joke does not mean everyone should. I as a man see the sexism and the misogyny men are capable of and I am truly ashamed of it. You can't say all of that and cover it up as a pretext of a joke	Misogyny, Sexism, Woman	Gender - General	3/53	5.66
I can't ser any sexism in this video	Sexism	Gender - General	1/8	12.5
Arvgyl lol ur blind bish	Blind	Physical Identity - Physical (and Mental) Impairments	1/5	20.0
I agree, the inconvenience for businesses was literally just fact. He didn't put anyone down. Following up that, the statement about Hillary Clinton was saying that a lot of people are voting for her solely because they want a woman president. He didn't say anything bad about being a woman	Woman	Gender - General	2/50	4.0
ok so how is he sexist? how's he racist ? please explain	Racist	Ethnicity - General	1/11	9.091

You're the biggest dumbass in the world. If you haven't picked up that he's sexist or racist then go to work and let your boss say all those things to you and your wife you kkk self narcissist disease eating pig	Racist	Ethnicity - General	1/41	2.439
terry bleker jr. Not enough white space to explain but here we go: he's a racist because he refused tenancy in his building to people of color, he's a sexist because he routinely makes disparaging comments about women calling them fat , ugly, disgusting, insinuating they only have a job because	Fat, Racist	Ethnicity - General, Physical Identity - Physical Features	2/50	4.0
terry bleker jr. That would mean you have no understanding of the concept of sexism or racism If you don't know how he's sexist or racist	Racism, Racist, Sexism	Ethnicity - General, Gender - General	3/26	11.538
terry, he is not racist or sexist	Racist	Ethnicity - General	1/7	14.286
Maitili Varma so insted of saying "you wouldnt understand how hes racist !" or "Hows he sexist? He just is!" Provide us with the facts of what he said or did insted of exhibiting you feelings on him. The examples provided in this video were very weak and do not represent him as racist or sexist in any way.	Racist	Ethnicity - General	2/58	3.448
I do not see how any self respecting woman could vote for this pig.	Woman	Gender - General	1/14	7.143
As opposed to a man who fancies his own daughter and spoke about dating a 10 year old CHILD in 10 years time???? I'm not saying Clinton is perfect (far from it) but come on....	Old	Age - Over 65s	1/35	2.857
this video makes no sense. I see y we have a lot if effeminate men	Effeminate	Sexual Identity - Male homosexuality	1/15	6.667
Alright I don't feel like I'm wrong because anybody supporting trump falls into his category of alienated species with no common sense, sense of human integrity or any supporting arguments at all. Also, how do YOU feel for being wrong because even if this dumbass gets elected there's absolutely no way he's legally serving more than two terms.	Common	Social Class - Working class	1/58	1.724

+Jennie Feyen I think it's clear, if you could but look past the shiny superficial hypnotic glass of your own thin understanding of many aspects & facets of modern feminism, that the commenter was speaking of some of those hidden aspects which are intended to erode the very rights & interests they claim to protect in our society. I seriously doubt he/she was referring to the very basic things which you so convenient ASSUMED, PROJECTED, then struck at. And without even asking & listening first to learn & to clarify.	Thin	Physical Identity - Physical Features	1/90	1.111
Deepsouth Starseed your jokes are lame .	Lame	Physical Identity - Physical (and Mental) Impairments	1/6	16.667

Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Gender - General; Ideological and Political Identity - General;Age - Youngsters;Physical Identity - Physical Features;Gender - Female intelligence;Physical Identity - Physical (and Mental) Impairments;Sexual Identity - Female homosexuality;Ethnicity - General;Age - Over 65s;Nationality - General;Sexual Identity - Male homosexuality;Sexual Identity - General;Ethnicity - White;Social Class - Working class;Religious Identity - Jewish;Nationality - Chinese;
- The percentage of hate speech related words is 1.1853.
- Considering that the variable **Gender - General** has the most occurences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 93/290 occurences of hate speech related comments.
