The Quenelle is a Holly cristic gesture.Dieudonné saw it in Notre Dame de Lourde.It was 1st introduced as a "fuck" made by a dolphin in a Dieudonnè sketch in 2005.The dolphins was doing that "fuck" with its fin towards the human race , cause they (we) were the worst amongst the mammals.Quite a funny sketch, available on YouTube with English subs too. <p>Update 15th February 2019. I personally dislike the songs or singing by Alison Chabloz, but that is only my personal opinion. That aside, the latest news is that she was convictedand sentenced for her freedom of speech. See: Midlands YouTuber Alison Chablozbecomes first UK conviction over Holocaust denial - [LINK] The verdict and sentence demonstrates the satanic power and stranglehold that jews have in Britain, and in most European countries, but more especially in America, not only for their power in and over governments, but also over the judiciary and nearly every area of public life. The breakthrough came for them in the now legendary unjust and despicable verdict against David Irving in 1996. See: David Irving v Penguin Books and Deborah Lipstadt - [LINK] .David Irving made the fundamental judicial error of defending himself and not consulting a barrister, when he initiated the libel action against Lipstadt for defamation. Up until that point Irving was lauded around the world for his exemplary historical research covering WWII and Nazi Germany. In the trial Mr. Justice Gray, who presided over the case, who, curiously, was appointed over more senior judges, and later knighted (for services rendered), unjustly castigated Irving for his superior historical research and branded him an anti-Semite and holocaust denier. Thus, from that moment, the fraudulent judicial onslaught against Irving gave succour to the jewish lobby in the western hemisphere to pursue holocaust denial and anti-Semitism laws in every country.How do they do this? They are funded by israHell, which has received an estimated US\$ 89 billion in reparations from Germany. There lies the great tale of power, fraud, deceptionand terrorism. The rest is history.</p>	Nazi, Senior	Ideological and Political Identity - General, Age - Over 65s	2/281	0.712
<p>Jewish people shoot themselves in the foot whenever they go after so called antisemites bc they end up inciting more anti semitism as people see them attacking and abusing the original "Offender" When people see the Jews run a woman out of her job due to free speech they conclude that the Jews are thin skinned bullies. All of this does more harm than good. They would do themselves a favor if they started sending people well documented books and befriending them, that would turn the whole thing around.</p>	Thin, Woman	Gender - General, Physical Identity - Physical Features	2/89	2.247

The pro Zionist 'alt-lite' fake right wing you hear mocking SJW & leftist safe spaces ignore the fact this campus insanity was first started by organised Jewry attacking pro Palestinian free speech and claiming to protect Jewish students from harm. They will also ignore the most extreme cases of thought & speech crime policing by Jews that even resorts to genuine criminal stalking, targeting, threatening, extortion, blackmail, threats to kill, etc running parallel to the usual lawfare, influence campaigns. It's fine for organised Jewry to act like this but good forbid a law abiding moderate Alt Right nationalist European takes the piss out of feminists, Muslims or any non-European. In that case the police and media will claiming harrasment. A foolish nationalist dies in prison, serving ridiculous sentence for introducing a mosque to a rasher of bacon. But Jewish groups can send threatening mail, communications, harrassment of victims family, employers, etc. It's a topsy turvey world. Native Europeans are second class citizens legally, in their own nation's. The only resistance is nationalism , real right wing nationalism not Neo-cohen, Leftist globalism. This is not a matter of the white race survival. This is a matter of a principle and the absolute lie that has been perpetrated on an entire country and its people for nearly 80 years. It has been scientifically disproven by several independent experts, time and again. So the Zionists, who have no sense of humour and the lamest comedians, have criminalised Scientific questioning and investigation. But the lie is out. And the truth can no longer be suppressed. And Jews wonder why the world hates them.I am an admitted anti-Semite because my grandfather was murdered by Soviet Red Army Jews in 1944. Jews can murder anyone they want but if anyone criticises them they are bad.If you are a Racist , it is okay.If you are a heterosexual, it is okay.If you are White, it is okay.If you are an anti-Semitic, it is okay.The world is waking up. It's been happening to me since late 2016 and I'm a " nobody ".Ever since late 2016, gang stalking (being followed and stalked like crazy by J's and non-J's) and being hit with DEWs (psychotronic weapons). Incidently, the Commissioner of Police Bush and the Squash Star Race Relations Commissioner Susan Devoy tried to instigate a move to put an anti "hate speech" law into place. Clearly backed by the same crowd. This has provoked a high level Free Speech backlash. I don't suppose the Loud Mouth Bibsy Netanyahu saying that New Zealand's sponsorship of Security Council Resolution 2334 (after Trump heavied up the Fascist Sisi of Egypt) was a declaration of war helped his people. After all he claims to represent all Jews Worldwide. In addition, Mossad used stolen Kiwi Passports to carry out one of their assasination missions and people here were not to pleased. The main problem in dealing with these people is that the Talmud defines non Talmudists as sub human or inferior. Hate speech really. Further, on one of their tribal/religious holy days they are absolved from all falsehoods in the previous year and promise not to be bound by any oaths in the next year. How can a Court of Law function with these people under the British System? In Western Australia, Brendon O'Connell (same name as the Irish Patriot that Disraeli berated on the record in the UK Parliament) pointed out that there was no Royal Coat of Arms anywhere in or on the Court House, only a white Masonic style pyramid in front. Freemasonry is Talmud Lite and there is a Pyramid on top of the top court in Israel. Freemasons say that "Custom is the Sole Governant of The Law" and further, adhere to Propriety and not Principle. This combination of cohesive opinion making and custom manufacture, together with the hypocrisy of appearance is quite disconcerting to me. I read an old book that was withdrawn from the Wellington Public Library by a retired London Detective. In it he said that the Irish were given to violence and Polish Jews to Fraud. My own brother broke my nose and the first paper that Rupert Murdoch bought outside of Adelaide recently used the term "got his Irish up" to describe a politician in Parliament. No correspondence was entered into and this went without comment. Let the debate begin.	Old	Age - Over 65s	1/249	0.402

