You disgust me really. It's so sad how someone could be this wrong. Ya know what go back to 1940 if you want and then I'm sure you won't be laughing about abortion and sexual assault. Try getting abused for years by domestic violence. Try being raped and not be believed. Try going to plan parenthood just to purchase some birth control but instead being harassed by 20 white men standing outside. Women don't belong anywhere. Neither do men. Nobody belongs anywhere. But statistically men are always the ones that fucking leave women with the kids and no form of support. Nobody is asking to be treated 'special' except trump. He expects special treatment from women so we are aloud to comment on his beliefs and values. I'm done with this rant, and people like you. Niamh Casey can we please stop acting like we don't have more than 23 forms of birth control NOT including abstinence?...i'm pro gun...guns make me equal and not afraid of a would be raper lol...no he'll go after the weak sisters...read my comment above for clarifications...so there is no celebrity you would bang? you're very special and i will remember to say except this one chick on youtube who says no one can grab her pussyand i'm ALLOWED to express my opinion that happens to find him hilarious and i think you're ALLOWED to have your opinion...and you're disgusting for saying i disgust you with my opinion that is different from yours...i'm only ALLOWED to have an opinion if it matches yours? you suck	Chick, pussy	Gender - General, Nationality - Chinese	2/124	1.613

Kimmy Pfeiffer people like you is why we still need feminism. soon your fucked up ideology will be extinct because more women are going out and getting jobs, having ambitions, striving for equality etc.. it's fine if you want to stay at home with your kids and go ahead, but not many women want to do that any more - we'd rather work and provide for the family ourselves. and saying that, not all women want a husband or a family, so thankyou for your advice Kimmy but im leaving my legs spread wide open, and i'm continuing to fully support any woman in what she wants to do, including having an abortion fyi :)	Woman	Gender - General	1/115	0.87
Number 13? There was no number 13. This whole video was fucking awful. Trump didn't say a single sexist thing in it at all. Maybe something that was rude to another person. But nothing sexist. I was hoping for something better, but it looks like these crazy democrats can't find anything to prove that Trump is racist . Fucking retards. Number 9 Saying that someone doesn't write good isn't sexist either. It's just saying that they don't write well. How is that sexist? Because they're women? If Trump disses a woman , he's sexist for that? What about when he disses a guy?	Woman	Gender - General	1/42	2.381
Number 8 interrupting someone that belongs to another gender isn't sexist. If Hillary was a guy, and said the exact same stuff, Trump would have the same reaction.	Gender	Gender - General	1/28	3.571

Number 7 agreeing with someone being the unsexiest woman isn't sexist in any way. It's just agreeing that that woman is the least sexiest woman alive.	Woman	Gender - General	3/26	11.538
At the end of 5, what does that have to do with Trump being sexist. Maybe that is true, I don't know, and you could be making that up. But that has nothing to do with Trump being sexist.	Nothing	Age - Youngsters	1/39	2.564
Number 5 isn't sexist either. He's just calling some a woman "unattractive on both sides". That's not sexist. He's not calling all women that. Just one.	Woman	Gender - General	1/26	3.846
Number 3 isn't sexist. It's just rude. He's not calling all women ugly. Just one specific woman ugly. Also the clip looked like it had a bunch of cuts. How do I know that it's even real?	Woman	Gender - General	1/37	2.703

Simply criticizing a woman doesn't make him sexist. He is a very good president and even though he did say a couple of sexist things that was mostly a long time ago and he's even apologized. Just because he said some rude things doesn't mean that he can't be a good president, at least he's honest.	Woman	Gender - General	1/56	1.786

