| IMO, women perpetuate their own age discrimination by buying into all the media bullshit they watch, read and gossip about. They are their own worst enemy. | Age | Age - General | 1/26 | 3.846 |
| True. Just like idiots being proud of being born a certain race or born in a certain country. Yeah, good job on being born. Well done. | Race | Ethnicity - General | 1/26 | 3.846 |
| and the other way around, why would it be something to hide or be ashamed of?For most of history, people didn't make it past 25. We should all be a little more grateful for the time we get! Age is a pretty arbitrary number anyway. | Age | Age - General | 1/46 | 2.174 |
| You totally misunderstood me. I did NOT say that men LOOK more attractive at 40. I said they BECOME more attractive. Attraction is not a beauty-centric term only (at least, that's not how I used it). I'm not naive enough to think that men start looking like Brad Pitt as they age . Of course they get grey, wrinkley and old just like women – and arguably worse. My point is that men's options increase as they age . | Age, Old | Age - General, Age - Over 65s | 3/77 | 3.896 |
| Umm, I don't know a single man in real life or "Hollywood" that has gotten more attractive as he got older. Seriously, not one. Some age better than others, but pretty much everyone looks better at 25 than they do at 45. Younger women go for older men for their biological impulses also. Just as men seek youth&beauty, women seek security. And even an older man w/a crappy job, car&house can look like he has more to offer financially than her peers. We don't like guts&saggy skin anymore than you do | Age | Age - General | 1/91 | 1.099 |
| It's reassuring to know that you find people your own age attractive as you grow older... | Age | Age - General | 1/16 | 6.25 |

| I look much better than in high school. And I really hate that in my age (or should I say 10 years above me) every woman on every dating site lies she's 10 years younger than actually. And it's contraproductive, because she might look hot for a 40 year old , but not for a 30 year old . | Age, Old, Woman | Age - General, Age - Over 65s, Gender - General | 4/57 | 7.018 |
| I am so terrible I was slightly depressed when I turned 19, but as I see it every year is closer to death and there is not enough time. Don't hate me. Just that I am going to hate when I'm really old because I have terrible genes and will have all the problems. | Old | Age - Over 65s | 1/54 | 1.852 |
| Nothing wrong with getting old at all. Now that being said this story is such b.s.This women acts way too confident to over compensate. I dated a cougar who was smoking hot but god was she a mental wreck confidence wise. Especially if they're still single and have no kids. Or just newly single.Also Ana if you like getting older so much why do you wear make up that makes you look younger? Just a thought.Cenk seemed like the most honest one here.Hey I'm 29 so I'm getting there too. Meh | Mental, Nothing, Old | Age - Over 65s, Age - Youngsters, Physical Identity - Physical (and Mental) Impairments | 3/95 | 3.158 |
| This woman swears more than a sailor. | Woman | Gender - General | 1/7 | 14.286 |
| i do not care about age so much,while yes older women MIGHT be better in bed,this is far from always the case,and there are just as many sexually uptight 20 yrs old's as there are sexually uptight 35 yr old's there are cultural "touchstones" that are still relevant to 20yr olds today, that were around 20 yrs ago, but why should you try to connect with someone by talking about the fucking cosby show? my GF is 20 i am in my 30's and its awesome, we like the same music the same video game etc... | Age | Age - General | 1/96 | 1.042 |
| You love him because you're gay , amirite? | Gay | Sexual Identity - General, Sexual Identity - Male homosexuality | 2/7 | 28.571 |
| "people go demented with age too."Given that your initial stance was " Ageing is a bad thing", all the negatives would be included in that statement (which didn't need to be addressed). I was stating the positive side effects of age . | Age, Ageing | Age - General | 3/41 | 7.317 |