Perfect example of jewish kindness and uprightness. A rabbi embezzles 630,000 dollars of public funding from the special needs school he runs. The school is also in a predominately black and hispanic area but the school is populated by almost 100 orthodox jews.	Black	Ethnicity - Black	1/43	2.326
That's actually a good reaction. Just before Alison Chabloz stuff hit the news, I had already wrote and performed a song about being Gang Stalked called: *lagermates*. Think it hit the dark web by mistake - the Metropolitan Jewish Fuzz Fuzz(Met Police) oft humilate me by filming me on the internet and putting out to cause chaos. Esp. Limehouse Police station - whom framed me (with the help of duty solicitors - Dissington and the Jewish guy, CPS) and put me in prison. Limehouse police station is awash with personel whom have Jewish backgrounds there. Bytheway, I'm black , white, and a Jew.	Black	Ethnicity - Black	1/102	0.98
People talk, insult, babble nonsense, but when there's a real opportunity to support a cause, and take to the streets, to save themselves, their country their people, they are all closet revolutionaries. This has reach such critical point that if people don't start to take action now, there will be no safe streets later, to march, and their children to walk. Look, with your eyes wide open, at what is happening, everyday in Palestine, this is the future of every nation but one. It's time for a people's revolution, not colour fakes, every day, everyone, in the streets calling for the resignation of all in government, accountability to the last consequences, transparency, citizens commites in all government structures ... It's time for nations to be governed by the people, not compromised clowns (there's not one among them that isn't) serving some master. In the other hand, you can keep on pretending it's not happening, like sheep to the slaughter.If we blink will be to late	Nation	Nationality - General	1/165	0.606
So true. I got framed and imprisoned by my psychopathic gang-stalkers. If people knew - they're walking a thin, thin line. Result analysis:

- Taking into account the words that were detected, we can reach the conclusion these comments are associated with : : Nationality - Southern European;Gender - General;Ethnicity - General;Age - Over 65s; Ideological and Political Identity - General;Physical Identity - Physical Features;Religious Identity - Jewish;Nationality - General;Sexual Identity - Male homosexuality;Physical Identity - Physical (and Mental) Impairments;Age - Youngsters;Ethnicity - Native-American;Ethnicity - Black;
- The percentage of hate speech related words is 0.7811.
- Considering that the variable **Gender - General** has the most occurrences in the post, we can interpret that this is the predominant hate speech.
- Overall there were 40/174 occurrences of hate speech related comments.