Uh... the difinition of sexist is: "relating to or characterized by prejudice, stereotyping, or discrimination, typically against women, on the basis of sex ."(basically, someone who is sexist hates the oposite sex . They think their sex is superior to the other sex . Example:"The man thought she couldn't solve the math equation because she was a woman " Almost everything Trump said was just insulting, discusting, inappropriate, and utterly sick. The word you should have used would be insensitive.	Sex, Woman	Gender - General	5/76	6.579
just so all you idiots know, SEXISM is when some one, male or female believes that the opposing race to them is inferior in some way. this has nothing to do with inferiority at all nor does it generalize all women. he is talking about specific women. all this is is disrespect it has nothing to do with sexism . the people just happen to be women, its not like trump has never said any of these types of things to another man before so grow up and stop being little feminist losers	Nothing, Race, Sexism	Age - Youngsters, Ethnicity - General, Gender - General	5/92	5.435

Lmfao only 2-3 of them are actually sexist... out of context looking for shit to hate.. the problem with people is that they want political correctness over strong policy and fixing the shit of a mess that was left behind by the liberals. Obama will swipe you off your feet with a majestic speech and go behind your back and stab you.. trump will be trump not clean up his words and tell you exactly how it is. Wake the fuck up... he is not perfect... but he is no where near what the media makes him out to be.. research , read alternative news.. conservatives are being censored heavy... when 90 of the media hates you.. you are doing something right. Not racist , maybe just a tad sexist.. (most men and even women are) he is trying to fix the real issues that hurt us not. Alright so let me just make a response to literally all of these 13 "quotes"1: It wasn't even sexist, he complimented his daughter in a " weird " way.2: Many people think it is disgusting, even women so i don't see your point or how it was sexist in any way.3: Rosie O' Donnel has attacked Trump mulitple times since the 90's. Even Rosies own daughter hates her.4: Again, he is only complimenting them, i mean most girls like being called beautiful, or is that sexist saying that now? Am i supposed to call them ugly? Being sexist means attacking a women for.. Well being a women, an example would be like saying: Women belong in the kitchen or women are dumb . Trump has literally never said anything near those things.5: I thought this waa about sexism , you know gender , not looks?6: And here we go again, IT IS NOT SEXIST CALLING A WOMEN UNATTRACTIVE! It has something to do with GENDER not looks you dumbf***s!7: JUST GO LOOK UP THE DEFINITION OF " SEXISM " SERIOUSLY!8: Sexism or gender discrimination is prejudice or discrimination based on a person's sex or gender . Donald Trump called Hillary for a nasty women, how is that sexist? He wasn't saying she was nasty BECAUSE she was a women. All this fake news!9: Again, he didn't say it was because they were women, oh and you are making fun of Trump for making a mistake. What about when Hillary said "America is good, because America is great" like just stop!10: - 13: And again most of the things wasn't sexist, Trump has also called Men ugly before but not because of their gender ?What about when Hillary said in the 90's that black people were super predators, or when her Emails got leaked and she said in one of her Email that her supports were "easy to manipulate" Just wow... <p>Read my list as the speaker goes through each point.-Not sexist. It was just an awkward complement that came off weird. It could be seen as inappropriate I guess, because that's his daughter. But incest isn't sexist. I'm not defending incest, I'm just saying that thinking a woman is attractive isn't sexist, and it still isn't sexist if that woman is your daughter. It's weird though. -Not sexist. He wasn't calling her disgusting for being a woman and having to breastfeed her baby, he was calling her disgusting for rudely interrupting a formal meeting for an hour with a planned private matter. -Not sexist. Calling someone ugly isn't sexist. Men and women can be ugly. If I call a man ugly is it sexist? No. It's not sexist if I call a woman ugly. Sexism is the belief that one sex is superior. Believing that a particular woman is ugly isn't sexist. What he said is at worst personally mean. -Not sexist. He is bragging about 'having' more beautiful women. If you say that you 'have' a husband, should it be implied that you own that husband? NO. If you say 'my husband' or 'my man' is beautiful is that sexist? NO. He's calling women beautiful which is not sexist. -Not sexist. Yes, these are low blows and personal attacks, but attacking someone as a person isn't sexist just because they're a woman. That's like saying that attacking the looks and character of a black person is racist.-Not sexist... AGAIN. Calling a woman ugly isn't sexist. -See the above response...why is expressing your belief that a woman is ugly sexist? Think about this. I guy thinks that a race is inferior, but he doesn't say it. He's still racist.</p> <p>If a guy thinks a woman is ugly and he doesn't say it, he's not sexist (it's rude though).It's his opinion. How is expressing this opinion sexist?-Not sexist. Calling someone a nasty person isn't sexist. It's a comment on their character. Can we no longer talk about a woman's character?-Not sexist. Believe it or not, there are bad writers....and some of the are women! Pointing out a woman's lack of skill at something isn't sexist.-Not sexist. It was very inappropriate but it doesn't imply that women are inferior... unless you believe that having periods makes women inferior. -Not sexist.</p> <p>Weird?: Yes. Inappropriate?: Yes. Sexist?: No. Making a sexual comment about a man isn't sexist, and the same is true with the opposite gender. -He's making fun of the way she dresses in skin tight clothing as she'd pregnant. 'Oh! Skin tight clothing is only for people with socially accepted figures?' you may ask. Well yes, that's what they're intended for. What if a fat man was wearing a skin tight suit, and also you could clearly see his penis defined by the suit? Would that be okay? Women show their cleavage.-Very very very inappropriate. VERY. However being attracted to women isn't sexist. What if a man raped a woman? This may be controversial but it's not sexist. The same goes for if a woman rapes a man (which happens). -Not sexist. Is caring for children a symbol of oppression and something that nobody should have to do? It is just the way of life that women look after their children more.- Not sexist. He said that 'if abortions become banned'. That means if they become illegal. You get punished for breaking the law... so yes, if abortions are illegal you should be subject to punishment for doing them.- Not sexist. Making fun of someone for having a cheating partner and</p>	<p>Black, Fat, Gender, Nobody, Race, Racist, Sex, Sexism, Sexual, Weird, Woman</p>	<p>Age - Youngsters, Ethnicity - Black, Ethnicity - General, Gender - General, Physical Identity - Physical (and Mental) Impairments, Physical Identity - Physical Features</p>	<p>24/613</p>	<p>3.915</p>