| Because the hot chick in high school didnt saw the need to maintain her health. She didnt do the progress for all the years to come and then we get the result... | Chick | Gender - General | 1/32 | 3.125 |
| Wrong. It's been proven that conservatives are more sexually aroused by gay erotica. Look up 'latent homosexuality' on wikipedia. "The results of this study indicate that individuals who score in the homophobic range and admit negative affect toward homosexuality demonstrate significant sexual arousal to male homosexual erotic stimuli." | Gay, Homophobic, Homosexual, Sexual | Gender - General, Sexual Identity - General, Sexual Identity - Male homosexuality | 5/48 | 10.417 |
| You want proof you're music sucks. A country musician has won the MTV Awards! When I was a teen, country musicians couldn't even get the time of day in MTV. Because no matter how "good" a country song was, everything else was so much better.And I'm not old , you're just an idiot. | Old | Age - Over 65s | 1/53 | 1.887 |
| Shes mad cuz shes old ? | Old | Age - Over 65s | 1/5 | 20.0 |
| I don't want sex , dingus. I want to make a point to help this woman's understanding. I don't see why she'd think I'm "a pussy " because I said that. Calm down, kid. | Sex, pussy | Gender - General, Nationality - Chinese | 2/32 | 6.25 |

Organ formation from an organ tissue taken and constructed as a backup will be common , hell they have developed bladders a beating heart , skin and liver in the lad. | What Wes says at the end is true. All the really smokin' hot and popular girls from my high school (graduated 1991) are ugly. A lot of them got fat . You know who the hottest ended up being as adults? The nerdy artsy girls. The chicks were were sort of loners, average students, a little different but quiet. Some of these girls ended up so attractive, and thin . | Fat, Thin | Physical Identity - Physical Features | 2/68 | 2.941 |
| Oh stop it. It's not like a bunch of marketing people decided that being old sucks. They're simply adapting their messages to what we already believe. And what we believe is instinctual. Women's drop in fertility coincides with how attractive men find them. That's why it's so classic for men to ditch their wives around 40 and go after a younger girl. Ironically, men become more attractive as they get older. This is nature. Yeah, it sucks. But marketers didn't invent it. Get real, idiots. | Old | Age - Over 65s | 1/85 | 1.176 |
| you are misunderstanding gaining knowledge and wisdom with the actual process of ageing .If ageing could be eliminated scientifically you would gain the same wisdom and experience without ageing . Ageing does not cause you to be wise. Besides getting wiser with age and deserving more respect just for being old is not always true or applicable, people go demented with age too. | Age, Ageing, Old | Age - General, Age - Over 65s | 6/61 | 9.836 |
| the worse age is 17. It's basically life telling you: "Fuck you, I'm not letting you turn 18 yet" | Age | Age - General | 1/19 | 5.263 |
| are we talking about being too old because 37?!where are you living? I mean "When"? 17th century? | Old | Age - Over 65s | 1/18 | 5.556 |
| Whoops reading that over it's, you don't have to be old to be wise. That killed that. Onwards to the next random reference! | Old | Age - Over 65s | 1/23 | 4.348 |
| Betty White sure has loosened up comedy wise over the years. I remember seeing Stuttering John ask her in an early '90s Stern clip if you fart in your house do you blame it on the dog? She took offense and walked away lol. Now she's cracking her own fart jokes on snl. Good for you Betty! You don't need to be old to be wise (couldn't resist the Judas Priest reference sorry lol) or not give a shit what others think. | Old | Age - Over 65s | 1/82 | 1.22 |
| I wish they had actually discussed this topic instead of letting Ana read the quotes and then Cenk brings it back to his experience. Hello! Are you a chick ? This topic was supposed to be about women, not the guys, I thought. | Chick | Gender - General | 1/42 | 2.381 |
| So, she's basically complaining about ageism while being ageist agaisnt younger women? That's like defending fat people against discrimination while insulting skinny people for being too skinny . | Ageism, Ageist, Fat, Skinny | Age - General, Physical Identity - Physical Features | 5/27 | 18.519 |

