You could throw a million other scenarios at me with examples of none white racisms and it won't matter because the fact is that all forms of racism are a detriment to the only race that matters. That being the human race . It is ugly and an unacceptable behavior no matter the reason. No race is superior or inferior compared to another. We are all exactly the same with the exception of the color of our skin. My wife is Hispanic and so is my son so I have had several incidents in my life with racist like yourself. I truly wish I could help you to understand the real reason for your hate because whether you realize it or not that IS what you need.... help. I feel sorry for you because you will never truly have real happiness. It is impossible to know happiness with hate in your heart. Very sad. I wish you good luck and hope someday you will realize that it has to stop somewhere. In that moment, I wonder if you could have been the one to make a difference but chose not to. Stop the hate buddy. No one wins with racism .	Nothing, Race, Racism, Racist	Age - Youngsters, Ethnicity - General	8/261	3.065

The South Africans who were the majority became slaves, They were not allowed to speak there own language. Could not freely travel in there own country because of the I openly Racist Afrikaners. No nobody deserves to be murdered, however when you look at there history of how they took Raped, Stealing,Murdered South African without retribution,Banned there native languages from being spoken in school, Put people in townships, took the best land for themselves, shot little children in Sharptown .