For thousands of years men decided what women could and could not say, how they would dress, where they could go and so on. This is where men stand in the 21st century. They have given up on their pride and self-respect to the point where a woman now dictates what a man can say, how he can dress, whether he should grow a beard or not and so forth. Have some dignity men, you bring shame and disdain to the sacrifices of your ancestors.	Woman	Gender - General	1/85	1.176

corrolla Yes and I feel bad your too asleep to see how corrupt Washington is and comparing Trumps corruption to Obama or Bush is simple. Trumps policies don't sell America out yet he says stupid crap, Obama/all the others have ties to world cartels, Terror groups, I mean I can go on days. No time for being nice to sissys. Our country is failing really bad while China and Russia expand. So now we have a mean and bogus president who will make bold moves for our nation now let's await the results in 8 years eh? In the mean time let's talk about how Obama put us 10 Trillion in debt while rebuilding Chicago, or how contained Isis was. Or how he didn't give \$150 billion to a Terror country who now wants nukes and which already he them but the idiots don't want to scrap the deal. Oh well seems like you don't mind Terror spreading globally, debt increasing while infrastructure falls but as long as the president says nice stuff. I feel ya. <p>Lawls. Trump makes fun of a bunch of people. Some of them are women. I'm aware that some of these are actually pretty bad. But I love how every time he makes fun if someone who is a woman, it's sexist, and some people can't just be dumb and worth insulting, whether they have a penis or vagina. What if he made fun of men? Cause he does, and nobody seems to talk about that. Does that mean he hates men, too? Yes, I'm aware that he has been a sexist pig before, and some of these points show that, but finding a bunch of clips of him insulting people who are women is rediculous. And, I mean, I'd rather have somebody who uses playground insults than somebody who killed multiple Americans, lied about it, and then was forced to tell the truth by proven facts and research, and then just pretended not to care. Just saying. I don't give a crap what gender the president is or the insults they've made about other genders, just so long as they can properly run the country, which Trump has been doing. The president was never meant to be your best friend. And I love how abortion falls under women's rights. Newsflash: the life you are carrying inside of you is not your own life. It's that baby's. You have no right to take it away from them, no matter how small and defenseless they may be. If you didn't want to be pregnant, you shouldn't have gotten pregnant. You don't get to cheat your way out of it by killing a living thing. That is NOT your right.</p> <p>There are millions of women who pray their whole lives to be able to conceive, and never can. You're just going to throw your privilege to be able to bare a child away by killing it? There's a reason he wants to make it illegal. It's because we already have a law against murder, but apparently some people didn't get that one through their thick skulls, so apparently, we need two. I mean no hate or offense, but I hope whoever reads this freaking novel of a comment can step out of their life for a second and think about things from a different veiw. Don't always believe the crap that the entire world goes on about. Have a nice day.</p>	Dumb, Gender, Nobody, Woman	Age - Youngsters, Gender - General, Physical Identity - Physical (and Mental) Impairments	4/398	1.005