|--|-------------|------------------|------|--------|
| A woman's libido peaks in her 30s so it's not surprising a lot of men find them hot. I'm 60 this year and I am happy to say my libido has died a painless, natural death. I know my body shows its age but I am proud of my *life*, my living of it, and this ageing is part of that. If one does not embrace it then it will envelope you, suffocate you and, yes, age you with stress. | Age, Ageing | Age - General | 3/80 | 3.75 |
| Gravity doesn't help old women | Old | Age - Over 65s | 1/5 | 20.0 |
| I'm a woman who's proud of being 43, and my mom is proud of being 75. Clearly you can see my influence. | Woman | Gender - General | 1/22 | 4.545 |
| " Ageing is a bad thing, we all know it to the core" It has good aspects to it, too... | Ageing | Age - General | 1/19 | 5.263 |
| I am not buying it. What next? They are talking about ageing in mostly physical sense , whats next? people being proud of their brain tumors? This is just tapping into the insecurity of the mid -life crisis people, who would then want to be like her, probably want to read her books in future etc. Ageing is a bad thing, we all know it to the core, being comfortable is with it is different than being proud of it. | Ageing | Age - General | 2/80 | 2.5 |
| Listen, the world has long changed and America is not a place where women can afford to NOT work. Its just not feasible if you're single or your husband does not bring in enough to support a family. Thats just the way it is so get use to it. And as a married woman I can say feeling "taken care of" is about much more than just money. It involves emotional support, a sense of teamwork and commitment on both sides. It's not your illness thats to blame for being you single, its your attitude. | Woman | Gender - General | 1/95 | 1.053 |
| It all comes down to targeted marketing. Beauty suppliers want women to feel bad about growing older. And they target young women in their twenties and early thirties as well. There's a huge market for making people feel bad about themselves so you can sell them a miracle cure. But I think some of you are missing her point entirely. Women in their thirties are usually more confident because they are more focused on other things other than just being attractive to the opposite sex . | Sex | Gender - General | 1/85 | 1.176 |
| the only pressure women feel is to look half way decent. that's easy, just don't pig out. whereas men are faced w/more pressure and have it more difficult. take me, i got a chronic illness and had to give up old career and i can't get a date now | Old | Age - Over 65s | 1/49 | 2.041 |
| much moreso for men. studies show if man loses job the woman often divorces him. if reverse happens, it has no effect on the marriage.if women wanna feel 'taken care of' still, fine, we'll go to the lousy job and make the \$, but then don't take our fucking jobs | Woman | Gender - General | 1/50 | 2.0 |
| tell that to my 50year old mum, lol | Old | Age - Over 65s | 1/8 | 12.5 |

| I'm sorry but I don't know any women that lie about their age anymore. I know in the 90's that was big but I think most guys are into older women nowadays. | Age | Age - General | 1/32 | 3.125 |
| Why would you be proud of your age ? Congratulations you made it that long. | Age | Age - General | 1/14 | 7.143 |
| I am basing it off of personal experience (for myself and others).Most of my relationships have been with older women, but try this:Go into an internet chatroom as, say, 20 year old male and try to talk to women. You will find it awfully difficult to get much out of a woman a few years or more older.I say chatroom...you could try everyday life but here you can do a big study. | Old, Woman | Age - Over 65s, Gender - General | 2/75 | 2.667 |
| Maybe we should recognise old women say above 48 are useless (I've heard they dry up). They should be put down. We could also start a new genetic program where 3x as many women are born as men so the recently widowed older men can have younger women again. Maybe men could have 2 wives? All good ideas. | Old | Age - Over 65s | 1/58 | 1.724 |
| When society imposes a stigma on something, such as age , people who are afflicted by that stigma fight it by being proud of the thing stigmatized, rather than ashamed of it or covered by the stigma. Hence gay pride, for instance. | Age, Gay | Age - General, Sexual Identity - General, Sexual Identity - Male homosexuality | 3/41 | 7.317 |
| How isn't it? You want a woman who is bad in bed? | Woman | Gender - General | 1/12 | 8.333 |
| i am sorry, but it is scientifically proven fact that men are most attracted towards women of age 16-22. so woman at the age of 37 may feel attractive and all, but nature says something different... i am 28 already i wish that lady was right, but she simply isn't. and honestly i don't know many women who at that age look better than girls at their twenties... | Age, Woman | Age - General, Gender - General | 4/68 | 5.882 |

