'Despite the fact the United States' Age Discrimination in Employment Act (ADEA) has been in place for over 35 years, age discrimination in employment remains pervasive.' Laurie McCann, Senior attorney, AARP Litigation Foundation...'Negative perceptions of older workers were perceived as inflexible, unwilling to adapt technology, lacking an aggressive spirit, resistant to new ways, having some physical limitations, costing more for health insurance and complacent...Typically 90 of age discrimination suits do not make it to trial...One reason is that age discrimination in the employment process is difficult to prove'... Many people abuse in several time or everytime. The unlawful to harass a person because of his or her age . Unlawful age discrimination happens when someone is treated unfavourably because of their age , without justification, or is harassed or victimised because of their age . We can include fighting younger age than them, bullying, punishing, and hardtalk.If your child cadger a bread will you give him or her a punch? Harassment includes behaviour that is offensive, frightening or in any way distressing. It may be intentional bullying which is obvious or violent, but can also be unintentional, subtle and insidious.No culture was exempt from the problem, and no culture can claim to be exempt today. While we've made dishearteningly little progress, at least we've started taking a relatively clear-eyed look at the groups that are affected and the situations in which discrimination occurs. At least we're willing to acknowledge discrimination as a problem, although we can't even be trusted to get that right much of the time.But do you believe that every life is valuable?This age discrimination can cause a war and can cause of death. i actually broke my mouse (not kidding, seriously) when i saw this. 1:00 Kids are not stupid because of age .They dont mimic stuff because of age . im probably smarter than a lot of you adults, and have better grammar. kids act like that because they get mad when they say "Hey guys i think i saw something over there!" and they are then ignored. We Go to this behavior because YOU disrespect US. We also deserve the right of speech. we need all the rights in the constitution, freedom for ALL. it also made me mad when i went to staples to get a new mouse, and told my mom to stay in the car. that i could handle it. then at the cashier the woman said "sorry honey, you need a adult with you. your too young." i don't think that was in the store policy. what was that? it was her being ageist . i should have been racist to her, but i wasn't. couse' i was the lil' nice kid. Martin Luther king and Abe Lincoln freed colored people. Cezar Chaves helped the latins. I want to be the next in the list to free young and experienced people, they don't have rights. Experienced people have to go to homes, and kids are forced to take some subjects at school they don't want to. i could list other stuff, but im just going to put etc. someone help put a stop to this. It's wrong when you discriminate SOLELY on age . If someone is equally as qualified to do something, it's wrong to forbid them from doing it. The child wouldn't have the proper training to do so nor the proper reasoning capabilities of driving said tank. As for the man, it would simply be a threat to the children for him to be there *shrugs*	Age	Age - General	1/63	1.587

Great video. Thanks for putting an emphasis on the fact that we all deserve respect, no matter what age we are. Keep up the good work. And remember: First you are young; then you are middle-aged; then you are old; then you are wonderful. - Lady Diana Cooper	Age	Age - General	1/48	2.083

Age discrimination is age discrimination regardless of what the conditions and or circumstances are, you ether do it or you do not, Example: 50 year old man want to go back to kindergarden Example 2: 5 year old wants to drive a fully armed nuclear tank Now what is the primairy reason why these people will not be allowed to do what they want?