Vicki F lol no. He called Hilary a nasty women. Sorry he didn't say nasty human being. He meant to just say hey you're a terrible person. But of course, because she's a woman , it's sexist. I don't feel like watching this video again to find more instances like that, or do research right now, but a lot of "sexist" instances go something like that. How about you research it for yourself and learn more than just what social media bandwagons onto and shoves down your throat? I know that he can be a terrible human, but a lot of the junk said about him is blown way out of proportion. I don't wanna fight. I just think that when people don't take the time to question the ideas social media puts out, it's really stupid. And annoying. The world tends to get this one idea and refuse to think about a different way. Don't believe everything just because a bunch of other people do. I genuinely hope you have a great day. The first two are already sexist according to my definition (which I found on the internet in the first place, it's not MY definition, it's the definition of the English language) because: 1.prejudice2. saying he would date his daughter if he wasn't his daughter is just plain disgusting, and shows that he views her as more of a sexual object. Ok you can stop with the Trump stuff, if Hillary said this about men you wouldn't bat an eye1) isn't that weird , calm down2) some things are disgusting to some, other things are disgusting to others3) this is directed towards Rosie, not all women. You have preferences, so does he4) he never said they belonged to him. Many men say these things and so do women5) preferences, others are mean to others too. Not sexist at all, he just doesn't like a specific woman 6) again - he doesn't like a specific woman - not sexist7) PREFERENCES - people say these things all the time, why a big deal when he says it?8) that's not sexist! He doesn't like Hillary, she doesn't like him 9) his preference AGAIN10) others say these too - he was making jokes, also 11) when he grew up women did different things than men - he was just doing what he grew up with12) abortions are not ok!Honorable mention) just another joke 13) Pretty true tho!None of these things were sexist, and most of them were just remarks to specific women, therefore not sexist at all. I've always been saying stuff about how Donald Trump says things about "my women" and stuff but when people around my age say "my girl" or "my man" it's ignored (I'm thirteen)I know it sorta doesn't make sense because well we're teenagers it's not as serious or stuff and maybe someone would say "It's normal" because yes it is sort of like when someone would say "my girlfriend/boyfriend"But then if the "my girl" and the "my man" thing ends because they break up their reasoning for why neither one should care for the other is "we're not dating anymore" not "because I'm not his/her girl/man"I'm sorry I know it's not as serious but I feel like people take it too lightly and my friend group is a bit extreme with their comments such as how one of my friends laughed since another friend had a mini little plastic gun and someone said "he's going to shoot down the school" but that's completely differentI do acknowledge the fact that I probably am taking this too seriously but I also feel like this is a strange kind of way to show their affection for one another	Age	Age - General	1/198	0.505

Brian Reilly You are not a woman . You can't understand, nor you have the right to choose if you are not even the father of the "baby".