| Having reached my 50's, I know how much of a pain it is to get a job. Experience is discounted, unless, as I 'joke' - employers want a 20 year old with 30 years experience. | Old | Age - Over 65s | 1/35 | 2.857 |
| No wes is pretty hot and It is weird for me to say that my brother name is Wesley. Maybe I will just call him Mr. Clark. Yes, I am okay with that. | Weird | Physical Identity - Physical (and Mental) Impairments | 1/33 | 3.03 |

| I do agree, some of the gorgeous women from my schools when I see them now. Aint really hawt anymore. But it is true, we do get confident as we get older - unless you had a trauma that has effected you. Combined with societies pressures on both sexes. It does seem particular issue older women though. See less of them on TV when the hit a certain because of that- remember been issues of ageism in the UK. | Ageism | Age - General | 1/79 | 1.266 |
| Wes Clark is such a babe! and thats coming from a 41 yr old woman ! | Old, Woman | Age - Over 65s, Gender - General | 2/15 | 13.333 |
| Jesus, I felt like I shouldn't have been watching Wes counsel Cenk on the realities of age, sex and the human body. When it comes to sex and the physical I feel like C.U. Is a Too Young Turk. Also - Wes is The King Of Keeping It Real. | Age, Sex | Age - General, Gender - General | 3/49 | 6.122 |
| Viva la Betty! "Look how long I've been here. (then looking down my nose if I have to stand on something to do it - lol) I add, "You may not even make it to my age , let alone live to outshine me!" And that's what I say to the kiddies. | Age | Age - General | 1/51 | 1.961 |

| You're dumb . I was going to rhetorically ask, "are you dumb ?" but I don't need to.I clearly said "most cases" which means more than 50.If you really think that most...Actually forget it. Blocked for not knowing what "most" means. 'cos life's too short | Dumb | Physical Identity - Physical (and Mental) Impairments | 2/45 | 4.444 |
| It true somewhere between 2000 and 2006 everything switched. When I was growing up 16yo were thought to be too young and inexperience to be singing and producing music. Now if you are not under 16, you're too old .Its probably why music is damn boring now a days. | Old | Age - Over 65s | 1/49 | 2.041 |
| I usually find it is after woman has a baby do they want to stay home. A lot of them cannot afford to most of them have had jobs before their baby. It is just now they want to spend time with their child and are pressured not to. If as a couple you cannot afford to do that you should go out into the workforce. If men were the only one's to feel this pressure then I'd be like fuck higher education. I am just going to find a guy to take care of me. That is a dying thought process thank feminism. | Woman | Gender - General | 1/104 | 0.962 |
| I'm proud of my age - I worked so hard to get to be 47. | Age | Age - General | 1/15 | 6.667 |

| No one said anything like that, but I've hardly seen a woman above the age of 35 here, and all the women are quite attractive, and with all due respect not all of them seem very especially knowledgeable or smart or insightful, making me question rather they were picked for their looks since TYT has a mostly young male audience after all. | Age, Woman | Age - General, Gender - General | 2/62 | 3.226 |

| You can't change your age . So how can you be proud or not. Its not like if you werent proud you could change it. I think its funny how old people make all the rules , yet money makes them make everything geared towards young people. So young people think they are more important and then call those same old dudes , crypt keepers. Its very interesting cycle of psychosis. Aka the Teenaged Market. Now they market teens having kids as the way to go so you can be a hot young MILF. Disgusting. | Age, Old | Age - General, Age - Over 65s | 3/94 | 3.191 |
| I don't think she was being a try-hard, but her way of telling it does make it hard for me to feel empathy for her . But yeah, this pressure on age comes from different sides. Mostly cause the west is growing old (look at Europe for instance). | Age, Old | Age - General, Age - Over 65s | 2/48 | 4.167 |
| Well...idk there's something in our head as men that makes us attracted to older women when we young and younger women were older. Im 24, so I'm drawn to both equally. In sex terms a younger girl will almost always let me do the work, while older ladies are far more nurturing and like to show you what they can do. Personally I'm much more likely to seek out a 28-32 year old woman for a relationship then a 18-22 year old woman . | Old, Sex, Woman | Age - Over 65s, Gender - General | 5/83 | 6.024 |

