Indians in America should be holding seats in every state and federal governments. Not Mexicans . Sanchez is not Indian . And what makes me mad is Mexicans are getting buy pretending to be Indian musicians . Try to find Indian musicians. All you get are people below the border . Only a few are recognized as Indian . They too are stealing what is not theirs from the Indians in America And Peruvians not America Indian .And neither is a Mexican	Indian	Ethnicity - Native-American	5/83	6.024
Native American not Indian	Indian	Ethnicity - Native-American	1/4	25.0
I'm shocked... how sensitive some native Americans are and unable to laugh about themselves sometimes, too. People that are triggered by every little action are so annoying just stay relaxed for once. And everyone who wants to accuse me of racism now, just do so because i don't care no more since racist is used to describe literally any joke that may be slightly, slightly offensive to one sad person living out there. Cry me a river.	Racism, Racist	Ethnicity - General	2/77	2.597
Why are people so racist to native Americans we came and stole parts of their land and we are jerks to them and we have them live in reservations	Racist	Ethnicity - General	1/29	3.448

Why am i not supriised to hear a politician say the speak these words, well beside a very small percentage of politicians that would not say stuff like idiot the rest of them do not care about the american pepole they just care about getting their big pay check and the power that goes with it and the control, but i also feel sorry for them cause to keep their jobs they must and i repeat they must kiss the highest asses that run not just the U.S but the whole world and these pepole are known as the elite, secret societies and by many more names these politicians are bound to do what ever these elite tell them to do and if they do not do what they are told to do on their hand and knees then there is a chance they might not be found no where (R.I.P.) me personally i would rather die standing up then on my knees all these criminals are nothing less than world destroyers. laprinci924 I don't know how you meant it but its usually Indians who are offended at the mixup, not the other way around. But it's because the proper name is for them and not because they have any racist thoughts on Natives. Anyways, you are black , so how would you know any of this?	Black, Racist	Ethnicity - Black, Ethnicity - General	2/54	3.704
HISTORICALLY, YOU DO NOT KNOW ANCIENT AFRICAN HISTORY. THE PALEOAMERICANS (KHOISANS) MIXED THEIR BLOOD WITH THE MONGOLIAN ASIANS AND PRODUCED THE BLACK NATIVE AMERICANS (AFRO - AMERICANS).	African, Black	Ethnicity - Black	2/29	6.897

A native American is ANY American BORN IN America!! The term native American used to describe only American Indians is a relatively recent phenomenon in the history of America and is a result of the ignorance, madness, and lies of political correctness. Those who practice the ignorance, madness and lies of political correctness do not get to redefine the word native, and in the process insult every other native American that is not American Indian !!Approximately 90 of ALL AMERICANS are native American!! American Indians it is great for you all to be proud to be a part of such an amazing country and whatever tribe you associate with, but please don't resort to ignorance and racism in using the term native American while excluding other fellow native Americans who are not American Indian . It is at best being ignorant and at worst being racist .The ignorance, madness, and lies of political correctness will destroy America if Americans do not take a stand for what is true.	Indian, Racism, Racist	Ethnicity - General, Ethnicity - Native-American	4/167	2.395
What about indigenous, or aboriginal? I understand that every single one of us in native to this land, but won't those terms be correct? It's describing to every other race as well. Not just them. Well whether you agree or not, I still hope you have a nice day.	Race	Ethnicity - General	1/49	2.041
American Indian isn't the correct term either. Indians are from India. Lets start calling white Americans "Russian Americans" regardless of their ancestry.	Indian	Ethnicity - Native-American	1/22	4.545

Surq Madeeq Muhammed those are the most deceptive whites. they act like they are colored but in all reality they are just spanish blood. kinda like how all of the Telemundo stars are white.	Colored	Ethnicity - Black	1/34	2.941
peterpiperdiedharper what I was alluding to was the unnecessary nitpicking and persecution between political ideologies, AJ+ is a very liberal outlet and this is just a little act of stupidity that this organization is trying to turn into a big deal. I did that very same act in kindergarten when we were learning about the Native Americans, my guess is in that moment she couldn't think of another way to differentiate the Asian Indian and American Indian cultures and just goofed, and it is very obvious that she immediately regretted it. Even the American Indian lady they were interviewing didn't seem very upset about it.	Indian	Ethnicity - Native-American	3/105	2.857
MrSquiggles i would not compare the act of a kindergartner to that of someone running for government office. She was embarrassed but, only because she got caught doing it. It may not be intentionally racist , but it speaks of what she usually thinks of Native Indians because, it was the first thing she used as an example. That's where the problem is, not what her color is, but her disposition towards a group of people based on what little knowledge she gathered from old western movies(perhaps). It's like the idea that people from Texas are gun wielding hillbilly , or black people are thugs playing loud hip hop in their cars. She is running for a major position, she has to know and understand the diversity of the people and the value of their ethnicity . Frankly, she seemed like a go getter in the small clip provided. Those who seek power are often the least suited to use it it seems, or sth like that. Askjey Hell Yeah and those overly sensitive Native Americans too. You tell em' ! Just as a rule of thumb , you probably should be a member of the group that is or isn't being insulted to make that call. That would be like saying it doesn't offend you when people call dwarfs midgets. If you are not a dwarf , you look like an ass.	Dwarf	Physical Identity - Physical (and Mental) Impairments	1/65	1.538
What is she said, "I thought I was going to meet with 'thugs' when they said African Americans." Would you still be calling these people sensitive?	African	Ethnicity - Black	1/26	3.846