| A sociopath means a person who lacks a sense of moral responsibility or as you said, lack of empathy. Not all sociopaths have a high sex drive. The word sociopaths or psychopath is often used as a derogatory term.A psychotic is a person who's suffering from some sort of mental illness. Some may have lack of empathy toward a living organism and their mental illness could be treated with pharmaceuticals or natural remedies. As you know a psychotic person did not choose to be mentally ill. | Mental, Sex | Gender - General, Physical Identity - Physical (and Mental) Impairments | 3/87 | 3.448 |

| Ok stop this myth that women can be good in bed..... Only guys can be good in bed or not.... a female, during sex , will not always get off.... however, a male... will... most of the time... (well, unless he's on drugs... trust me it ssucks to walk away from a throbbing vagina with friction burns on your knees and full sack of nut).I mean.... depending on what position your in it feels different.. but any "goodness" you get out of sex from a female can be accomplished even if she layed there. | Sex | Gender - General | 2/94 | 2.128 |

| Ah no worries, I am not the best typist & I do make mistakes non intentionally. I can't touch type & miss things (even entire words as the mind works faster that I type) No offense at all taken 8)I do not define an evolved human as someone who fights anything. It is equally subconscious to feel empathy so there is no conscious decision to fight or resist. But sociopaths do have a lack of empathy & high sex drive. I am not saying that this is the answer. I am saying there is more to your answer. | Sex | Gender - General | 1/99 | 1.01 |
| Everything changes with time. As you grow older, you notice all the changes around you, you notice changes within you, and you learn to accept that EVERYTHING, everything changes. Some people look at that change and become bitter old farts. Others, like the woman quoted in the video, look at that change and look to the future with pride. I want to be that woman . I want to look at myself and think: Yeah my skin is freckling, wrinkling and aging, but I am growing smarter, wiser and happier. | Old, Woman | Age - Over 65s, Gender - General | 3/89 | 3.371 |

| Well I'm 22 so I know I'm in that "perfect" age zone or whatever but quite honestly I love getting older and I've always been mature for my age . I don't think I'll ever get to a point where i'll feel like I need to lie. I get smarter and wiser as I age and thats what is more valuable to me. | Age | Age - General | 3/62 | 4.839 |
| she just deluding herself and fighting against reality. old people are not as sexy as 20 yo. little vulgar? how is being vulgar lovable? MAYBE they feel pressure because THEY want to look young all on their own | Old | Age - Over 65s | 1/38 | 2.632 |
| I don't mean to be a dick but you have to put a comma after the word 'Well' otherwise it will be considered a run-on sentence. If you define an 'evolved human' as someone who fights their natural desires because it's considered a universally preferable behavior, then you know nothing about science. The statistics that I provided you is only a scientific theory. My comment is not a persuasive letter but rather a scientific observation of the human behavior. | Nothing | Age - Youngsters | 1/79 | 1.266 |

| I admit I'm afraid to grow old but more because of an ultimately futile battle with declining health than looks. I'm 21 so I still got a ways to go but it is kind of depressing that son my body will be declining now that it is pretty much done developing. I don't look forward to constant aches and pains like my mother has. I really hope I don't have a long, drawn out death. | Old | Age - Over 65s | 1/75 | 1.333 |

| She's really proud of being 37? Getting older doesn't require any skill or effort. All you have to do is not dying. Billions of people made it to and way beyond 37. How is this an accomplishment? I would be a little bit more impressed if she was 123 years old because then she would be the oldest person ever. | Old | Age - Over 65s | 1/60 | 1.667 |

| Not necessarily an anachronism, especially for women of a lower economic class where working won't earn you much. There was just a news piece on Nightline about a website catering to sugar daddies. There were actually more women vying for sugar daddies then there were sugar daddies & they interviewed several of them. One was financing her way through college by being a "companion". It's legal as long as there is more to the relationship then just sex . | Sex | Gender - General | 1/78 | 1.282 |
| [Part 1 of my comment] This is why YouTube should allow more than 500 characters. I am not even attracted to women younger than me. My fiancée is my age and I love her. Insecure women assume this theory is just my opinion. Usually when I mention younger women produce a healthier offspring women become defensive, as if it's my fault that the male gender is superficial and more visual comparing to the female. | Age, Gender | Age - General, Gender - General | 2/76 | 2.632 |

| Are you saying that no matter what happens, men are either so weak to be controlled by sexual promiscuity or that they are as a whole, predisposed to this? If you are speaking evolutionary, that would indicate all & every male.Are you happy with citing that all men, due to evolution, cannot help but maintain promiscuity due to an overwhelming sense to not just copulate & ejaculate, but for the express purpose of procreation with young attractive women? | Sexual | Gender - General | 1/79 | 1.266 |

| Hi Frank-It's true that this is biological for men, and I hear them use this excuse often. But in the next breath complain about shallow, gold digging women who won't give them a chance. That's as biological for women as the age thing is for men. So why do they excuse their own biological nature but demonize women for theirs? However, we are not animals&I believe we are here to rise above earthly desires&instead follow our spirit. &there's never a valid excuse for mistreating another person. | Age | Age - General | 1/86 | 1.163 |

| You're right, Leaving wife & kids for an 18 year old is morally wrong but did you know there's a good reason why males are attracted to younger females? Scientists believe men are subconsciously attracted to younger healthier women with an hour glass shaped body because women with those attributes produce superior offsprings. Studies show women are more fertile & capable of having healthier pregnancy between the ages of 18-25. Fertility issues & miscarriages have an increased risk as women age . | Age, Old | Age - General, Age - Over 65s | 2/81 | 2.469 |
| Exactly. Look at Robert Downey Jr. for example. He is 47 years of age and is considered very attractive. And it's not because of his age , but because he is physically in the best shape of his life. | So true, the media keeps trying to sell the idea that younger women want older guys. It pisses me off because I have to deal with these men that are old enough to be father because it. Most women today work, and don't need a "daddy" figure to take care of them. Women whoring themselves to an older man they're pretending to find attractive is an anachronistic construct. | Old | Age - Over 65s | 1/67 | 1.493 |

| Age is an attitude. As for women and age , just don't try to be someone you're not. If I'm looking at a woman of any age , and all I can see is make-up, I'm not interested. The version I want to see is the one that just got out of a shower. A real human, not someone hiding beneath a paint job. The age isn't important. The attitude? Is!! | Age, Woman | Age - General, Gender - General | 5/69 | 7.246 |
| OH, the hilarious irony. Only an article about age discrimination written by a fucking 37 year old would be national news. Come and talk when you are 55 and tell me how it is. Oh, but wait. | You can keep fit and have fun. No need to look worse older. Few people believe I am in my 30's. I am more fit now than I was younger, other than some grey and wrinkles, with care you don't age that fast. | Mostly it's 20 somethings obsessed about being 20 something but older people do not look so fondly on the callow, shallow 20's. Cenk wants a trophy 20 something on his arm which screams "sugar daddy" because no 20 something really wants to date an "old" guy unless they really need the material perks. | Old | Age - Over 65s | 1/53 | 1.887 |
| Women have it in their best interest to lie about their age after their mid 20s because their worth is ultimately determined by baby potential, and baby potential declines with age , especially in the 30s. If a woman is married with children, then go ahead and say your right age . It will be a bragging right to look younger than you are. | Age, Woman | Age - General, Gender - General | 4/62 | 6.452 |

| I don't understand how someone can be "proud" of an age . It changes every year, where does the pride come from? I mean unless you're really old , where's the accomplishment in aging or staying young. I don't think this prejudice on age should exist, mind you, but this is ridiculous. Being proud of your age is like being proud of your " race ", it's pointless and comes with no accomplishments or achievements; you didn't do anything, you just stayed alive. | Age, Old, Race | Age - General, Age - Over 65s, Ethnicity - General | 5/79 | 6.329 |
